ISN'T IT TRUE. - Some cooks will throw out water in which meats have been boiled without letting it cool to take off the fat. Bits of meat are thrown out which would make hash meat or hash.

The flour is sifted in a careless manner and the bread pan left with the dough sticking to it.

Pie crust is laid by to sour, instead of making tarts for tea.

Cold pudding is considered good for nothing, when often times it can be steamed for the next day.

Vegetables are thrown away that would warm for breakfast nicely. Dish cloths are thrown where mice can

destroy them. The scrubbing brush is left in the water. Tubs and barrels are left in the sun to dry and fall apart.

Nice handled knives are thrown into hot

Silver spoons are often used to scrape kettles. Cream is allowed to mould and spoil.

Coffee, tea, pepper and spices are left to stand open and lose their strength. The cork is left out of the molasses jug

HOW TO KEEP GRAPES TILL SPRING .-Tell any one who wants to know, to pick his grapes when not too ripe, on a dry day; have ready some good sealing wax, and whenever any grapes have been broken off SPEAR'S CALORIFIC, the stem, apply the melted wax, and likewise at the end of the stem that has been cut. Then take any sized box you may choose, according to the quantity of grapes you want to put away. Then take cotton batting and cover the bottom of the box with it; then lay in your grapes so one bunch will not touch the other; then cover with the batting, and so on, a layer of grapes and a layer of cotton batting, till the box is full, and let the last layer be cotton. Then put on a good cover and keep them in a cool place, and they will keep good till spring.

MOUNTAIN CARE. - One cup of butter, one cup sweet milk, two cups sugar, four eggs, three and a-half cups flour, one teaspoonful soda, two of cream of tartar, flavor to taste; add milk and soda last. Bake and put together with frosting, like jelly cake. Very nice.

RAILROAD CAKE. - One cup sugar, two tablespoonfuls of melted butter, two tablespoonfuls of milk, stir well together, then add one tablespoonful of baking powder in one cup of sifted flour. Flavor with lemon.

Coolies.-One cup of butter, one cup sweet milk, two cups of sugar, two teaspoonfuls cream of tartar, one teaspoonfull soda, flour to roll. Roll thin, and bake ten minutes. Any spice you choose.
