CLOSED UP -On yesterday (Tuesday) morning we noticed that several of the land lerds in this place had closed up their bared that, owing to an informality in their petitions, by omiting to cite the provisions of some all law, the Court refused to grant the herews applied for. This, no doubt, was rather anexported to the landlords, and will be of canaderable disadvantage to them. Better luck next time.

THE SHIPMENT OF TIMBER. -The heavy square timber, for the Penusylvania Railroad company's new Round house at Altooha is now being shipped thither, by rail, from this place. In our opinion, the day is not distant when the lumber trade, by rail, will exceed the most sanguine anticipations of our people generally. The necessary Burnfacturing facilities is all that is required to build up a permanent and profitable leads in this line. We hope our capitalists will give this subject the consideration that its importance demands.

SPECIAL NOTICE.

Schenck's Pulmonic Syrup,

ceweed Tonic and Mandrake Pills will cure Con sumption. Liver Con-plaint and Dyspepsia, if ta-ken according to directions. They are all three to be taken at the same time. They cleanse the omach. refax the liver, and put it to work ; then the appetite becomes good the food aigests and akes good blood the patient begins to grow in flesh the diseased matter ripens in the l ngs and the patient outgrows the disease and gets well. This is the only way to cure the consumption.

To these three medicines Dr. J. H. Schenck, of Philadelphia, owes his unrivalled success in the treatment of pulmonary consumption. The Pulmonic Syrup ripens the morbid matter in the lungs nature throws it off by an easy expectoration for when the phiegm or matter is ripe, a elight cough will throw it off, and the patient has rest and the lungs begin to heal. To do this the Seaweed Tonic and Mandrake Pills must be freely used to cleanse the stomach and liver, so that the Pulmonic Syrup and the food will make good blood.

Liver Complaint is one of the most prominent causes of Consumption. Schenek's Seaweed Ton ic is a gentle stimulant and alterative, and the alkali in the Seaweed, which this preparation is made of, assists the stemach to throw out the gas mentation or souring in the stomach. The great reason why physicians do not cure consumption is they try to do too much; they give medicine to stop the cough, to stop chills, to stop night sweats, heetic fever and by so doing they derange the whole digestive powers locking up the secretions and eventually the patient sinks and dies.

Dr Schenck, in his treatment, does not try to stop a cough, night sweats chills or fever. Remove the cause, and they will all stop of their own accord. No one can be cared of consumption, liver complaint dyspepsia, entarth, cacker, ulcerated throat unless the liver and stomach are made healthy.

If a person has consumption of course the lungs in some way are diseased, either tubercles, abscesses, bronchial irritation, pleura adhesion, or the lungs are a mass of inflamation and fast decaying. In such cases what must be done? It is not only the lungs that are wissed, but it is the whole body. The stomach and liver have lost their power to make blood out of food. Now the cally change is to take Schenek's three medicines. their power to make blood out of food. Now the only chance is to take Schenek's three medicines, which will bring up a tone to the stomach, the patient will begin want food, it will digest easily and make good blood; then the patient begins to gain in flesh, and as soon as the body begins to grow, the lungs beg n to heal up, and the patient gets fleshy and well. This is the only way to cure consumption.

When there is no lung disease, and only liver When there is no long disease, and only liver complaint and dyspepsia, Schenck's Seaweed Tonic and Mandrake Pills are sufficient without the Pulmonic Syrup. Take the Mandrake Pills freely in all billous complaints, as they are per-

Dr. Schenck, who has enjoyed uninterrupted health for many years past, and now weighs 225 pounds, was wasted away to a mere skeleton, in the very last stage of admonary consumption, his bysicians having pronounced his case hopeless and abandoned him to his fate. He was cured by the aforesaid medicines, and since his recovery many similarly afflicted have used Dr. Schenck's many similarly afflicted have used Dr. Schenck a preparation. With the same remarkable success. The directions accompanying each, make it not absolutely necessary to see Dr. Schenck unless the patients wish their lungs examined, and for this purpose he is Professionally at his Principal Office. Philadelphia every Saturday, where all letters for advice must be as dressed. He is also professionally at No. 32 Bond Street. New York, every other Tuesday and at No. 35 Hanover St. every other Tuesday, and at No. 35 Hanover St. Boston, every other Wednesday. He gives advice free, but for a thorough examination with his Respirometer the price is S5. Office hours at each city from 9 A. M. to 3 P. M.

Price of the Pulmonio Syrup and Seaweed Tonic each \$1.50 per bottle, or \$6.50 a half-dozen. Mandrake Pills 25 cents a box. For sale by all
