

THE DOLLAR.

Clearfield, Pa., June 29, 1850.

Hon. Lewis Cass, of the U. S. Senate. I will accept of your thanks for several valuable public documents.

The countenances of our farmers have been as much improved by the copious showers of yesterday and day before, as their broad acres of grain and grass. The long spell of extremely warm and dry weather, had commenced very serious injury to the crops.

HON. ALFRED GILMORE.

The period is near at hand, when the preliminary steps should be taken for settling upon a candidate for Congress. As yet we have heard nothing, in a manner, on the subject—that is, we have heard nothing said in reference to the selection of a candidate to succeed our present representative—the gentleman whose name heads this article; and so far as we have heard any thing on the subject at all, it has been decidedly in favor of his re-nomination—so that, should he consent to go over the course again, he will find no difficulty in getting the nomination as the Democratic candidate. His official conduct, so far as his votes are concerned, give general satisfaction to his political friends in this quarter.

THE WHIG STATE TICKET.

The candidates selected by the late Whig State Convention, held in Philadelphia, are,

For Canal Commissioner, JOSUA DUNGAN, of Bucks county.

For Surveyor General, JOSEPH HENDERSON, of Washington county.

For Auditor General, HENRY W. SNYDER, of ——— county.

The sessions of the Convention were quite interesting, as warm discussions characterized their proceedings—there seeming to be a portion of the Convention inclined to express their fidelity to the State and National Administrations, to the exclusion, or rather to the neglect, if not the reproach, of Henry Clay.

We will give a sketch of the proceedings, and the resolutions, in our next paper.

NEAT CONGRESSMAN.

The Whigs of Butler county, at their late county Convention, nominated Samuel A. Purviance, Esq., of that county, as their candidate for Congress. The Whigs of Indiana county were to have held their meeting this week, when, it is said, James Taylor, Esq., of that county would be recommended. As the Kittanning Free Press states that neither Armstrong nor Clearfield lays claim to the candidate one or the other of the above named gentlemen will most likely be selected.

DR. WEBSTER TO BE HUNG.—The Court of Massachusetts, which heard the argument for a new trial in the case of Dr. Webster, found guilty in February, of the murder of Dr. PARKMAN, has refused to grant a new trial. So that unless the Governor pardons him, the Doctor will suffer the penalty of death.

From California.

The steamer Crescent City arrived at New York on the 24th inst., bringing dates from California to the 15th of May. She shows a large amount of gold dust. A very destructive fire occurred in San Francisco on the 24th of May, destroying about the third of the city—being the most business portion of it.

The Indians having committed several murders on the North Fork, the miners organized and started in pursuit and in several engagements killed some 20 or 30 of them. The whites were forming volunteer companies to guard against the Indians.

The gold digging business was quite as successfully prosecuted as ever.

The California News—Remarkable movement on foot—Another Revolution in Mexico—Santa Anna again in the field.

WASHINGTON, June 25th, A. M.—Intelligence has been received here from California relative to the certain political movements going on there, looking to results which will astonish the people of these States, when it is divulged. It needs no further information however.

News has also been received, of another Revolution in Mexico—but of what I am not yet apprised. It is certain however, that Santa Ann has returned.

Important from New Mexico—Formation of a State Government.

St. Louis, June 25—Advices have been received from Santa Fe to the 26th inst. The convention met, formed and adopted a constitution for the State of Mexico, which would go into effect the 1st of July.

Settlement of the boundary question left open for future consideration. It is prohibited. Members of the future, and Senators and Representatives to Congress are soon to be elected.

MURDER.—Capt. Samuel Ives, an old and respectable citizen of Ilerville, La., was shot dead on the morning of the 2d inst., as he was in the act of getting up from his bed. The murderer is supposed to be a man by the name of Allen Piper, a partner of the deceased, between whom there was some difficulty arising from pecuniary matters. Piper had not been arrested at the last accounts, he having fled.

NOW, that the season for Coughs and Colds is advancing, we cannot do better than to urge upon our citizens the importance of guarding against unnecessary exposures to the changes in the weather experienced in our climate at this season of the year. The introduction of Spring always brings with it a troublesome variety of weather, and the sudden transitions we feel from heat to cold, from dry to moist state of the atmosphere, frequently impart to our systems the first characters of disease, and lay the foundation of the numerous corruptive complaints so prevalent among our people. It is the wisest part to prevent, if possible, the formation of those diseases, by a proper respect for the laws which govern our bodies; but when coughs and colds do come, and before the lungs become dangerously affected, we should have recourse to that efficacious and deservedly popular remedy for all diseases of the chest and lungs, DR. WEBSTER'S BAL-SAM OF WILD CHERRY.

MARRIAGE.—On the 6th inst. by Eld. J. Adams of Milsburg, Mr. HOLMES J. ROWE, of Newport, State of Maine, to Miss SALVNA E. WINSLOW of Elk County Pa.—Center Democrat.

GRAHAM & WRIGHT. Grahamton, June 26, 1850.

Lime, Lime. THE subscriber respectfully informs the public that he has just burnt a kiln of Lime near the residence of Major James Atmore, near Bellefonte, where he is prepared to sell on reasonable terms to suit times. The lime is of the best quality, free from coke or cinders, and of a beautiful white color. It is at least equal to any that has ever been sold in this county, as all Judges of the article will say when they see it.

RED LION HOTEL.—The subscriber also keeps this well known TAVEN SPAN, situated on Allegheny Street, Bellefonte, where he is provided with everything necessary for the accommodation of man and beast, and will spare no pains to make all comfortable who favor him with their custom. JAMES McCULLY, Bellefonte, June 18, 1850.

Election, October 8, 1850

WE are authorized to announce to the Democrats of the counties of Clearfield, Elk and McKean, that WM. J. HEMPHILL, of Clearfield, will be a candidate for Assembly at the next general election—subject to the usages of the Democratic party.
