PROSPECTUS OF THE REPUBLIC.

The undersigned will, on the 13th day of June, 1849, begin the publication in the Citr of Washington, of a daily Whig Ada ministration paper, to be called "THE RE: PUBLIC," the editorial supervision of which will be committed to the exclusive care of

Alexander C. Bullitt and John O. Sargent. The Republic will give to the principles upon which the administration of General Taylor came into power, a cordial, zealous and constant support. It will be a faithforward and claim his property otherwiseit will be ful record of the times; it will discuss pubdent spirit, it will be a vehicle of the latest and most authentic information; it will be, in a word, a political newspaper, devoted to the liberalizing and progressive doctrines which prevailed in the late Presidential canvass; to the interests of labor as veloped in the wants of agriculture, commerce and manufactures, and to the cause of literature, science, and general intelli-

The Republic will acknowledge no allegiance except to the country. It will aim to merit the confidence and support of the American people. It will be the organ of no person, or party, or fraction of a party, in that compulsory sense which would hinder it from speaking boldly and candidly to the people about whatever it

concerns them to know. The Republic will be printed upon a double royal sheet, in a new, large, clear, readable type.

Besides the Daily paper, there will be published a Tri-weekly and Weekly Republic, made up of the most interesting & mportant matter of the Daily issue.
