A Hop .- A "hop" came off at the "Shaw House" on the evening of December 26th, to the general satisfaction of all parties. Mr. Colburn is a first class landlord, and knows December 22d, 1870, under direction of the how to please his guests.

LUMBERING. -Since our last issue sufficient snow has fallen in this region to make tolerable good haaling, and our lumbermen are busily engaged in drawing logs and timher to the several landings along the streams. A few inches of snow would make the roads very good.

THANKS. - The printers connected with this office desire to thank Mr. R. H. Shaw, of the Tobacco Store, for the present on Christ mas Eve. of a box of fine Yata Cigars. They were a "tip top" article. Dick keeps none but the best, and we advise those who use the word to give him a call.

FATAL ACCIDENT .- Mr. J. Sankey, aged about 18 years, a son of Wm. S. Sankey, of Karthaus township, was killed, on Friday, December 30th, whilst engaged in felling a tree for timber. The falling tree lodged on another, and the butt broke from the stump. swang around and struck Mr. S. on the head, breaking his neck and dislocating his shoulder. He died instantly.

BACK AGAIN.-By request, we would state for the information of our readers, son, Clearfield, Pa. that our friend Col. David Johnson, has returned to Clearfield, and took possession of the "Leonard House," near the Railroad. depot, on Tuesday last. The poor is large, well ventilated, and excellently furnished. The "Blue Lodge" and "Chapter" will both meet in the Hall. It is situated nearly opposite the Court

Sentious Accident. - We learn that Mr.

Jasoph Harley, of Union township, met with a very serious, if not fatal, accident on Bionday, December 26th, 1870. He was SERIOUS ACCIDENT - We learn that Mr. engaged in shifting logs at the landing on Anderson's Creek, where he was found lying is an insensible conduion by the teamster. No one being present, it is more conjecture Roland, James H. Rundy, as to how the accident occurred. From the surroundings it is inferred that he was lifting a log will a canthook, that the log sud lenly slipped and caused the canthook to fly and strike him on the side of the head, inflicting injuries to such an extent that his recovery is considered doubtful.

Oschola.-Last week we paid a brief visthe Original -one of the most flouri-hing towns in this county. The people are a hospitable and go ahead class. The town has improved very much within the past year, and now has a population of over 800.

Louge No 747, L.O. of O. F., was institotal by D. D. G. M. Thomas Robins, of W. M. Burchfield, Mr. N. L. Hoover of this place, on Thursday last. The following are the officers of the Lodge; R. A. Campbell, N. G.; W. H. Shellar, V. G.; L. Brisbin, See'y; W. C. Lingle, Ass't See'y; J. M. Cepherd, Treasurer. The organization consisted of twenty members, and four Lodge starts under very favorable auspices. evening, the members of the order partook of a very excellent supper, at the "Exchange Hotel," kept by that elever and accommodating landlord, T. F. Boalieh, Esq. The landledy, Mrs. Boalich, is deserving of special commendation for the manner in which she discharged her duties on the occasion. The viands were elegantly prepared, hand somely decorated, and in great profusionin fact, the collation was made up of nearly everything the season would afford, or that The Ladies of the Presbyterian Church

held a fair during the week, which, we un derstand proved a success. The Odd Fel lows visited the fair in a body and were corally received by the ladies. After partaling of some refreshments the brothers of "mystic rites" retired, well pleased with their visit and reception. It may not be amiss to state that, during the early part of the day, the ladies holding the fair presentel the Old Fellows a large, beautifully deeared and very excellent cake.

John G. Saxe.-We take pleasure in announcing to our readers, that the learned and talented author and eloquent Lecturer, John G. Saxe, will deliver one of his most interesting Lectures in the Court House, on Tuesday evening, 10th inst. Our citizens will have a rare opportunity to hearone of the most accomplished "star" Lecturers of the times. Mr. Saxe is a scholar of the highest attainments and culture, a fluent and eloquent speaker, possessing an inexhaustible fund of wit and humor, which, added to his masterly manner of handling his subjects, renders him one of the most pleasing and popular Lecturers, and is, at the same time, amusing and instructive. His wit and humor, unlike that of many of our Lecturers, does not consist in quaint and awkward expressions and bad English, but in sallies of genuine and sparkling humorous hits at the follies and fashions of the times. We hope the Lecture will be patronized, as this is an effort to establish a U. S. 6's 1881. church, morning and evening. Sabbath course of Lectures for the winter season, school at 9 A. M. > EXHIBITION. - The scholars of the Clear field Academy, gave a public entertainment in the school building, on Thursday evening, Principal, Rev. P. L. Harrison. The selections of dialogues, tableaux and music were good, showing the evident good taste of both teacher and pupils. The Academy is in a flourishing condition, and Mr. H. will spare no pains or expense in his efforts to make it as good as the best. The increased attendance during the past few months has made it necessary for Mr. H. to procure an assistant, and he has, therefore secured the services of an accomplished lady teacher, to conduct the primary and ornamental branch | DISSOLUTION. - The co partnership

The musical department, under the management of Miss Kreb, is fast growing in popularity, and offers rare inducements to all who desire that their children should eccive a thorough musical education. All in all, Mr. H. deserves a liberal encourage ment at the hands of our citizens in his endeavors to build up a first class school in our midst. With such an able corps of teachers as are now at the Academy, no school in the State offers better inducements for students to receive a thorough English edgea rion. Dyspor sin or Indigestion be idache, pain in the shoulders coughs tightness of the chest, dizziness, sour eructations of the stomach, bad taste in the toms, are the eff-prings of Dyspepsia.

They invigorate the stomach and stimulate the torpid liver and sowels, which render them of

unequalled efficacy in cleansing the blood of all impurities and imparting new life and vigor to the whole system. Billions, Remittent and Intermittent Fevers which are so prevalent and intermittent fevers, which are so prevalent in the valleys of our great rivers throughout the United States especially those of the Mississippi, Missouri Illinois, Ten-nessee Alabama, Savannah Romoke, James and many others with their vast tributaries, unting the Summer and Autumn, and remarkable so du-ring seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomeon and liver, and other abdomina vicera. There are always more or less obstruc tions of the liver, a weakness and ir itable state of the stomach, and great torpor of the bowels, being clogged up with visiated accumulations. In their treatment a pargative exerting a powerful influence upon these various organs is essentially necessary. There is no cathertic for the purpose equal to Dr. J. Walker's Vinegar Bitters as they specify remove the dark colored viscid matter with which the bowels are loaded at the same

time stimulating the secretions of the liver, and generally restoring the hea thy functions of the digestive organs. The universal popular y of this valuable remely in regions subject to mine-matic influences is sufficient evidence of its power as a remedy in such cases.
