Dr. Wishart's Great American Dyspepsia Pills. and Pine Tree Tar Cordial are a positive and infallible cure for dyspepsia in 'ts most sggravated form, and no matter of how long staiding They penetrate the secret abode of this terrible disease and exterminate it, root and branch, forever. and exterminate it, root and branch, suffering They alleviate more agony and silent suffering than tongue can tell. They are noted for curing the most desperate and hopeless cases when every known means fail to afford relief. No form, of

dyspepsia or indigestion can resist their penetra-ting power. Dr. Wishart's Pine Tree Tar Cordial. It is the vital principle of the Pine Tree, ob-tained by a peculiar processing the distillation of the tar, by which its bighest medical properties are retained. It invigorates the digestive organs and restores the appetite. It strengthens the de-bilitated system. It purifies and enrichtes the blood, and expels from the system the corrup tion which scraftly bread on the lungs. It discovers which scrofula breeds on the lungs. It dissolves the macus or phlegm which stops the air passages of the lungs. Its healing principle acts upon the irritated surface of the lungs and throat penetrating to each discased part, relieving pain and subduing inflamation. It is the result of years of study and experiment, and jit is offered to the af-flicted with positive assurance of its power to cure the following diseases, if the patient has not too long delayed a resort to the means of cure: "consumption of the Lungs, Cough, Sore T. roat and Breast, Bronchitis, Liver Complaint, Blind and Bleeting Piles. The Tribupe is the best and cheapest paper in the

country This is not said in a spirit of "constru-ness. It has fallen to N-w York to create the greatest newspapers of the country. Here comsection to the commerce, the manufactures, the mineral resources, the agricultural wealth of the Republic. Here all the news gathers and the patronage is so large that journaliss can afford to print it. This is the strength of the Triburg We have all the advantages around us. We have great daily and semi-weekly editions. All the eluborate and intriente machinery of our estabnz. All the lishment-perhaps the most complete in Ameri-ica-is devoted to the purpose of making the Week's Tribune the best and cheapest newspaper in the world. Think of it! For two dollars the subscriber to the Tribure for one year large a much reading matter as though he filted a she' of his likery waite fifty polansis, containing the greatest works in the language. The fore of

greatest works in the language. The turke of cheapness can no further go. The Weekly Tribure is the paper of the people Here the eager student may learn the last lessons of science. Here the scholar may read reviews of the best books. Here, we say a much correspon-dence from all parts of the works, the observa-tions of sincere and gifted may, who serve the Tribune in almost every country. The Tribune is strong by reston of its enormous circulation and great chempton. It has long been

vicentation and great cheapners. It has long been conceded that the Weekly I tibure has the largest consected into the weekly informe hashes an even orientation of any newspaper in the country For-years we have printed in los as many papers, perhaps, as all of the other weekly editions of the city dailes combined. This is why we are enabled to do our work so thoroughly and chesply. The larger our circulation, the better paper we can make

What are the practical suggestions? Many Let every subscriber renew his subscription, and urge his neighbors to do the same. If a most annot afford to pay two dollars, let him raise lub, by inducing his neighbors to subscribe, as we shall send him a copy gratis for his trouble No newspaper so large and complete as the Was-ly Taibune was ever before offered at so low a price. Even when our currency was at par with gold no such paper but the Tribane was offered at that price; and the Tribane then cost us fire less than it dues now. We have solved the prob-Nov 6. 67.
