THE NEGRO IN CONGRESS.-The negro. so long the disturbing force in politics, has now entered Congress, and last week he walked about the Senate chamber, where he is soon to have a seat. This colored man, Revel, comes from Mississippi, the State once represented by Jefferson Davis, and it is not the least of the revenges brought about by time and the war, that he is likely to take the seat formerly occupied by the ex-leader of the hosts of secession. It is a wonderful change. The war waged for slavery has given the slaves freedom, the balat and citizenship. SPECIAL NOTICE.

Schenck's Pulmonic Syrup, Seeweed Tonic and Mandrake Pills, will oure Consumption, Liver Complaint and Dyspepsis, if ta-ken according to directions. They are all three to be taken at the same time. They cleanse the

stomach, relax the liver, and put it to work; then the appetite becomes good the food digests and makes good blood the patient begins to grow in flesh the diseased matter ripens in the 1 ngs. and To these three medicines Dr. J. H. Schenck, o Philadelphia, owes his unrivalled success in the treatment of pulmonary consumption. The Pulmonic Syrup ripens the morbid matter in the lungs, nature throws it off by an easy expectoration, for when the phlegm or matter is ripe, a slight cough will throw it off, and the patient has rest and the lungs begin to heat. To do this, the Seaweed Tonic and Mandrake Pills must be freely

used to cleanse the stomach and liver so that the Pulmonio Syrup and the food will make good Liver Complaint is one of the most prominent made of assists the stomach to throw out the gas trie juice to dissolve the food with the Pulmonic Syrup, and it is made into good blood without fer-mentation or souring in the stomach. The great reason why physicians do not cure consumption i

Dr. Schenck, in his treatment, does not try to carrd No one can be cured of consumption, liver complaint, dyspepsia, catarrh, canker, ulcer-

If a person has consumption of course the lungs in some way are diseased, either tuberoles, absectses, broachial irrigation, pleura adhesion, o the lungs are a mass of inflamation and fast de caying. In such cases whin' must be done? It is not only the lungs that are wasted but it is the whole body. The stemach and liver have lost their power to make blood out or ford. Now the only chance is to take Schenck's three medicines, which will bring up a tone to the stomach, the patient will begin want food, it will digest easily and make good blood; then the patient begins to gain in flesh and as soon as the holy begins to gain in flesh and as soon as the body begins to grow, the lungs begin to heal up, and the patient gets fleshy and well. This is the only way to cure consumption.

When there is no lung disease, and only liver complaint and dyspepsis, Schenck's Scaweed Tonic and Mandrake Pills are sufficient without the Pulmonic Syrup. Take the Mandrake Pills freely in all billous complaints, as they are per-
