By Rev. Hall, in Presbyterian church, Wednesday evening at 7 o'clock.

The militia tax in this State is fixed at fifty cents.

Apples will be unusually abundant this year, from all appearances. Most of the trees are very full.

Is Johnstown laborers get \$1.30 a day and board themselves. Here they want about double that price.

The season, owing to the recent rains, is very auspicious to the growing crops. A good harvest is expected.

Just OUT—a new and very fine Chromo, entitled "The Chancel Cross." For sale at Butter's Photograph Gallery.

FANCY and plain job printing, of every description, done on short notice and at low rates, at the JOURNAL PRESS job office.

THE ashes, and other debris, in our streets, don't look very ornamental. They should be removed. What say the borough fathers?

WORKMEN are now engaged in putting up the spire on the M. E. Church in this place. When completed, it will be the tallest spire in the county.

HAIL.—Some hail fell, during a rain shower, yesterday, in this neighborhood. No damage was done to vegetation, however, as the hail was small and not very numerous.

TO BE OPENED—a new street, from the mouth of the lower bridge to the railroad depot. This will be a great convenience to persons in the lower part of the county, who have business at the depot.

ANOTHER THROUGH TRAIN.—We understand that the accommodation train commenced running through to Tyone, with a regular conductor, on Monday last. This will be a great convenience to the traveling public.

FAIR.—We have been requested to state that a fair, in behalf of the Episcopal Church, will be opened, in the old Western Hotel, now unoccupied, on Monday, evening, June 6th. The public is respectfully requested to attend.

A SUGGESTION.—The railroad company should extend the culvert, near the freight depot, to the western line of their grounds, and fill up the existing dangerous gully. It would add much to the appearance of the grounds, and be a great convenience to shippers.

LAST BORN.—We understand that a man named Joseph Peto, had a third boy broken on the 21st of May, by being struck with a log while engaged at work on a side on Four Run. The wound was properly dressed, and the injured man is doing as well as could be expected under the circumstances.

CURRENT WORM.—Last week we referred to the fact that a worm was destroying most of the currant bushes, in this town and vicinity. And we would now state that, D. Dresser, Esq. of Rockton, Pa., has a recipe for a preparation that will exterminate the worm without injuring the bushes. Here is a chance to get rid of this garden pest.

HERALD.—From a letter received from Philadelphia, Missouri Territory, we learn that Mr. Montgomery Fullerton, formerly of the county, died at that place recently. Mr. F. was an exemplary young man and much beloved by those who knew him. His death will be deeply lamented by his relatives and many personal friends, both here and in Montana. Peace to his remains.

RATTING.—Notwithstanding the high price of the water, last week, very few if any rats reached market—the waters having subsided nearly as rapidly as they rose. Rats are sticking on all the riffles along the river, and a great many were "stoved." This state of affairs entails considerable expense on the owners of timber, besides a great loss of time. Prices of lumber must advance in the East, in consequence of this delay in reaching the markets.

AN OLD BOOK.—We were shown, the other day, a book—a horse farrar—that was printed in London in 1651. This is one of the oldest volumes extant. It belongs to Mr. James Robins—father of Thomas Robins of this place—and formerly belonged to Jeremiah Robins, the father of James. The book is now 219 years old, and in a good state of preservation. It is quite a curiosity on account of the many quaint ideas, and singular suggestions it contains.

WE, the undersigned, Blacksmiths of the Borough of Clearfield, hereby adopt the following rates for work and rates with regard to repairing and recutting iron and steel, and pledge our honor as men and mechanics to adhere to and enforce the same, from and after May 1st, 1870.

All work done at horse shops must be paid for when the work is done, at the following rates: SETTING NEW SHOE, : : : 30 cts. RE-SETTING SHOE, : : : 20 cts.

Noted to be given for a longer period than three months.
