M'Alister's Ointment.

Insensible Perspiration.

THIS OINTMENT HAS POWER to cause all EXTERNAL SORES SCROFULOUS HUMORS, SKIN DISEASES, POISONOUS WOUNDS, to discharge their putrid matters and then heals them.

It is rightly termed All-healing, for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last fourteen years for all diseases of the chest, consumption, liver, involving the utmost danger and responsibility, and I declare before heaven and man, that not in one single case has it failed to benefit, when the patient was within the reach of mortal means

I have had physicians, learned in the profession, I have had Ministers of the Gospel, Judges of the Bench Aldermen, and Lawyers, gentlemen of the highest erudition, and MULTITUDES of the POOR use it in every variety of way, and there has been but one voice, one united, universal voice, saying, "McAlister, your Ointment is GOOD."

CONSUMPTION. It can barely be credited that a salve can have any effect upon the lungs, seated as they are within the system. But if placed upon the chest, it penetrates directly to the lungs separates the poisonous particles that are consuming them and expels them from the system. It is curing persons of consumption continually.

HEADACHE. The Salve has cured persons of the Headache of 12 years standing, and who had it regularly every week, so that vomiting often took place.

Deafness and Ear Ache are helped with like success

RHEUMATISM. It removes almost immediately the inflammation and swelling when the pain of course ceases.

COLD FEET. Consumption, Liver Complaint, pains in the chest or side, falling off of the hair, one or the other, always accompanies cold feet. It is a sure sign of disease in the system to have cold feet.

This Ointment is the true remedy for SCROFULA, ERYSIPELAS, SALT RHEUM, LIVER COMPLAINT, SORE EYES, QUINSY, SORE THROAT, BRONCHITIS, BROKEN OR SORE BREAST, PILES, all CHEST DISEASES, such as ASTHMA, OPPRESSION, PAINS, also, SORE LIPS, CHAPPED HANDS, TUMORS, CUTANEOUS ERUPTIONS, NERVOUS DISEASES, and of the SPINE. There is no medicine now known so good.

SCALD HEAD. We have cured cases that actually defied every thing known, as well as the ability of fifteen or twenty doctors. One man told us he had spent $500 on his children without any benefit, when a few boxes of the ointment cured them

BALDNESS. It will restore the hair quicker than any other thing.

BURNS. It is the best thing in the world for Burns. (Read the directions around the box)

WORMS. It will *drive* every vestige of them away. (Read the directions around the box.)

CORNS. Occasional use of the ointment will always keep corns from growing. People need not be troubled with them if they will use it.

PILES. Thousands are yearly cured by this Ointment.

TETTER. There is nothing better for the cure of Tetter.

JAMES McALISTER, & Co.,
Sole proprietor of the above medicine.

CAUTION. No Ointment is genuine unless the signature of *James McAlister* or *James McAlister & Co.* is written with a PEN upon EVERY LABEL. PRICE 25 CENTS PER BOX.

Read the Following Communication.

Received from the above and well known person of Philadelphia, 20th mo. 25th, 1845.

TO T. B. PEARSON No. 98 Chestnut street. Having been requested in many cases to give my testimony in favor of JAMES McALISTER'S SALVE I am willing to enumerate some of the benefits which I have myself received in the use of the article.

In the spring of 1845 I had an attack of Erysipelas in my face which became very painful, and extended into one of my eyes, being attended with fever, my distress was great and I became to be fearful of losing my eye.

Although not much a believer in what is termed quack medicines, I purchased a box and made application to my face. To my surprise the pain soon abated and in a week's time I was entirely cured, and I firmly believe it was the salve under Providence that cured me.

From that time to the present I have used the article on occasion required, and in every case where I have used it, I have found a decided benefit

At one time in going to bed at night, my throat was so sore that I swallowed with difficulty, but by an application of the salve I was relieved before morning

I have used it in cases of burns, bruises, sprains and flesh cuts all with the speediest effects, and one case of poisoning by a wild vine in the woods has been dried up and cured by a few applications

From my own experience I would strongly recommend it to all, as a cheap convenient medicine. It requires no preparation other than to rub it on the afflicted part.

I have become so partial to it that I expect to keep it constantly in my family.

Though not ambitious to appear in print, yet I cannot refuse to have this communication made public if judged best to serve the cause of humanity.

Respectfully thine,
WM. ADAMS, No. 26 Old York Road.

DR. OSBORN'S
INDIAN VEGETABLE RESTORATIVE
PILLS,

Prepared by Dr. George Bennet, of New York, and for sale by the annexed list of agents in Clearfield county.

THE unprecedented success that has attended the use of these pills in the practice of the proprietor for the last six or eight years, has induced him to yield to the importunities of many who have used and been benefitted by them, and make arrangements to place them within the reach of the public generally. In doing so he feels called upon to say that the Indian Vegetable Restorative Pill is decidedly superior to any with which he is acquainted. They combine the properties of many of the best vegetable medicines, (used in no other pills) in such a manner as to afford not only immediate and temporary but permanent relief.

The valuable tonics which enter into their composition by their action upon the secretory organs hold in check the purgative principle and induce a gentle and natural operation without inconvenience or pain, and while they restore a natural and healthy action of the stomach, liver and bowels, they increase, instead of diminish, the strength of the patient.

They have been used as a family medicine for years by many of the first respectability,—and although they are not recommended to "heal all the ills that flesh is heir to," yet it has been very rare that it has been found necessary for those using them to employ any other medicine, and their occasional use will almost invariably prove an effectual preventive to disease. They are exactly adapted to the use of families, travellers and seamen; they *cleanse the blood,* causing a free circulation—open obstructions and promote the secretion of healthy bile, and consequently are an excellent medicine for Nausea, Indigestion, Nervous Disorders, Dejection Liver Complaint, pains in the Head, Side, and Breast, Costiveness, Loss of Appetite, Urinary obstructions, Ague and Fever, Bilious and Intermittent fevers, Dysentery, Rheumatism, Scrofula, and are eminently useful in all female complaints—and in one word, all diseases arising from unhealthy secretions and impurity of the blood. Numerous testimonials of their efficacy in particular cases, might be added, but the proprietor prefers presenting a few certificates of their general character, from persons of unquestionable candor and veracity, who would not in any degree lend their influence to promote any thing that is not of decided utility, and rely on their intrinsic merits to gain them a reputation, feeling a most perfect confidence that none will abandon their use who give them a fair trial.

The following letter from the Rev. George Bowers, with other certificates in the hands of the agents, will serve to show the efficacy of these pills:

ELK HORN, Walworth Co., Wisconsin.

DR. OSBORN:—With pleasure I inform you of the great benefits which I have derived from your pills. I have been in a decline for some time, which has greatly alarmed me, more especially as my complaint was a consumptive one, and also I have been very bilious, and have labored severely with pains in my head, and my eyes have been so affected as to turn of a sallow, cloudy, and other disagreeable complexions. My wife had suffered also from great weakness and severe pains, and as your Pills have so wonderfully relieved us, we have sounded the name of them all over our neighborhood; they will certainly be ever regarded in this place, and where ever my extraordinary cure is known, as the most valuable preparation for purifying the blood and regulating the system. I should not have known the worth of your Pills had it not been for the Rev. Wm. F. Dewitt, of Cuddeville, Sullivan co., N. Y., who with great kindness sent me a box to try them, and to that box of Pills I owe my health, and as the agent here is out of your pills, I wish you would send me a package of boxes as soon as possible.—With best wishes for your prosperity, I am, dear sir, yours respectfully. GEO. BOWERS.
