Dr. R. W. Carr, of Baltimore, says:
I take pleasure in recommending four Rosadalis as a very powerful alterative. I have seen it used in two cases with happy results—one in a case of secondary sphills in which the patient pronounced himself cured after having taken five bottles of your hedicine. The other is a case of scrofula of long standing, which is rapidly improving under fix use, and the indicatione are that the patient will soon recover. I have carefully examined the formula by which your Rosadalis is made, and find it an excellent compound of alterative ingredients.

Dr. Sparks, of Nicholasville, Ky., says he has used Rosadalis in cases of Scrofula and

Such diseases are caused by vittated blood, which is generally produced by derangement of the digestive ergans.

Dyspopsia or Indigestion headache, pain in the shoulders, coughs tightness of the chest, dizziness, toms, are the off-prings of Dyspepsia.

They invigorate the stomach and stimulate the

torpid liver and lowels, which render them of ducqualled efficacy in cleansing the blood of all impurities and imparting new life and vigor to Bilious, Remittent and Intermittent revers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Missouri, Illinois, Tennessee, Alabama, Savannah, Roanoke, James and many others with their vast tributaries, during the Summer and Autumn, and remarkable so duthe Summer and Antumn, and remarkable so during seasons of unusual heat and dry hees, are invariably accompanied by extensive derapgements of the stomach and liver, and other abdominal vicers. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and grest torpor of the bowels, being clogged up with vitiated accumulations. In their treatment, a purgative exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinegar Bitters, as they speedily remove the dark colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs. The universal popular y of this valuable remedy in regions subject to mias-matic influences, is sufficient evidence of its pow-

matic influences, is sufficient evidence of its power as a remedy in such cases.

For skin disease, cruptions, tetter, salt rheum, blotches, spots, pimples, pustules, boils, carbuncies, ring worms, scald head sore eyes, erysipelas, itch, seuf, discolorations of the skin, humors and diseases of the skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Biters.
