REMOVED .- By reference to our advertising columns, it will be seen that J. Blake Walters, Esq., has removed his office to room No. 1, in the Masonic building, oppcsite the Court House.

Music.-Peter's Musical Monthly, for February, has reached us. It contains thirteen pieces of good music. The monthly is the best and cheapest musical work extant. Price \$3 per year, in advance. Single copies 30 cents. Address J. L. Peters. 599 Broadway, N. Y.

GODEY'S LADY'S BOOK .- The February number of this highly entertaining and in strustive ladies' magazine is before us. The illustrations are beautiful and unequalled by any other magazine. No lady can well do without it. Price \$3 a year, in advance. Address L. A. Godey, Philadelphia, Pa.

A number have professed conversion, and much interest continues to be manifested in the exer. cises. May God bless the effort, and may many more be reclaimed from the error of

SNOW AND COLD .- Winter bas again made its appearance in full rigor. After a week of unusual mild and pleasant weather, on Saturday eyening last, the atmosphere became quite cold, and snow continued to fall at intervals, up to Monday evening. As a result, the hauling of timber and logs roads are somewhat rough, as yet.

THANKS .- Our thanks are due to Gov. Geary for an early copy of his message - a fact which we inadvertently omitted to mention

We are also under obligations to Senator Wallace and Representative Hall, for several public documents.

Gen. Thus. L. Kane will also accept one thanks for a copy of his report, as President of the Board of Public Charities.

FIRE INSURANCE -After the late destructive fire at Mifflintown, Pa., the Farmers' Mutual Fire Insurance Company, of York, immediately sent an agent there to adjust and pay the losses sustained by that company. In referring to this fact the Democont and Register says: "This fact speaks volumes in favor of the Farmers' Mutual. upwards of \$40,000 risks on property in our | no attention to him, made her beds and left town since the fire. This company is one | the room. of the most prosperous in the State, the fruit of a policy of fair dealing and fulfilling to the letter contracts with those insured." This company insures mostly upon the mutual plan, yet, during an existence of fourteen years, it has never called upon policyholders for a single cent a truth which can not be stated of any other mutual company. S. J. Row is the regularly accredited agent for the Farmers' Mutual in Clearfield.

THE LADY'S FRIEND for February is on our table. This is a very handsome number, not falling behind that for January in any respect. Indeed we prefer the leading steel plate, the three earnest faces bent over "The Letter" are so suggestive. The Fashion Plate is beautiful and stylish, and the colored pattern for a Tidy will please industrious young ladies. Then there is a very natural picture of a Farm Yard in February, and some attractive costumes for walking and skating and dining. A plate of winter fashions for girls and one for boys will be interesting to mothers. There are numerous designs for winter garments, patterns for which are supplied on application; and the Workfancy work. The stories and poetry, as usety. Published by Deacon & Peterson, our valuation is only the small sum of \$143.-Philadelphia. \$2.50 a year.

In their treatment, a purgative exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Watker's Vinegar Bitters, as they speedily remove the dark colored viscid matter with which the bowels are londed, at the same time stimulating the socretions of the liver, and generally restoring the healthy functions of the digestive organs. The universal popular y of this valuable remedy in regions subject to mias-matic influences, is sufficient evidence of its pow-er as a remedy in such cases.
