BRANT'S INDIAN

is such a Medicine, in every respect; and there is abundant proof, in great curse effected, that ONE BOTTLE of it contains more purifying, healing virtue, and medical power, than there is contained in Four Bottles of any saraparilla, or any other medicine that has ever been offered for sale. There is undoubted proof in our pamphiles, that by the use of this great Indian Purifier, they that were Drino yet Live—they that were Lang and Cairpixe can now Walk—they that were Sick, Scropulous, and otherwise diseased, have been Healen and Curen.

Hundreds-Thousandswho have used BRANT'S PURIFIER, after having used and tested ALL the sarsaparillas and other medicines : mended to cure blood diseases, have decided that—

Brant's is the Cheapest, ecause One Bottle of it has more medical, curative mater in it, and, in consequence, cures more disease in much ter in it, and, in consequence, cures more alisease in nuch less time, than one bottle of any other medicine.

If, then, ONE Bottle of Brant's Puriffers will cure FOUR TIMES more disease than one bottle of sarsaparilla, "Brant's Puriffers would be as cheap at four dollars a bottle, as sarsaparilla at one dollar. But BRANT'S PURIFFER is sold for only ONE DOLLAR a bottle; and as a bottle of it has cured, and is capable of curing. Four Times as much disease as one bottle of sarsaparilla, therefore, sarsaparilla, in consequency of its less power and fore, exreaparilla, in consequence of its less, power and less medical efficacy, should be sold at no more than Twenty-Fire Cents per bottle, to be as cheap as the Publishan at One Dollar.

One Pollar's Worth!

How much Cancra—how much Strings—how much Scapula—will One Dollar's worth of Branc's PURIFIER care! Read the following statement, which is a specimen of its power.

CANCEROUS SCROFULA!

This is the case of a Dying man who yet lives. He was enred of a worse case of Scrofula, by only Twelve Bottles of Brant's Purifior, than ever was cured by the use of Twelve Gallons of the best sarsaparilla that was ever made. Sarsaparilla has not sufficient medical power to effect the cure of such a recollingly hopeless case.

Mr. J. B. HASKIN, of Rome, Oneida Co. N. Y., had Scrofula four years—was contined to his bed the last year—he was so much diseased and debilitated as to be unable to raise his hand to his head. He had the best medical advice—had used all of the best sursaparillas to no good effect—got worse and wrse, and was considered to be in a Dying State, and could not live twenty-four hours longer, when he commenced using BRANT'S PURIFIER. His neck was eaten nearly of, from ear to car—a hole was eaten through his windpipe, under his chin, so that he breathed through the hole—his var was so eaten around that it could be lifted up out of its place, it only holding by a small piece—the use of one arm was destroyed by two Ulcers—an Ulcer under the arm. as large as a man's hand, had nearly eaten through his side into his bedy. Thus, he was affilled with Twenty such putrid, acrid, offensive Ulcers, on various parts of his percon. For further and full particulars, see our Pamphles.

Duct. Thomas Williams, one of the most skilful physicians of Roma. was called to see Haskin the dev here.

Duct. Thomas Williams, one of the most skilful physicians of Rome, was called to see Haskin the day before be commenced using Brant's Purifer. Doct. W. examined him, and then told him that all the medicines in the world could not cure him—that his case was

Worse than Hopeless!

Now hear Mr. HABKIN'S statement of cure. He said:
My wife procured one bottle of BRANT'S PURIFYING
EXTRACT—THAT BUTTLE crabbled me to get off my bed—
the SECOND bottle enabled me to get out of the house—the
THERD enabled me to walk two miles, and when I had finished using Nine Bottles, SEVERTERN out of Twenty UIcers had HEALED UT, and three bottles more effected a perfect cure and restored me to good health.

FOURTEEN WITNESSES! The above facts are certified to by DOCTOR T. WIL-IAMS, Mr. G. R. BROWN, of West Rome Hotel, Messre. ISBELL & LEONARD, Druggists, and ELEVEN other speciable witnesses it forms witnesses at llome.
