Wanted—to rent, or farm on the shares, either a large or small farm. Address, Daniel Meredith, Millford Mills, Chester co., Pa.

Thanks.—We are indebted to Gov. John W. Geary for an early copy of his annual message and pardon report. He will accept our thanks for the same.

Court.—The January term of our county courts convened on Monday. Quite a number of people are in attendance. We will give the proceedings in full next week.

Ice.—The prospects of having a supply of ice, during the summer months, are not, at present, very flattering. Those persons who are the fortunate possessors of ice houses, should fill them—as soon as the river freezes.

Timber.—E. A. Irvin & Co., of Curwensville, are prepared to buy all kinds of timber, delivered either at Curwensville, Lock Haven or Marietta, or they will take it at either of these points and sell it on commission. Read their advertisement.

Large Hog.—We learn that Mr. W. P. Tate, of Lawrence township, last week killed a hog, twenty months old, that weighed 611 pounds when dressed. It was a Chester White. Its length was 6 feet 8 inches, and girthed 6 feet 2 inches. This is the largest hog killed this season, in this vicinity.

Donation.—We learn from the Altoona *Tribune* that our friend, Rev. A. W. Guyer, pastor of the first M. E. Church, in that city, was surprised on Christmas Eve, by a large number of his friends calling unexpectedly, each bearing a basket or package, for himself or family. Such expressions of affection and regard are at all times acceptable, as well as a source of great encouragement to the humble and faithful minister and follower of the meek and lowly Saviour. Would that their recurrence were more frequent and general.

New I. O. O. F. Hall.—The members of the New Washington Lodge, No. 567, I. O. O. F. have erected and just completed a new three-story Hall building, at a cost of four thousand dollars. The first floor contains a large and commodious store room, the second is intended for a Town Hall, and the third for the Lodge room. It is a frame building 25 feet front by 50 feet deep. The Lodge room is one of the largest and best furnished in Central Pennsylvania, and a credit to the members of New Washington Lodge, as well as to the Order at large.

I. O. O. F.—On Thursday evening last a new Lodge of Odd Fellows was organized at Burnside, in this county, styled Burnside Lodge, No. 679. The following are the officers for the ensuing term: James Wetzell, N. G.; Thomas O. Brickle, V. G.; D. H. Davis, Sec'y; John L. Allison, Ass't Sec'y; and H. B. Darr, Treasurer. A goodly number of members from New Washington, Cherry Tree, Smethport, and Clearfield Lodges were present and participated in the ceremonies. The new Lodge starts under very promising auspices. We wish it success.

Burnside.—This is a flourishing village, situated on the Susquehanna River, about 30 miles South West of Clearfield, and in the midst of one of the best lumbering regions in this county. The town is located on both sides of the river. The large grist mill and magnificent residence, and other buildings, belonging to Mr. Wm. C. Irvin, are situated on the right bank of the river, while the principal portion of the town is on the left bank. The buildings are nearly all new, and mostly of the modern style of architecture. The citizens are enterprising and affable. In our opinion, the day is not far distant when Burnside will rank as one of the most flourishing and extensive business towns in our county.

Week of Prayer.—The several meetings, during the "Week of Prayer" in this place, were well attended, and much interest was manifested in the exercises by many of the lay membership of the various Christian denominations. The exercises were held alternately in the Lutheran, Presbyterian and Methodist houses of worship, and concluded with Union services and the commemoration of the Lord's Supper in the Presbyterian Church, on Sunday morning last. The occasion was one of the most solemn we ever witnessed, and will have the effect to unite more closely the members of the several denominations in the bonds of Christian fellowship, and to stimulate all to work more zealously for the spread of the Gospel of the Son of God throughout the world.

To facilitate removal our entire stock of merchandise will be sold at actual cost, for 30 days only. Wm. Reed & Co.

The past session in the Hollidaysburg Seminary has been the most successful of any since the institution began. Success, in hard times, is not a bad test.

Terpsichorean.—On Thursday evening, January 20th, 1870, a Citizens Ball will come off in the Town Hall (second floor of the new Odd Fellows' building) in New Washington—the proceeds to be applied to the liquidating of the remaining debt on building. The members of the Order, and the public generally, are invited to attend.

By order of the Committee.

Hall Dedication.—The new Odd Fellows' Hall, at New Washington, will be publicly dedicated, on Thursday, January 20th, 1870. Members of the Order from the neighboring Lodges, as well as the public generally, are invited to be present. The dedication services will commence at 1 o'clock P. M.

SWAIM'S PANACEA, Kennedy's Medical Discovery, Hembold's Buchu, Bake's Cod Liver Oil, Jayne's and Ayer's Medicines, for sale by Jan. 10. HARTSWICK & IRWIN.

SPECIAL NOTICE.

