J. H. Clearfield - after that sand heap, we opine. The book will be sold by subscription only. Agents wanted in every part of the country. Ad dress National Publishing Company, Phil'a.

Soldiers Pensions.-Under a law of Congress and the regulations of the Pension Office, the time during which declarations for pensions may be filed by ex-soldiers who served in the late war, or their heirs, expires by limitation in June next, and after that time no case will be received without special act of Congress in each case. The act of June 6, 1866, prescribes that all such declurations should be filed within five years after the passage thereof, the framer of the act believing that this was sufficient time for the filing of all bone fide cases. The fact of this limitation of time is not generally known throughout the country, and as hundreds of new cases are received each week, it is fair to presume that many persons will fail to file their papers prior to PRICES. - We understand. the prices of June, and will be thereafter debarred trom fited for timber, at Lock Haven, is rather securing the pensions to which they are low to afford renunerative returns to our rightfully entitled, unless Congress enset a lumbermen. The prospect, however, is law extending the time during which declarafavorable to an advance and, we presume, tions may be filed. The House Committee that good prices will prevail, when the on invalid Pensions has agreed to report a bulk of the timber gets in-the present of bill extending the entitling period to 1871.

SPECIAL NOTICE.

Schenck's Pulmonic Syrup,

Seeweed Tonic and Mandrake Pills, will cure Consumption. Liver Complaint and Dyspepsia, is taken according to directions. They are all three to be taken at the same time. They cleanse the stomach, relax the liver, and put it to work; then the appetite becomes good, the fond digests and zakes good blood, the patient begins to grow in flesh the diseased matter ripens in the 1 ngs. and the patient outgrows the disease and gets well. This is the only way to cure the consumption.

To these three medicines Dr. J. H. Schenck, of Philadelphia, owes his unrivalled success in the treatment of pulmonary consumption. The Pul-monic Syrup ripens the morbid matter in the lungs, nature throws it off by an easy expectora-tion, for when the phlegts or matter is ripe, a slight cough will throw it off, and the patient has rest and the lungs begin to heal. To do this, the Seaweed Tonic and Mandrake Pills must be freely used to cleanse the stomach and liver, so that the Pulmonic Syrup and the food will make good

Liver Complaint is one of the most prominent causes of Consumption. Schenck's Seawood Ton-ic is a gentle stimulant and alterative, and the A GIFT.—On Friday last, H. F. Bigler, of the firm of Harry F. Bigler & Co., dealers tric juice to dissolve the food with the Pulmonic Syrup, and it is made into good blood without fermentation or souring in the stomach. The great reason why physicians do not cure consumption is they try to do too much; they give medicine to stop the cough, to stop chills, to stop night sweats, hectic fever, and by so doing they derange the whole digestive powers looking up the secretions and eventually the patient sinks and dies.

Dr. Schenck, in his treatment, does not try to stop a cough, night sweats chills or fever. Research stop a cough, night sweats chills or fever. Remove the cause and they will all stop of their own accord No one can be cured of consumption, liver complaint, dyspepsia, catarrh, canker, ulcer-ated throat, unless the liver and stomach are made

caying. In such cases what must be done? It is not only the lungs that are wasted, but it is the whole body. The stomach and liver have lost their power to make blood out of food. Now the only chance is to take Schenck's three medicines, which will bring up a tone to the stomach, the patient will begin want food, it will dig-st easily

complaint and dyspepsia, Schenck's Seaweed Tonic and Mandrake Pills are sufficient without the Pulmonic Syrup. Take the Mandrake Pills 433 Benjamin Gibbs, 5619 242 20 Henry Beck, freely in all billous complaints, as they are per-

by the aforesaid medicines, and since his recover any similarly afflicted have used Dr. Schenck The directions accompanying each, make it not absolutely necessary to see Dr. Schenck unless the patients wish their lungs examined, and for 408 this purpose he is Professionally at his Principal Office. Philadelphia every Saturday, where all letters for advice must be addressed. He is also Boston everyother Wednesday. He gives advice free, but for a thorough examination with his Respirometer the price is \$5. Office hours at each city from 9 A. M to 3 P. M.

Price of the Pulmonic Syrup and Seaweed Ten-ic each \$1.50 per bottle, or \$6.50 a half-dozen. druggists.

DR. J. H. SCHENCK.
