

A FIENDISH ACT.—On Friday evening last, one of the persons employed at the inclined plane, near Philadelphia, on the Columbia railroad, providentially discovered that the great rope, which regulates the descent of the cars, had been cut and nearly severed, as with an axe, evidently for the purpose of causing a most fearful accident when the then approaching train of populous cars should attempt to descend. When discovered, it was full and even past the time for the train to have arrived, and the hastened breathless to the station, and found that in consequence of the locomotive running over a cow, a short distance back, the train was but just arriving; otherwise the descent would have been commenced, and a destruction of life and property, fearful to contemplate, would have been the result. A large reward should be offered at once for the discovery of the fiendish perpetrator.—*Law Farmer, Nov. 21.*

DISPATCH.—The Baltimore American says: "We noticed on Saturday a business operation between this city and Philadelphia, showing the facilities of communication and transportation at present enjoyed by the two cities in their intercourse with each other. Another transaction has since come to our notice, which is still better calculated to exhibit the relations in which we stand to our Philadelphia neighbors. A few days since an order for a quantity of Cotton was sent to Philadelphia, by a house in this city, at 2 P. M. which, notwithstanding it had to be purchased, taken from on board a vessel, and re-shipped, was received in Baltimore, and carried to the factory by 6 o'clock the next morning. A part of the whole was worked up the same day, and on the day following it was sent back to Philadelphia, to the party who took the cotton from on ship-board."

Capt. Randolph Ridgely, of the U. S. Flying Artillery, died a few days ago at Monterey, in consequence of having his skull fractured by being thrown from a horse. Capt. R. was Capt. Ringgold's 1st Lieutenant at Palo Alto, and distinguished himself on the 9th and 10th of May last.

The Sunbury (Pa.) American says: "Mr. Feaster who was attending a saw mill five or six miles below this place, was suddenly killed on Saturday last. He was discovered with his neck under the crank, which had stopped the mill. He was exsanguinated with difficulty a lifeless corpse."

The **BRANDRETH PILLS**, as a general family medicine, especially in a country as subject to sudden changes of temperature as this, their value is incalculable. By having the Brandreth Pills always on hand, should a sudden attack of sickness take place, they can be given at once, and will often have effected a cure before the physician could have arrived.

In cholera and inflammation of the bowels, these Pills will at once relieve, and perseverance in their use, according to the directions, will surely do all that medicine can do, to restore the health of the patient.

In all cases of Indigestion, Worms, Asthma, Diseases of the Heart, and all affections of the stomach and bowels, the Brandreth Pills will be found a never failing remedy.

To ensure the full benefit of these celebrated Pills, they should be kept in the house, so that, upon the first commencement of sickness, they may be at once resorted to. One dose then is better than a dozen after disease has become established in the system.

CONSTIPATION OF THE BOWELS, or Costiveness, headache, giddiness, pain in the side and breast, nausea and sickness, variable appetite, yellow or sallow complexion, &c. are the usual symptoms of Liver Complaint.

Wright's Indian Vegetable Pills are always certain to remove the above complaints, because they purge from the body those morbid humors which are the cause, not only of all disorders of the liver, but of every morbid incident to man. A single box will most assuredly drive every particle of disease from the body.

Wright's Indian Vegetable Pills also completely cleanse the stomach and bowels of all bilious and putrid humors, and therefore are a certain cure for colic, dysentery, cholera morbus, and other disorders of the intestines.

The popularity of **WRIGHT'S INDIAN VEGETABLE PILLS** has proved a strong bait to unprincipled men, who, instigated by the hope of gain, attempt to palm off a spurious article on the unsuspecting. To detect the wicked designs of such men, we have procured new labels, and the signature of William Wright will be found **WRIT-TEN WITH THE PEN** on the top label of each box. **NONE OTHER IS GENUINE, AND TO COUNTERFEIT THIS IS FORGERY.**

Remember, the only original and genuine **INDIAN VEGETABLE PILLS** have the **WRITTEN SIGNATURE OF WILLIAM WRIGHT** on the top label of each box.

