BY J. E. CARPENTER, ESQ.

Oh! the heart it is a treasure. That should not be lightly won, To be thrown aside at pleasure, When the festive hour is done Tis a jewel that, to cherish, Should be still thy dearest boast; or when all beside it perish. Will its worth be known the most

If that heart for thee is beating, Use it gently lest it break; Warm and tender he thy greeting, "Twill grow fonder for thy sake! And in sickness or in sorrow, Let thy care its solace be; Then 'twill all its gladness horrow From its sun of hope, in thee !

Oh! the heart it is a blessing, In its freshness and its youth, Be it thins, 'mid thy categoing, To preserve it in its truth ; The no worldly gem, at pleasure But a firm and priceless frensure, And more valued when its tried

m England as she is.

(Pile following able description of England as she is, is from a New England correspondent of the N. Y Tribbine; now travelling in Europe.]

Pray what constitutes a religious people? Surely if it be anything which concerns their happiness and general elevation, it behooves Great Britain to be very modest in setting forth her claims to pie-Take, for instance, the Agricultural laborers of Great Britain ; the men and women whose toil have made this country the beautiful garden that it is, and every one of whom is entitled, therefore, according to the commonest law of quid pro quo, to have a share in a pleasant little cottage and garden; look at these toilhardened people, and what is their condition? Physically, they are worse off (I intellectually, they are but little better ; and socially they are almost as bad. Their average earnings do not exceed nine shill lings (sterling) per week. I see hundred Apostle's injuction, 'therewith be conof women hard at work in the fields of Scotland just now, who earn but a shifling skin. a day, to do which some of them have to a British farmer would be as much shock. ed at the idea of sitting at meat with one of his laborers as a Southern planter with one of his slaves. Why? Because they ging, lean, lank generation of Yankees; worshipping but one God, and he Mamare a set of boors. One sees the women bere in Scotland bonnetless, shoeless, all creation, and rather than not fight at wherein they are above the oxen and the mules is a problem. The thing is as bad in England; and in Ireland worse. Their houses-if so they must be called-are wretched hovels where a 'merciful man' would, in many instances, think twice before housing ' his beast.'

Then look at the Factory operatives .-Where will you find a more degraded kee Nation. looking class? Mark the girls. How lax their deportment ! What a total want of self-respect! Follow them to thier doors (you will shrink from going farther) and see what they call, with an unconscious irony, their 'houses,'-and then tell me what can be the religion of a coun. try which leaves its sweating millions in swarm with prostitutes, many of them oply attributable to the universal diffusion of over this realm, visiting many of its cities, Britain, the sight of such a place among the towns of America, would almost break your heart. You would, in such an instance, find a town whose profession. al men would scorn to be thought the social equals of its tradesmen would look with the same scorn upon its mechanics; whose mechanics would despise its liveried servants; whose liveried serwants would despise its agricultural laborers; and whose agricultural laborers would only fail to look down upon some other class because themselves were at him with something akin to contempt, callthe mechanics, laborers and servants of compliment, "my better half." Your the alightest aspiration for any higher three quarters, you are not more than one. states True, the middle class of the fourth of the joint concern, no how." place would be found intelligent, shrewd, sensible, -as much so, and as refined and as hospitable as the same class in any part being is visible except the Turkish centries. of intelligence.

plain that the United States are, on the world .- Tancred. whole, centuries in allyance of Great Britaid. She to be sure is greatly our superibring to maturity; but no candid person basin."

