

ment was expected to take place until after the arrival of the wagons, horses and munitons.

Important to the Volunteers.—The Paymaster of the 8th inst. says—“Governor Johnson has taken the responsibility of instructing the Paymaster of the United States Army at this point to allow the volunteers from this State full pay, without stoppage or drawback for clothing. In this decision of the Governor, the Paymaster has signified his acquiescence. The disbanded volunteers will therefore receive full pay, without the discount for clothing. This will enable most of the volunteers to draw a sum sufficient to take them home.”

The Elections.

Indiana.—James Whitcomb, dem., is elected Governor by a majority of 2,200.—The political complexion of the Legislature is doubtful. The Senate is certainly Democratic.

Illinois.—James C. French, dem., is elected Governor by a majority of at least 10,000. Legislature Democratic in both branches.

Congress.—I. Lyman Trumbull, dem. III. — McLoughlin, do IV. — John Wentworth, do VI. — Lincoln, whig.

Missouri.—Legislature certainly Democratic.

Congress.—I. Jas. B. Bowlin, dem. III. — Green, do.

It is difficult to tell whether the new Constitution submitted to the people has been accepted or rejected.

North Carolina.—Graham, (whig.) elected Governor by a majority of about 7,000. A vote was taken on the subject of erecting a Penitentiary and decided in the negative, by about 25,000 majority. From present appearances it is probable there will be a Whig majority of about 6 in the Senate, and 14 or 16 in the House. Last session there was a tie in the Senate, and a Whig majority of 22 in the House.

Navigation of the Columbia River.— seems to take for granted, with others, that the charter of the Hudson's Bay Company, granted by Charles II, in 1671, extended to the west of the Rocky Mountains—that is, to the territory called Oregon; whereas it would really appear, that the charter was confined to the territory to the east of the Rocky Mountains, and that the only privilege conceded to the company to the west of the Rocky Mountains, now rests on the crown grant to the Hudson Bay Company, of the exclusive trade with the Indians in certain parts of North America for a term of twenty-one years, and upon a surrender of a former grant. This crown grant was made to the company previous to 1838; and as it runs only for twenty-one years, it expires in 1859; and with it all the benefit of the navigation of the company which is secured to them, and these trading with them, by the late convention between the United States and Great Britain.—*Washington Union, Aug. 12.*

Desertion and Death.—Two individuals belonging to the regular troops, which recently arrived at Governor's Island, attempted to desert therefrom on Thursday evening, by swimming to the Brooklyn shore. One of them when near the Atlantic Dock, lost his hold of a plank by which he was attempting to sustain himself, and was drowned. His name was Charles Thompson. He was a member of a company of the 2d Infantry, commanded by Lieut. Patten, from Oswego. The comrade of the deceased, conscience struck at the disaster, swam back to the Island and reported the circumstance.—He was much exhausted on regaining terra firma, and barely escaped being swept from the extreme point of the Island into the North River, the tide being on the flow. It is proper to observe that full credence is not given by the officers at the Fort, to the narrator's account of the disaster, and measures have been taken at the Police office with a view to ascertain the truth of the statement.—*Dem. Union.*

STARTLING RUMOR.—Twelve years ago last fall, a brig called the Nile, Captain Brookings, sailed from this port for the West Indies. Subsequently she was found bottom up, ashore on Bermuda. It was supposed that her officers and crew had all found a watery grave. Last week a young man named Reed, returned home to Woolwich, after an absence in Mexico and South America of six years, and he says that he saw in California a man named Jones, who sailed in the Nile—that Jones stated that when in the neighborhood of Bermuda, the brig was fallen in with by a rakish craft; that she was robbed of all her valuables; that Capt. Brookings and all his crew were transferred to the pirate vessel; the Nile was then scuttled, the crew were then taken to the south side of Cuba, transferred to another vessel, carried to Mexico, placed in the mines, and there they have been kept at labour ever since, being allowed above ground but one hour in twenty-four. Jones, by dint of good fortune, succeeded in escaping some five or six years since, and finding his way to California, where he is now living. The report has caused some excitement in this region, and we understand that measures are on foot to test its correctness. Mr. Reed's friends have no doubt of his veracity.—*Nash Enquirer.*

PALL BLUNTION.

Messrs. Editors.—As it has been the usual practice of the Democratic party in this county to continue their members of the Legislature for two years—and by the change of the system of making nominations candidates are required to announce themselves. And Mr. WORRELL, our late representative, having not yet announced himself as a candidate, we would therefore ask the favor of you to publish the name of BENJAMIN BONNALL, of Brady township, as a candidate for Assembly at the ensuing election—subject to the decision of the Democratic party, on the 29th August, 1846.

MANY DEMOCRATS of Lawrence township. August 5th, 1846.—pd

Messrs. Moore & Thompson.—As it has been customary for the Democratic party to send their member of the Legislature two terms, (and we are in favor of adhering to the usages of the party,) permit us through your paper to announce the name of Col. WORRELL, as a candidate for re-nomination for the Legislature, subject to the action of the Democratic party at their primary meetings on the 29th of August.

Many Democrats of Brady.

MESSRS. EDITORS.—Please announce Col. JOHN STITES, of Boggs township, as a candidate for the office of SHERIFF, at the ensuing election subject to the action of the Democratic Party. MANY VOTERS.

Fellow Citizens.—I offer myself to your consideration as a candidate for the office of SHERIFF, at the coming fall election, and if elected, will endeavor to discharge the duty of said office with fidelity. JAMES BLOOM, sen. August 5th, 1846.

We have been authorized to announce the name of JOHN LONG, of Lawrence township, as a candidate for the office of Sheriff of Clearfield county, subject to the decision of the Democratic party at their primary election.

We are authorized to announce GEORGE B. SMITH, of Girard township, as a candidate for County Commissioner, at the ensuing election.

Messrs. Editors.—As no one has as yet been offered to the public for the office of County Commissioner, and as it is an office of considerable importance to the citizens of the county generally, and also their interest to have one of those officers residence as near the seat of Justice as possible, so as always to be ready at the call of strangers and others having business in the Commissioners' office at times when they are not in session—thereby tending to facilitate business and save expense to the county. In order to carry out the above views, which we feel certain will meet with the approbation of the people generally, we would recommend JAMES A. READ, of Lawrence township, as a candidate for County Commissioner, subject, however, to the decision of the Democratic party. MANY VOTERS.
