

LATER FROM HAVANA & MEXICO.—DEPARTURE OF SANTA ANNA FOR VERA CRUZ.

By the arrival of the ship Adelaide, Capt. Adams, at New York on Thursday, from Havana, we have dates from that city to the 9th inst., and from the city of Mexico to the 28th July.

The English Mail steamer had arrived at Havana from Vera Cruz. She brought intelligence of a revolution in Mexico in favor of Santa Anna.

Soon after the arrival of the steamer, Generals Santa Anna, Almonte, and Rejon, left Havana in the British steamer Arab, chartered for that purpose, to take them to Vera Cruz, and they are now probably at the latter place.

It appears that the city of Mexico and the city of Vera Cruz had both declared for Santa Anna.

The *Indicator* of Vera Cruz, of 31st July, states: that that city had pronounced in favor of the plan of Guadalupe, with some additions; that Generals Landera and Perez led the movement; the troops of the fortress of San Juan de Ulloa also adhered to the plan. The likeness of Gen. Santa Anna was carried through the streets, causing great enthusiasm and rejoicing.

The *El Republicano* has several columns of individual voluntary subscriptions, to aid in carrying on the war with the United States.

Gen. Parede's was to leave the city of Mexico on the 29th July, to take command of the troops on the frontier.

Despatch to General Tornel, Minister of War, from Parede's.

MARIANO PAREDES, General of Division and President of the Mexican Republic, to the inhabitants thereof:

in the office of the writer of this paragraph and afterwards studied a profession at St. Louis, in the practice of which he died, at the age of 29; persevering, honest and active, his love of adventure lost him his life; thus cutting off the high hopes of his friends that he would win for himself a fortune and a name.

—The Harrisburg 'Union' in speaking of the conduct of the Whigs in relation to the new Tariff bill, gives them the following warning:

TAKE CARE OF THE RECOLL.
"The Whig party are evidently hedging and holding in order to prepare for the reaction in the minds of the people consequent upon the conviction that the loud outcry of the Whig press was intended to create fear and dismay for the sole purpose of influencing the approaching elections. This stifled 'panic,' which, had the effort to produce it been successful, would have spread a death shroud over the business community, has been ascertained to be no real hobgoblin, but merely a thing of shreds and patches, put together by the cunning old women of the Whig party, and hung upon a pole in the centre of the political field, to scare the democrats away from the honors and protection of a republican administration."

TO THE PUBLIC.—The unprecedented success which has resulted from the adoption of Brandreth's Pills, during a period of upwards of ninety years, the numerous and extraordinary cures which they have performed upon hundreds of individuals, whom they have rescued from almost inevitable death, after they had been pronounced incurable by the most eminent of the faculty—justly Dr. Benjamin Brandreth, the proprietor of this Vegetable Universal Medicine, in warmly and conscientiously recommending it to the notice of the public.

These Pills do indeed "assist nature" to all she can do for the purification of the human body; yet there are no numbers whose cases are so bad, and whose bodies are so much debilitated, that all that can reasonably be expected, is temporary relief; nevertheless some who have commenced using these Pills under the most trying circumstances of bodily application, when almost every other remedy had been altogether unavailing, have been restored to health and happiness by their use. Dr. Brandreth has to return thanks to a generous and enlightened public, for the patronage they have bestowed on him; and he hopes by preparing the medicine as he has ever done, to merit a continuation of favors.

MARRIED.—On Thursday last, by the Rev. E. Welby, Dr. ASHLEY M. HILLS to Miss JANE, daughter of Richard Shaw, Esq. all of this place and vicinity.

FALL ELECTION.
Messrs. Editors.—As it has been the usual practice of the Democratic party in this county to continue their members of the Legislature for two years—and by the change of the system of making nominations candidates are required to announce themselves. And Mr. WORRELL, our late representative, having not yet announced himself as a candidate, we would therefore ask the favor of you to publish the name of BENJAMIN BONSALL, of Brady township, as a candidate for Assembly at the ensuing election—subject to the decision of the Democratic party, on the 29th August, 1836.

MANY DEMOCRATS of Lawrence township.
August 5th, 1846.—pd
Messrs. Moore & Thompson:—As it has been customary for the democratic party to send their member of the Legislature two terms, (and we are in favor of adhering to the usages of the party,) permit us through your paper to announce the name of Col. WORRELL, as a candidate for re nomination for the Legislature, subject to the action of the Democratic party at their primary meetings on the 29th of August.

Messrs. Moore & Thompson:—As it has been customary for the democratic party to send their member of the Legislature two terms, (and we are in favor of adhering to the usages of the party,) permit us through your paper to announce the name of Col. WORRELL, as a candidate for re nomination for the Legislature, subject to the action of the Democratic party at their primary meetings on the 29th of August.

MESSRS. EDITORS.—Please announce Col. JOHN STITES, of Boggs township, as a candidate for the office of SHERIFF, at the ensuing election subject to the action of the democratic party.

Fellow Citizens:—I offer myself to your consideration as a candidate for the office of SHERIFF, at the coming fall election, and if elected, will endeavor to discharge the duty of said office with fidelity.
JAMES BLOOM, sen.
August 5th, 1846.

We have been authorized to announce the name of JOHN LONG, of Lawrence township, as a candidate for the office of Sheriff of Clearfield county, subject to the decision of the Democratic party at their primary election.

We are authorized to announce GEORGE B. SMITH, of Girard township, as a candidate for County Commissioner, at the ensuing election.

Messrs. Editors:—As no one has as yet been offered to the public for the office of County Commissioner, and as it is an office of considerable importance to the citizens of the county generally, and also their interest to have one of those officers' residence as near the seat of Justice as possible, so as always to be ready at the call of strangers and others having business in the Commissioners' office at times when they are not in session—thereby tending to facilitate business and save expense to the county. In order to carry out the above views, which we feel certain will meet with the approbation of the people generally, we would recommend JAMES A. READ, of Lawrence township, as a candidate for County Commissioner, subject, however, to the decision of the Democratic party. MANY VOTERS.
