S. J. ROW. BDITOR AND PROPRIETOR.

CLEARFIELD, PA., MARCH. 1, 1871.

### Pestponed.

The Republican State Convention, which was to meet in Harrisburg on March 10th, has been postponed until the 17th day of May next. This postponement was made at the earnest solicitation of some of the most prominent Republicans in various parts of the State.

The new Congress will convene on the 4th | favor of special legislation as well as corof March.

Senator Sumner has been veryill at Washington. At last secounts he was getting better.

The English, Austrian, and Italian gov ernments, have at last recognized the Paris-French government.

"Brick" Pomeroy will lecture in the Republican party, he immediately set aside evening, March 8th.

The "carnival" at Washington, on the what should not be offered as bills, he 22d, was a success. Large crowds were in breaks his own word and receives bill after attendance, and the event afforded much bill relating to the very subjects he declared amusement. Whether this patterning after were excluded. This is Democratic reform. Rome, will become a settled institution in this country, remains to be seen.

The outlook is good for the Republican party at the next general election. The greatest harmony prevails, and dissensions nowhere exists to jeopardise the interests of the party. We can confidently assert that so self-evident that it requires no argu-Pennsylvania is all right for another Repub ment. Without such a provision, populican triumph next fall.

The Democratic members of our State Legislature, it is said, are unanimously opposed to the passage of a bill authorizing the assembling of a Convention to amend the Constitution. Yet these are of the men who have been so loudly proclaiming for reforms. Down upon such hypocracy !

"Philadelphia has over four hundred churches, and yet the Radicals have a majority in that city !" So says the Bellefonte

Washington City Gossip. In the Senate, the House bill to guard the purity of elections was reported favorably by Mr. Conkling, from the Judiciary Committee, Mr. C. remarking that it was a bill to defend the ballot box against fraud and perjuries. This is the bill against

which the Democracy have filed their exceptions, as a usurpation of authority on the part of Congress not granted by the Constitution.

Some good points on the Democracy, and particularly the leaders of that party in New York, were made in the House, by Mr. Dickey, during the debate on the army appropriation bill. Mr. Brooks, of New March 25th, 1865, entitled, "An Act to regulate the state of Intoxicating Liquors," Ac: York, the day previously, had protested against the use of the soldiery at the polls instead of in fighting the Indians. Mr. Dickey replied that he thought there was Andrew Glass, more danger to the liberties and institu-John Young. tions of the country from the Indians of D Johnston, New York than from those of the plains.