Schenck's Pulmonic Syrup,

Seaweed Tonic and Mandrake Pills, will cure Consumption, Liver Complaint and Dyspepsia, if taken according to directions. They are all three to be taken at the same time. They cleanse the stomach, relax the liver, and put it to work; then the appetite becomes good, the food digests and makes good blood, the patient begins to grow in flesh, the diseased matter ripens in the lungs, and the patient outgrows the disease and gets well. This is the only way to cure the consumption.

To these three medicines Dr. J. H. Schenck, of Philadelphia, owes his unrivalled success in the treatment of pulmonary consumption. The Pulmonic Syrup ripens the morbid matter in the lungs, nature throws it off by an easy expectoration, for when the phlegm or matter is ripe, a slight cough will throw it off, and the patient has rest and the lungs begin to heal. To do this, the Seaweed Tonic and Mandrake Pills must be freely used to cleanse the stomach and liver, so that the Pulmonic Syrup and the food will make good blood.

Liver Complaint is one of the most prominent causes of Consumption. Schenck's Seaweed Tonic is a gentle stimulant and alterative, and the alkali in the Seaweed, which this preparation is made of, assists the stomach to throw out the gastric juice to dissolve the food with the Pulmonic Syrup, and it is made into good blood without fermentation or souring in the stomach. The great reason why physicians do not cure consumption is they try to do too much; they give medicine to stop the cough, to stop chills, to stop night sweats, hectic fever, and by so doing they derange the whole digestive powers, locking up the secretions, and eventually the patient sinks and dies.

Dr. Schenck, in his treatment, does not try to stop a cough, night sweats, chills or fever. Remove the cause, and they will all stop of their own accord. No one can be cured of consumption, liver complaint, dyspepsia, catarrh, canker, ulcerated throat, unless the liver and stomach are made healthy.

If a person has consumption, of course the lungs in some way are diseased, either tubercles, abscesses, bronchial irritation, pleura adhesion, or the lungs are a mass of inflammation and fast decaying. In such cases what must be done? It is not only the lungs that are wasted, but it is the whole body. The stomach and liver have lost their power to make blood out of food. Now the only chance is to take Schenck's three medicines, which will bring up a tone to the stomach, the patient will begin to want food, it will digest easily and make good blood; then the patient begins to gain in flesh, and as soon as the body begins to grow, the lungs begin to heal up, and the patient gets fleshy and well. This is the only way to cure consumption.

When there is no lung disease, and only liver complaint and dyspepsia, Schenck's Seaweed Tonic and Mandrake Pills are sufficient without the Pulmonic Syrup. Take the Mandrake Pills freely in all bilious complaints, as they are perfectly harmless.

Dr. Schenck, who has enjoyed uninterrupted health for many years past, and now weighs 225 pounds, was wasted away to a mere skeleton, in the very last stage of pulmonary consumption, his physicians having pronounced his case hopeless and abandoned him to his fate. He was cured by the aforesaid medicines, and since his recovery many similarly afflicted have used Dr. Schenck's preparations with the same remarkable success. The directions accompanying each make it not absolutely necessary to see Dr. Schenck, unless the patients wish their lungs examined, and for this purpose he is Professionally at his Principal Office, Philadelphia, every Saturday, where all letters for advice must be addressed. He is also professionally at No. 32 Bond Street, New York, every other Tuesday, and at No. 35 Hanover St., Boston, every other Wednesday. He gives advice free, but for a thorough examination with his Respirometer the price is $5. Office hours at each city from 9 A. M. to 3 P. M.

Price of the Pulmonic Syrup and Seaweed Tonic each $1.50 per bottle, or $7.50 a half-dozen. Mandrake Pills 25 cents a box. For sale by all druggists.

The only reliable cure for
DYSPEPSIA IN THE KNOWN WORLD.

Dr. Wishart's Great American Dyspepsia Pills and Pine Tree Tar Cordial are a positive and infallible cure for dyspepsia in its most aggravated form, and no matter of how long standing. They penetrate the secret abode of this terrible disease and exterminate it, root and branch, forever. They alleviate more agony and silent suffering than tongue can tell. They are noted for curing the most desperate and hopeless cases, when every known means fail to afford relief. No form of dyspepsia or indigestion can resist their penetrating power.

Dr. Wishart's Pine Tree Tar Cordial.

