DR. WALKER'S CALIFORNIA VINEGAR BITTERS

Hundreds of thousands bear testimony to their Wonderful Curative Effects. WHAT ARE THEY? FANCY DRINK.

Made of Poor Rum. Whiskey. Proof Spirits, and Refuse Liquors, doctored, spiced and sweetched to please the taste called "Tonics," "Appetizers," Restorers, to that lead the tipple on to drenk-enness and ruin but are a true Modicine made from the Native Roots and Herbs of California. from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the circut Blood Purifier and a Life Giving Principle a perfect Renovator and Invigorator of the System carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Birters recording to direction and remain long unwell, provided the bones are not destroyed by mineral poison or other means and the vital organs wasted beyond the point of repair.

For Infl. mematory and Chronic Rheematism and Gant. Dyspepasa or Indigestion, Bullious Remitted and International Feners, Discusses of the Blood. Laver. Knings and Bladder, these Bitters have been most successful. Such discusses are caused by vittated blood, which is generally produced by derangement of the digestice creams.

They invigorate the stonach and stimulate the torpid liver and lowels, which render them of unequalled efficacy in cleansing the blood of all tmpurities and imparting new life and vigor to like whole system.

Billous, Remittent and Intermittent Fevers,

which are so prevalent in the vaileys of our great rivers throughout the United States, especially those of the Mississippi, Missouri, Ellinois, Ten-nessee, Alabama, Savannah Koanoke, James and many others with their vost tributaries, during the Summer and Autumn, and remarkably so duthe Summer and Autumn, and remarkabl so during seasons of unu-ual heat and driness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. There are always more or less obstructions of the liver, a weakings and in itable state of the stomach, and great torpor of the bowels, being slogged up with vitiated accumulations. In their treatment a purgative exerting a powerful influence upon these various organs is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as shoy speedily remove the dark colored viscid matter with which the bowels are loaded at the same-time stimulating the secretions of the liver, and

with which the biwels are loaded at the same-time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs. The universal popular y of this valuable remedy in regions subject to mins-matic influences, is sufficient evidence of its pow-er as a remedy in such cases. Cleanse the Viviated Blood, whenever you finds its importities bursting through the skin in pimples, cruptions or sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will fell you when.
