**4th of July.**  
 The citizens of the Borough of Clearfield and vicinity are respectfully invited to meet in the Court house on Friday evening the 18th inst., for the purpose of making arrangements for celebrating the approaching Anniversary of our National Independence, June 12th 1847.

We have had another week of excellent weather, and the crops that were languishing are greatly improving, though the wheat crop will fall far short of last year's. Besides the injury caused by the unfavorable winter, and spring, the Fly is doing a great deal of damage.

The prospect of a very abundant crop, however, of spring grain, grass, fruit, &c., was never better—and if the favorableness of the season continues, will more than make up the deficiency in the crop of wheat.

**MURDER TRIAL.**—The trial of Mary Myers and John Parker, for the murder, in January last, of John Myers, (husband of Mary,) took place at Franklin, Pa., week before last, and resulted in their conviction of murder in the first degree. The murder was committed by administering poison.—The evidence was entirely circumstantial, but so completely linked together that the jury had but little difficulty in finding a verdict of guilty.

**THE MARKETS.**—Although all descriptions of produce continue to pour into the Atlantic ports, the price of grain continues to advance. In New York, Philadelphia and Baltimore, the average wholesale price of wheat, on the 8th inst., may be stated at \$2 25 per bushel—flour at \$10 per barrel—corn meal at \$5 52 per barrel, and Corn at \$1 20 per bushel. Wheat is retailing at 62 per bushel at Lewistown, and about the same at Bellefonte. But the mystery to us is, that while these articles command such high prices to the east, in Pittsburgh any quantity of wheat can be bought at \$1 per bushel—corn at from 40 to 50 cents, and flour and meal in proportion.

**Canal Tolls.**  
 The Harrisburg Union of Wednesday last contains a statement of the tolls received on the Pennsylvania canal up to the 1st of June, from which we make the following extracts. The results are gratifying beyond all calculations. And what a commentary on that grand scheme of Federalism in our last Legislature, that wished to sell these improvements for the pitiful sum of seven millions and a half, to a company of nabobs, foreign, perhaps, in feeling and interest to every thing American. Again, we ask, are the people of Pennsylvania willing to trust their affairs to the tender mercies of the leaders of such a party?

|   |                |
|---|----------------|
| Total amount of tolls received up to the 1st of June, 1847.   | \$628,362 10   |
| Same period in 1846.  | 399,883 62     |
| Increase in 1847  | 228,478 44     |
| Last year the total receipts from canals and rail roads were  | \$1,295,494 76 |
| Total expenses of last year   | 714,972 63     |
| Net receipts for the year.  | 580,522 13     |
| The receipts of the present year up to the 1st June, exceed that of last year to the same period by the sum of  | \$228,478 44   |
| The receipts of the month of May, 1847, alone exceed that of the same month last year by the sum of   | 56,546 58      |
| It is therefore a very moderate estimate to place the whole receipts of the present year, if no extraordinary casualties occur at \$1,600,000. Indeed there is reason to believe they will exceed that sum. But say | 1,600,000 00   |
| And the expenses of the year will, if no accident occurs, be reduced more than \$100,000, and may be fairly estimated at  | 600,000 00     |
| Leaving the net income of the present year,   | \$1,000,000 00 |

**BRANDRETH'S PILLS BY CLEANSING THE BLOOD** from all impurities, gives power to every organ to perform its functions healthily; no matter whether externally or internally situated. Nature has formed the bowels for the evacuation of all unhealthy humors of the blood, and if man would but use common sense, he would take care they performed this office faithfully. If the bowels are out of order, if too slow, or too fast, a few doses of Brandreth's Pills will bring them to order. Ask the man who was dying from constipated bowels what cured him; he tells you, Brandreth's Pills. Ask him who has had the dysentery for six months, and every remedy had failed; he will tell you that Brandreth's Pills cured him in a week. So with other diseases. Twelve Brandreth's Pills rubbed down in a half pint of molasses, cured a little boy of an ulcer on the face which was rapidly spreading to his eyes, and which a dozen doctors had tried to cure, but could not; the poor parents would have given half they were worth to have had it cured, but every thing they tried did no good, until they applied to the Brandreth system. And so will it be with almost every disease to which flesh is heir to. Perseverance in the use of these Pills will effect a cure where a cure is possible.

Dyspepsia is a weakness of the digestive organs, and, like every other complaint, is caused by impurity of the blood. The gastric juice, a fluid peculiar to the stomach, which secreted from bad blood, is not of a healthy quality; consequently the food, instead of being properly dissolved, pines remains

undigested until it becomes in a manner spoiled or putrid in the stomach; hence, bad health, a disagreeable taste in the mouth, headache, giddiness, lowness of spirits, wasting of the body, &c. Wright's Indian Vegetable Pills are a natural remedy for dyspepsia, because they cleanse the stomach and bowels of all bilious and corrupt humors, and purifies the blood.

