**McAllister's Ointment.**

**Insensible Perspiration.**

THIS OINTMENT HAS POWER TO ENLARGE all EXTERNAL SORES SCROFULOUS HUMORS, SKIN DISEASES, POISONOUS WOUNDS, to discharge their purulent matter and heal them. It is rightly termed All-healing, for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last fourteen years for all diseases of the chest, consumption, liver, involving the utmost danger and responsibility, and I declare before heaven and man, that not in one single case has it failed to benefit, when the patient was within the reach of mortal means.

I have had physicians, learned in the profession, I have had Ministers of the Gospel, Judges of the Bench, Aldermen, and Lawyers, gentlemen of the highest erudition, and ministers of the rock use it every variety of way, and there has been but one voice, one united, universal voice, saying, "McAllister, your Ointment is good."

**CONSUMPTION.** It can hardly be credited that a salve can have any effect upon the lungs, seated as they are within the system. But if placed upon the chest, it penetrates directly to the lungs, separates the poisonous particles that are consuming them and expels them from the system. It is curing persons of consumption continually.

**HEADACHE.** The Salve has cured persons of the headache of 12 years' standing, and who had it regularly every week, so that vomiting took place. Deafness and Ear-Ache are helped with like success.

**RHEUMATISM.** It removes almost immediately the inflammation and swelling when the pain of course ceases.

**COLD FEET.** Consumption, Liver Complaint, pains in the chest or side, falling off of the hair, one or more signs of disease in the system to have cold feet.

This Ointment is the true remedy for SCROFULA, ERYSIPELAS, SALT RHEUM, LIVER COMPLAINT, SORE EYES, QUINSY, SORE THROAT, BRONCHITIS, BROKEN OR SORE BREAST, PILES, ALL CHEST DISEASES, SUCH AS ASTHMA, OR OPRESSURE, PAINS, ALSO, SORE LIPS, CHAPPED HANDS, TUMORS, CUTANEOUS AFFECTIONS, NERVOUS DISEASES, AND OF THE SPINE. There is no medicine now known so good.

**SCALD HEAD.** We have cured cases that actually defied every thing known, as well as the ability of fifteen or twenty doctors. One man told us he had spent \$500 on his children without any benefit, when a few boxes of the ointment cured them.

**BALDNESS.** It will restore the hair quicker than any other thing.

**BURNS.** It is the best thing in the world for Burns. (Read the directions around the box.)

**WORMS.** It will drive every sort of them away. (Read the directions around the box.)

**CORNS.** Occasional use of the ointment will always keep corns from growing. People need not be troubled with them if they will use it.

**PILES.** Thousands are yearly cured by this Ointment.

**TETTER.** There is nothing better for the cure of Tetters.

**JAMES McALLISTER, & Co.,**  
Sole proprietors of the above medicine.  
CAUTION. "No Ointment will be genuine unless the names of James McAllister & James McAllister & Co. are written with a PEN upon EVERY LABEL." PRICE 25 CENTS PER BOX.

**Read the Following Communication.**  
Received from an old, respected, and well known citizen of Philadelphia, and then judge for several years of Philadelphia, 10th mo. 18th, 1846.

To T. B. Peterson No. 98 Chestnut street: Having been requested to give my opinion on the merits of McALLISTER'S SALVE I am willing to enumerate some of the benefits which I have experienced in the use of the article.

In the spring of 1845 I had an attack of Erysipelas in my face which became very painful, and extended to one of my eyes, being attended with fever, my distress was great and I became to be fearful of losing my eye.

Although not much a believer in what is termed quack medicine, I purchased a box and made application to my face. To my surprise the pain soon abated and in a week's time I was entirely cured, and I truly believe it was the salve under Providence that cured me.

From that time to the present I have used the article as occasion required, and in every case where I have used it, I have found a decided benefit.

At one time I was going to bed at night, my throat was so sore that I swallowed with difficulty, but by application of the salve I was relieved before morning.

I have used it in cases of burns, bruises, sprains and flesh cuts all with the happiest effects, and one case of poisoning by a wild vine in the woods has been dried up and cured by its application.

From my own experience I would strongly recommend it to all, as a cheap convenient medicine. It requires no preparation other than to rub it on the affected part.

I have become so partial to it that I expect to keep it constantly in my family.

Though not ambitious to appear in print, yet I cannot refuse to have this communication made public if judged best to serve the cause of humanity.

Respectfully thine,  
W. M. ADAMS, No. 26 Old York Road.  
Price 25 cents per box.

**NORTH AMERICAN.**  
FOR TOWN AND COUNTRY.

A weekly Newspaper, dedicated to Politics, Literature, Science, Commerce, News, Agriculture, and the Fine and Useful Arts.

This popular periodical, though published but for a few months, has already obtained an immense circulation in all parts of the U. States. In its politics it is broadly & nationally Whig, devoted to the principles of that great party, which it maintains in all their integrity, with zeal, spirit and ability.

As evidence of this, it may be mentioned that it has received the sanction of the entire WHIG Delegation, of both branches of Congress, who testify that "by the force of superior talents, energy and enterprise, it has deservedly assumed a high position among the most enlightened and influential journals of the country, and may be classed in the front rank of the most important auxiliaries and defenders of Whig principles."

It has also received the unqualified commendation of Henry Clay, John J. Crittenden, and John McLean, who severally recommend it as follows:

**OPINION OF HENRY CLAY.**

"I have received and attentively perused for many months the North American, published in Philadelphia, with which the United States Gazette is now associated, and I take pleasure in bearing my humble testimony to the consummate ability with which it is generally edited, and to the soundness of the principles which it labors to illustrate and establish. I think it eminently merits public patronage, and especially Whig support. If that great cause should be triumphant, as there is a now ground for confident hopes, that paper must be regarded as one of its most fearless champions and enlightened supporters."  
August, 1847. H. CLAY.

**JUDGE McLEAN BEARS THE FOLLOWING TESTIMONY.**