can watch the workings of her political machinery, and see how the great mass of the people are ground up beneath its wheels, without feeling that unfil that ma chinery is displaced, or better adjusted to the wants of society, the nation must be greatly deficient in all that constitutes frue grandeur. Great Britain is, confessedly, the proudest nation on the face of the earth; but any national pride which is not based on the general happiness of most senseless vanity. There is, indeed, Slavery in the United States, but the remarkable fact is that despite of that institution, hanging like a thousand mill stones about the neck of the country, such is the intrinsic superiority of her political fabric that it secures to the people at large a greater degree of social freedom than any other nation, though without the drawback of Slavery, ever conceived of. Tell a Briton that at a social party in any of the towns or villages of the United States, the Clergyman's family would be found mixing on terms of perfect equality with the and he looks at you in blank amazement. as who should ask: Can these things be, and yet Heaven and earth stand?' Tell him that a Priest who should openly assume to be made of finer clay than the practical mechanic, in America, would be laughed at as a fool, and he wonders, in the depths of his nature, whether indeed and in truth . God has made of one blood all the nations of the Earth.' Talk to him of a Judge without gown and wig; of a without a gilded carriage; of gentry without liveried servants; of a Mayor and Aldermen without staves or uniforms; of cities without marked and numbered Posay it after abundant opportunity to judge) Clerke, or precentors ; of Sunday and Common Schools where 'the rich and poor meet together' because the Lord is the tent, he will be ready to jump out of his is in truth

come a long barefoot journey from the United States is that the people are in a rude state of semi-barbarism; with no social refinement, and little intellectual culture; a mere money delving, grave digworshipping but one God, and he Mamall to have a touch of moblaw to keep his hand in; in fine, a poor degenerate offshoot (from a noble stock) living a straggling, struggling, weedy sort of life, and destined, some of these odd days; to disappear by a sudden rot, like Paddyis potato. This is Mr Bull's pretty solemn conviction-most unsolemnly translated into plain English -of the Universal Yan- GIVE EASE AND PLEASURE, disease of every

A NEW-ENGLANDER.

Rural Population of China.

The farms are small, each consisting of from one to five acres; indeed, every cottager has his own little ten garden, the produce of which supplies the wants of his family, and the surplus brings him in such a state? The streets of Manchester, a few dollars, which are spent on the other neces-Birmingham, Leeds, Bolton, Glasgow, saries of life. dr. osboby: INDIAN VEGETABLE RESTORATIVE

PILLS. Prepared by Dr. George Bennet, of New York, and for sale by the annexed list of agents in Clearfield

THE unprecedented success that has attended the use of these pills in the practice of the proprietor for the last six or eight years, has induced him to vield used and been benefitted by them, and to the importunities of many who have make arrangements to place them within the reach of the public generally. In doing so he feels called upon to say that the Indian Vegetable, Restorative Pill is decidedly superior to any with which he is acquainted. They combine the properties of many of the best vegetable medicines, used in no other pills) in such a manner as to afford not only immediate and temporary but permanent rolief.

The valuable tonics which enter into their composition by their action upon the secretory organs hold in check the purgative principle and induce a gentle and natural operation without inconvenience or pain, and while they restore a natural and heal- Irwin, Washington thy action of the stomach, liver and bowels, they increase, instead of diminish, the strength of the

They have been used as a family medicine for years by many of the first respectability-and although they are not recommended to "heal all the McGhee, Mrs. Marg't Renner, Frances, ills that flesh is heir to," yet it has been very rare that it has been found necessary for those using them to employ any other medicine, and their occa sional use will almost invariably prove an effectual preventive to disease. They are exactly adapted to the use of families, travellers and seamen; they cleanse the blood, causing a tree circulation-open obstructions and promote the secretion of healthy bile, and consequently are an excellent medicin for Nausea, Indigestion, Nervous Disorders, Dejection, Liver Complaint, pains in the Head, Side, and Breast, Costiveness, Loss of Appetite, Urinary ob structions, Ague and Fever, Bilious and Intermit tent fevers, Dysentory, Rheumatism, Scrofula, and are eminently useful in all temale complaints - and in one word, all diseases arising from unhealthy secretions and impurity of the blood. Numerous testimonials of their efficacy in particular cases, might be added, but the proprietor prefers presen ting a few certificates of their general character. from persons of unquestionable candor and veracity, who would not in any degree lend their influence to promote any thing that is not of decided utility. and rely on their intrinsic merits to gain them a reputation, feeling a most perect confidence that none willabandon their use who give them a fair

The following letter from the Rev. George Bowers, with other certificates in the hands of the agents, will serve to show the efficacy of these pills :

ELK Horn, Walworth Co., Wisconsin.