Beware of Counterfeits of all kinds! Some are coated with sugar; others are made to resemble in outward appearance the original medicine. The only original and genuine Indian Vegetable Pills have the signature of William Wright written with a pen on the top label of each box. None other is genuine, and to counterfeit this is forgery. Agent for Clearfield, R. Shaw. For other agencies in Clearfield & other counties, see advertisement in another column. Principal Office, 169 Race Street, Phila.

**McAlister's Ointment.**

**Insensible Perspiration.**

THIS OINTMENT HAS POWER to cause all EXTERNAL SORES SCROFULOUS HUMORS, SKIN DISEASES, POISONOUS WOUNDS, to discharge their putrid matters and then heal them. It is rightly termed All-healing, for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last fourteen years for all diseases of the chest, consumption, liver, involving the utmost danger and responsibility, and I declare before heaven and man, that not in one single case has it failed to benefit, when the patient was within the reach of mortal means. I have had physicians, learned in the profession, I have had Ministers of the Gospel, Judges of the Bench, Aldermen, and Lawyers, gentlemen of the highest erudition, and authorities of the room use it in every variety of way, and there has been but one voice, one united, universal voice, saying, "McAlister, your Ointment is good."

CONSUMPTION. It can hardly be credited that a salve can have any effect upon the lungs, seated as they are within the system. But if placed upon the chest, it penetrates directly to the lungs, separates the poisonous particles that are consuming them, and expels them from the system. It is curing persons of consumption continually. The Salve has cured persons of the Headache of 12 years standing, and who had it regularly every week, so that vomiting often took place. Dizziness and Ear-Ache are helped with like success. RHEUMATISM. It removes almost immediately the inflammation and swelling when the pain of course ceases. COLD FEET. Consumption, Liver Complaint, pains in the chest or side, falling off of the hair, one or the other, always accompanies cold feet. It is a sure cure of disease in the system to have cold feet. The Ointment is the true remedy for SCROFULA, ERYSIPELAS, BALT RHEUM, LIVER COMPLAINT, SORE EYES, QUINCY, SORE THROAT, BRONCHITIS, SORE OR SORE BREAST, PILES, ALL GOUTY DISEASES, SUCH AS ASTHMA, OPHTHALMIA, YAWS, ALSO, SORE LIPS, CHAPPED HANDS, TUMORS, CUTANEOUS ERUPTIONS, NERVOUS DISEASES, AND OF THE SPINE. There is no medicine now known so good.

SCALD HEAD. We have cured cases that actually defied every thing known, as well as the ability of fifteen or twenty doctors. One man told us he had spent \$500 on his children without any benefit, when a few boxes of the ointment cured them. BALDNESS. It will restore the hair quicker than any other thing.

BURNS. It is the best thing in the world for Burns (Read the directions around the box.) WORMS. It will drive every vestige of them away. (Read the directions around the box.) CORNS. Occasional use of the ointment will always keep corns from growing. People need not be troubled with them if they will use it.

PILES. Thousands are yearly cured by this Ointment.

TETTER. There is nothing better for the cure of Tetter.

JAMES McALISTER, & Co., Sole proprietors of the above medicine.

CAUTION. "No Ointment will be genuine unless the names of James McAlister or James McAlister & Co. are written with a PEN upon EVERY LABEL." PRICE 25 CENTS PER BOX.

Read the Following Communication, Received from an old, respected, and well known citizen of Philadelphia, and then judge for yourself. Philadelphia, 10th mo. 18th, 1846.

To T. B. Peterson No. 98 Chestnut street: Having been requested to give my opinion on the merits of McALISTER'S SALVE, I am willing to enumerate some of the benefits which I have experienced in the use of the article.

In the spring of 1845 I had an attack of Erysipelas in my face which became very painful, and extended into one of my eyes, being attended with fever, my distress was great and I became to be fearful of losing my eye.

Although not much a believer in what is termed quick medicines, I purchased a box and made application to my face. To my surprise the pain soon abated and in a week's time I was entirely cured, and I firmly believe it was the salve under Providence that cured me.

From that time to the present I have used the article on occasion, required, and in every case where I have used it, I have found a decided benefit.

At one time in going to bed at night, my throat was so sore that I swallowed with difficulty, but by an application of the salve I was relieved before morning. I have used it in cases of burns, bruises, sprains and flesh cuts all with the happiest effects, and one case of poisoning by a wild vine in the woods has been dried up and cured by a few applications.

From my own experience I would strongly recommend it to all, as a cheap convenient medicine, that requires no preparation other than to rub it on the affected part.

I have become so partial to it that I expect to keep it constantly in my family. Though not numerous to appear in print, yet I cannot refuse to have this communication made public if judged best to serve the cause of humanity. Respectfully thine, WM. ADAMS, No. 26 Old York Road. Price 25 cents per box.
