

med in Paris to aid the cause of liberty throughout the world.

Great military preparations are making in Russia, but no outbreaks have as yet occurred.

An outbreak has taken place in Sardinia. A constitution has been published by the Pope.

A successful insurrection broke out in Milan and Lombardy. The Austrian troops were entirely defeated.

Spain remains quiet as well as Portugal. Great distress prevails in commercial classes, throughout the whole continent.

Letters from Vienna have reached Liverpool to the 17th inst., & are of the most gratifying description. Hungary has been granted a ministry of her own, and all cause of danger as regarded that part of the empire would seem to be removed.

The whole country would seem to be in a state of great enthusiasm, and the steady confidence and practical good sense of the people have been shown to a remarkable extent in the uninterrupted fulfillment of their mercantile and monetary obligations.

All payments, it is said, are made most punctually, and the privilege to defer them for fourteen days, which had been granted, has not, in any way, been resorted to.

All was quiet at Berlin on the 22d. The concessions granted by the King had been received with universal enthusiasm. His Majesty, Frederick William, has published a decree granting a general amnesty for political offences and misdemeanors against the late laws which regulated the press.

Another decree calling on Camphausen, the celebrated liberal deputy, to become one of the new Ministry.

The following is the Paris news: On Wednesday the Bank of discount commenced its operations. On Monday already 600 accounts were opened, & there are 800 demands on which replies will be given to day. Discounts for about a million francs made on Monday, and on Tuesday about 1,300,000. This establishment will render great service to commerce, and has already exercised some influence on the restoration of confidence. The Bourse yesterday was steady and the prices of the preceding day were tolerably sustained.

The precious metals have arrived in considerable quantities within the last day or two, and gold has fallen from 10 to 5 per cent. premium. The price of bread has been reduced in Paris.

WET FEET.—It should be remembered that coughs, consumption, inflammation of the lungs, pleurisy, and many other fatal disorders, are often the result of catching cold, in consequence of wet feet, damp clothes, &c.

Wright's Indian Vegetable Pills are undoubtedly the best medicine in the world for carrying off cold, because they purge from the system those morbid humors which, when lodged in various parts of the body, give rise to every malady incident to man. A few of these Pills taken every night on going to bed, always afford relief, and, if their use be persevered in, a radical cure will be the result.

BEWARE OF COUNTERFEITS AND IMITATIONS.—Remember that the original and only genuine Indian Vegetable Pills have the signature of Wm. Wright written with a pen on the top label of each box.
