JONES' NEW STORE,
LEWISTOWN PA.

THE Public are respectfully informed that C. L. JONES has received a very large Stock of

WINTER GOODS,

Comprising all articles kept generally in the other stores with the addition of many other goods not brought before to this place. A list of articles is herewith furnished, with the prices, and you will examine this list extensively in invited before purchases are made elsewhere. At this store goods will continue to be sold at least 20 per cent. lower than can be had elsewhere, or less than one-half the price of goods in Clearfield county. This certainly offers great inducements to cash buyers; the saving of so large a per centage, even on a small purchase, will amount to enough to make it a matter of consideration. There are many who deal in Lewistown in the old-fashioned way, by trading, thus giving the storekeeper the advantage of high prices—so such I would respectfully ask before making trades will see the other stores to call and see my goods and hear the low prices, and I am confident that such effort be made, all kinds of Country Produce can be disposed of for cash; it only requires a little more patience and determination on the part of the seller, as the home consumption of produce in Lewistown alone is very great, and the necessities of life, at whatever price, must be had, and they can be disposed of for cash.

DRY GOODS.

Black, blue, brown, navy-blue, lavender, dark mixed, light mixed grey, &c., &c., a large and cheap lot for 30 ct. 47 1/2 cts. 50 cts. 62 1/2 cts. 75 cts. and 87 1/2 cts. for a most superb article.
