#### A SISTER'S LOVE.

More constant than the evening star Which mild'y beams above-Than diadem -oh! dearer far

A sister's gentle love Brighter than dew-drop on the rose, Than nature's smile more gay-Aliving fount which ever flows, Steeped in love's purest ray

Gem of the heart ! Lafe's gift divine, Bequeathed us from above.
Glad offering at affection's shrine-

A sister's holy love! A Profane Swearer Nonplussed - In Schoharie county there lives a man whose addiction to profane swearing is such that his name has become a by word and reproach; but by some internal thermometer he so graduates his oaths as to make them apply to the peculiar case in hand; the stronger and more trequent his adjura tious. His business is that of a gatherer of ashes, which he collects in small quantities and transports in an ox cart. Upon can't do justice to the subject!

[Knickerbocker,

-630his death-bed, he declared that he would in himself. have cherished more deeply the memory of having given a cup of cold water to one; of his fellow-creatures in poverty and distress, than all the victories he had achiev ed, with their scenes of blood, desolation and death. An admirable lesson is con veyed in this brief expression of opinion.

The Flour and Grain Markets in New Fork .- The New York Express of Tuesday alternoon savs :

A week ago there were some indications of a pause in the shipments of bread stuffs. This arose from the high prices that were demanded. Flour was held at 85 757- Single subscriptions, per annum advance, Wheat at \$1 25-and Corn at 80a85c. Five subscriptions. These rates, together with the scarcity of Twelve, do vessels, had the effect to check shipments. and within a few days all these articles One copy of the Weekly Paper, and one of have declined to a point at which shippers the timon Magazine.

#### TO THE PEOPLE.

THE session of Congress, which has just termin nted, will be long and gratefully remembered by guments against the practice, it is much to all true republicans for the triumphant success of be wondered at that the ninth command- many of their cherished principles and measures. While we heartily rejoice at the triumph of the principles which it has been our constant effort to advocate and defend, and from which no prosperi mindful of the attitude in which we are placed by lude to the contemplated withdrawal of their pa rounge from the newspaper press. To this decision we cheerfully bow, sensible as we are of the patriotic motives which have led to it. But we trust that this decision of Congress increases rather than diminishes our claim to the support of a higher power-that of the people; and to them we confidently appeal to aid us, by their patronage, in sustaining at the seat of government a journal that is inflexibly devoted to their interests and the true

It is known to every one, that the chief source of sustaining a newspaper is not the magnitude of its subscription list, so much as the advertising patronage which may be bestowed upon it. In large commercial cities, indeed, the latter is usually the concomitant of the former, us it becomes the obvious interest of mercantile men to advertise in those papers which are the most extensively circulated. Washington, however, is differently situated. Do. prived of the advertising patronage incident to a har and enormous expenses which are not else where incurred, nothing but a very long list of ness-if, indeed, even in existence. The proprietors of the Union' have hitherto spared no pains, publishing the most full and ample debates of the we houses of Congress, it is believed, ever before attempted on this continent in a daily newspaper, extensive foreign and domestic correspondence is another large item of expense, but the instructive usotulness of which is so highly commended and xpenses cannot be borne, unless the subscription list is commensurate to the undertaking, and altho' we can bonst of 15,000 subscribers, (including dai ly, tri-weekly, and weekly.) yet this list must still pe considerably enlarged to enable the proprietors of the Union to sustain all its usefulness, and to

principles we cherish, we offer the following pro The 'DAILY UNION' will be published, as here fore, at \$10 per annum, payable in advance. Its character hitherto has been almost exclusively political. We purpose in future to devote a portion of its columns to domestic news of general interest and to miscellaneous literature, which, without impairing its political influence, may render it the

usure them against pecuniary loss. Invoking

then, again, the aid and support of all true friends

to renewed efforts in the cause of the glorious

of Republican government, and pledging ourselves

more acceptable to an extended class of readers. The . SEMI-WEEKLY UNION' will be published every Monday and Thursday, during the re cess of Congress, at 85 per annum. This contain all the matter contained in the 'Daily Union,' exept local advertisements. During the sessions of Congress three numbers, instead of two will be is sued without any extra charge to subscribers.

ENLARGEMENT OF THE WEEKLY UNION The 'WEEKLY UNION' is issued every Satur day; and as arrangements are in progress to en-5 00 large it to near double its present size, we shall soon be enabled to give nearly every article which may appear in the daily and semi-weekly editions. at the etzremely low rate of \$2. We propose also o give, in this edition n , a complete synoptical summary of the proceedings in both houses of Congress-thus rendering the Weekly Union's most valuable channel of information to all classes of our country. But to remunerate us for this enterprise, an extensive subscription list is absolutely ndispenrable.

CONGRESSIONAL REGISTER.

In addition to the foregoing, we have resolved gess and Town-Council of the Borough relature, a Congressional Register, to be issued of Clearfield, and it is hereby enacted weekly, and to contain a full refort of the daily and ordained by the authority of the proceedings and debates of both houses. Indeed. the arrangements which we have made with the and will consumite a complete and authoritic record of the session. An appendix will be added. uniform with the Register, and to be sent gratuit ously to subscribers, comprising a list of the acts passed during the session, with a synopsis of their contents, and a reference, when necessary, to pre- containing, by official survey, 433 acres vious legislation. This will form the most complete history of the sessions of Congress, and will be furnished at the low price of seventy rive CENTS for the next session.

BF POSTMASTERS are authorized to act as our agents; and by sending us five yearly subscribers, with the subscription money, for either the Daily, Semi-Weekly, or Weekly, will be entitled to one copy of the same edition as they furnish us subscribers for.

FTThe Congressional Register will be fur ished them on the same terms