It is the vital principle of the Pine Tree, obtained by a peculiar process in the distillation of the tar, by which its highest medical properties are retained. It invigorates the digestive organs and restores the appetite. It strengthens the debilitated system. It purifies and enriches the blood, and expels from the system the corruption which scrofula breeds on the lungs. It dissolves the mucus or phlegm which stops the air passages of the lungs. Its healing principle acts upon the irritated surface of the lungs and throat, penetrating to each diseased part, relieving pain and subduing inflammation. It is the result of years of study and experiment, and it is offered to the afflicted with positive assurance of its power to cure the following diseases, if the patient has not too long delayed a resort to the means of cure: *Consumption of the Lungs, Cough, Sore Throat and Breast, Bronchitis, Liver Complaint, Blind and Bleeding Piles, Asthma, Whooping Cough, Diptheria, &c.*

A medical expert, holding high collegiate honors, devotes his entire time to the examination of patients at the office parlors. Associated with him are three consulting physicians of acknowledged eminence, whose services are given to the public free of charge. This opportunity is offered by no other institution in the country. Letters from any part of the country, asking advice, will be promptly and gratuitously responded to. Where convenient, remittances should take the shape of drafts or post office orders.

Price of Wishart's American Dyspepsia Pills $1 a box. Sent by mail on receipt of price. Price of Wishart's Pine Tree Tar Cordial, $1.50 a bottle or $14 per dozen. Sent by express.

LORILLARD'S "EUREKA" Smoking Tobacco is an excellent article of granulated Virginia; wherever introduced it is universally admired. It is put up in handsome muslin bags, in which orders for Meerschaum Pipes are daily packed.

LORILLARD'S Yacht Club Smoking Tobacco is classed by all who consume it as the "finest of all;" it is made of the choicest leaf grown; it is anti-nervous in its effects, as the Nicotine has been extracted; it leaves no disagreeable taste after smoking; it is very mild, light in color and weight, hence one pound will last as long as 3 of ordinary tobacco. In this brand we also pack orders every day for first quality Meerschaum Pipes. Try it and convince yourselves it is all it claims to be, "the finest of all."

LORILLARD'S CENTURY Chewing Tobacco. This brand of Fine Cut Chewing Tobacco has no equal or superior any-where. It is without doubt the best chewing tobacco in the country.

LORILLARD'S SNUFFS have now been in general use in the United States over 110 years, and still acknowledged "the best" wherever used.

If your storekeeper does not have these articles for sale, ask him to get them; they are sold by respectable jobbers almost everywhere.

Circular of prices forwarded on application.

O, YES! O, YES!!

A GOOD FARM FOR SALE

Persons desirous of purchasing a farm, are directed to examine that valuable property in Lawrence township, and situate at the mouth of Clearfield creek—two miles East of the Borough of Clearfield, and convenient to schools and churches.

The property contains *ONE HUNDRED AND TWENTY ACRES*, part of which is improved and under a high state of cultivation—the whole being well fenced. Coal, iron ore, and other minerals are found on the same.

The buildings consist of a good *TWO-STORY DWELLING HOUSE,* 24 by 48 feet—a *GOOD BARN,* and other convenient outbuildings. And there is growing on the premises a young bearing orchard of choice fruit trees.

This property is very pleasantly situated and being at the confluence of the creek and the river, it is a very desirable and inviting residence for a private family. Its position on the creek and river also render it a good situation for a boarding house during the rafting season.

The west and north sides of this property being bounded by the creek and river, makes it one of the best rafting grounds in this section and as such yields a handsome revenue year y

The owner, Mr. M. A. Frank, having permanently settled in the west, is the reason for disposing of this valuable property. For terms, etc., apply to S. J. ROW.

THE PITTSBURGH WEEKLY GAZETTE is the largest and cheapest weekly paper published west of the Alleghenies. It circulates very extensively all over Western Pennsylvania, Eastern Ohio, Western Virginia and the great West. It contains all the leading Editorials of the DAILY EDITION on Politics, Literature, Science and the Topics of the day. It is the recognized organ of the Great Republican party of Allegheny county, which gave 11,000 majority for President Grant.

It furnishes the most reliable MARKET REPORTS, and on this account has become most popular with Merchants, Drovers and Farmers, who look upon it as an indispensible necessity in their business.

It gives the latest quotations in Wool, Cattle, Dry Goods, Groceries and the Produce of the Farm. It is the only paper that reports the Live Stock Market of Pittsburgh and Allegheny specially for itself, giving each week a full report of the number of cattle, hogs and sheep sold, weight of each, price paid, and the name of the seller and buyer.

In all cases of litigation in the courts, the market reports of the Gazette are used as evidence, which shows its reliability as well as its superiority in this respect.

It gives the NEWS OF THE DAY, from all parts of the world. But it contains each week in addition to the above, the best suggestions on the FARM AND GARDEN to be found anywhere.

Terms—single copy, per year, $1.50; in clubs of five, $1.25 for each copy; in clubs of ten $1.15 and a paper to the getter up of the club. Thus in one year the subscriber to the *WEEKLY GAZETTE* receives an amount of matter equal to many volumes, for the small amount of $1.50 or $1.15, and more matter than other journals sold at $2.00 per year. Owing to its rapidly increasing circulation the proprietors will be enabled to make it even more interesting during 1870 than it has been previously. Address