Caution.—It should be remembered that Mr. Edward Cole, of Philadelphia; Mr. John Dixon, of Easton, Pa., and Messrs. Browning & Brothers, of Philadelphia, are not agents of ours, and as they purchase no Indian Vegetable Pills at our office, we cannot guarantee as genuine any medicine they may have for sale.

DR. OSBORN'S INDIAN VEGETABLE RESTORATIVE PILLS.

Prepared by Dr. George Bennett, of New York, and for sale by the annexed list of agents in Clearfield county.

THE unprecedented success that has attended the use of these pills in the practice of the proprietors for the last six or eight years, has induced many to yield to the importunities of a man who has used and been benefited by them, and make arrangements to place them within the reach of the public generally. In doing so he feels called upon to say that the Indian Vegetable Restorative Pill is decidedly superior to any with which he is acquainted. They combine the properties of many of the best vegetable medicines, (used in no other pills) in such a manner as to afford not only immediate and temporary but permanent relief.

The valuable tonics which enter into their composition by their action upon the secretory organs hold in check the purgative principle and induce a gentle and natural operation without inconvenience or pain, and while they restore a natural and healthy action of the stomach, liver and bowels, they increase, instead of diminish, the strength of the patient.

They have been used as a family medicine for years by many of the first respectability—and although they are not recommended to "heal all the ills that flesh is heir to," yet it has been very rare that it has been found necessary for those using them to employ any other medicine, and their occasional use will almost invariably prove an effectual preventive to disease. They are exactly adapted to the use of families, travellers and seamen; they cleanse the blood, causing a free circulation—open obstructions and promote the secretion of healthy bile, and consequently are an excellent medicine for Nausea, Indigestion, Nervous Disorders, Depression of Liver, Complaints of the Head, Side, and Breast, Constipation, Loss of Appetite, Urinary obstructions, Ague and Fever, Bilious and intermittent fevers, Dysentery, Rheumatism, Scrofula, and are eminently useful in all female complaints—and in one word, all diseases arising from unhealthy secretions and impurity of the blood. Numerous testimonials of their efficacy in particular cases, might be added, but the proprietor prefers presenting a few certificates of their general character, from persons of unquestionable candor and veracity, who would not in any degree lend their influence to promote any thing that is not of decided utility, and rely on their intrinsic merits to gain them a reputation, feeling a most perfect confidence that none will abandon their use who give them a fair trial.

The following letter from the Rev. George Bowler, with other certificates in the hands of the agent, will serve to show the efficacy of these pills.

Dr. OSBORN.—With pleasure I inform you of the great benefits which I have derived from your pills. I have been in a decline for some time, which has greatly alarmed me, more especially as my complaint was a consumptive one, and also I have been very bilious, and have labored severely with pains in my head, and my eyes have been so affected as to turn of a yellow, cloudy, and other disagreeable complexion. My wife had suffered also from great weakness and severe pains, and as your Pills have so wonderfully relieved us, we have sounded the name of them all over our neighborhood; they will certainly be ever regarded in this place, and wherever my extraordinary cure is known, as the most valuable preparation for purifying the blood and regulating the system. I should not have known the worth of your Pills had it not been for the Rev. Wm. F. De Witt, of Cuddeville, Sullivan co., N. Y., who with great kindness sent me a box to try them, and to that box I owe my health, and as the agent here is out of your pills, I wish you would send me a package of boxes as soon as possible. With best wishes for your prosperity, I am, dear sir, yours respectfully, GEO. BOWLER, Curwensville, James McMurtry, Buttsburg township, G. W. & — Arnold, Luthersburg, and LEVI BOLTZ, Frenchville, are Agents for the proprietor for the sale of the above medicine in Clearfield county. Nov. 25 '46—ly

WAR! WAR!! RHEUMATISM.

DR. WM. P. HILLS, feeling much sympathy for those afflicted with Rheumatism, takes this method of inviting them to call at his office and get cured. This method is almost new, and very simple, but will positively effect a cure on the most scientific principles. Rheumatism has long been a desideratum with physicians, and it is only of late that the true principle of cure has been discovered.

He would state, to all concerned, that he has already performed a number of cures, and can confidently assert that his is the only true method. **TRY IT AND SEE.** Clearfield Nov. 3, 1846.
