UNION MAGAZINE.
OF Literature and Art—edited by Mrs. C. M. KIRKLAND, author of Now Home, Forest Life, &c.—and filled with contributions from the most eminent writers of the country.
The second volume commences with the January number, 1848. At the conclusion of the first year of the Union Magazine, the publisher feels impelled to make some acknowledgment to the public. Its success has certainly been unprecedented, and while it may be pardurable to ascribe this in part to the merits of the work, it must not be denied that public good will and kindness have been abundantly demonstrated. The press in all parts of the country has given its voice liberally and heartily in favor of the new aspirant. To sing after this, would be dishonorable indeed.
The Union Magazine will be published regularly on the first of each month.

All postmasters are desired to act as agents for it, and the usual discount will be made to them. Mary Goodwall in the Court of Common Pleas of Clearfield county.
vs.
George E. Goodwall. Alias Sub. serv. Duress. No. 16, January Term, 1848.
CLEARFIELD COUNTY, Ss:
The Commonwealth of Pennsylvania to **George E. Goodwall**, GREETING:
WHEREAS, Mary Goodwall, formerly Mary Lines, by her father and next friend, Joseph Lines, Esq., on the 30th day of November last, preferred her petition to our Judges of the Court of Common Pleas of the county of Clearfield, at a court held at Clearfield in and for said county, praying that for the causes therein set forth, she might be divorced from the bonds of matrimony entered into with you the said George E. Goodwall;—We therefore command you, as we before commanded you the said George E. Goodwall, that, setting aside all other business and excuses whatsoever, you be and appear in your proper person before our Judges, at Clearfield, at our Court of Common Pleas, there to be held for the said county, on the first Monday of May next, (1848), to answer the petition, or libel, of the said Mary, and to show cause, if any you have, why the said Mary, your wife, should not be divorced from the bonds of matrimony agreeable to the act of Assembly in such case made and provided, and hereof you are not to fail.—

AFFLICTED, READ!
PHILADELPHIA MEDICAL HOUSE—Established 15 years ago, by DR. KINKELIN. The oldest, surest and best mode to cure all forms of secret diseases, diseases of the skin and solitary habits of youth, is DR. KINKELIN, N. W. corner of Third and Union Sts., between Spruce and Pine, one and a half squares from the Exchange, Philadelphia.
TAKE PARTICULAR NOTICE.
Youth who have injured themselves by a certain practice indulged in—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt even when asleep, and destroy both mind and body, should apply immediately. Weakness and constitutional debility immediately cured, and full vigor restored. All letters post paid.
YOUNG MEN!
If you value your life or your health, remember, the delay of a month, nay, even a week, may prove your ruin, both of body and mind. Hence let no false modesty deter you from making your case known to one who, from education and respectability, can help you. He who places himself under DR. KINKELIN'S treatment, may religiously confide in his honor as a gentleman, and in whose bosom will be for ever locked the secret of the patient.
Too many think they will hug the secret to their own hearts, and cure themselves. Alas! how often is this a fatal delusion, and how many a promising young man, who might have been an ornament to society, has faded from the earth.
COUNTRY INVALIDS, finding it inconvenient to make personal application, can, stating their case explicitly, together with their symptoms, (per letter, post-paid), have forwarded to them a chest containing Dr. K's medicines appropriated accordingly.
Packages of Medicines forwarded to any part of the United States at a moment's notice.
Post paid letters, addressed to Dr. KINKELIN, Philadelphia, will be promptly attended to.
See advertisement in the Philadelphia Spirit of the Times, Jan. 28, 1848. 1y

McAlister's Ointment.

Insensible Perspiration.
THIS OINTMENT HAS POWER to cure all RHEUMATISM, SORES, SCROFULOUS HUMORS, SKIN DISEASES, POISONOUS WOUNDS to discharge their putrid matters and then heal them. It is rightly termed All-healing, for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last fourteen years for all diseases of the chest, consumption, liver, invaliding the utmost danger and responsibility, and I decline before heaven and man, that not in one single case has it failed to benefit, when the patient was within the reach of mortal means.
I have had physicians, learned in the profession, I have had Ministers of the Gospel, Judges of the Bench, Aldermen, and Lawyers, gentlemen of the highest erudition, and admirers of the poem use it in every variety of way, and there has been but one voice, one united, universal voice, saying, "McAlister, your Ointment is good."
CONSUMPTION. It can hardly be credited that a salve can have any effect upon the lungs, seated as they are within the system. But it placed upon the chest, it penetrates directly to the lungs, separates the poisonous particles that are consuming them and expels them from the system. It is curing persons of consumption continually.
HEADACHE. The Salve has cured persons of the Headache of 12 years' standing, and who had it regularly every week, so that vomiting often took place. Dizziness and Ear-ache are helped with like success.
RHEUMATISM. It removes almost immediately the inflammation and swelling when the pain of course ceases.
COLD FEET. Consumption, Liver Complaint, pains in the chest or side, falling off the hair, one or the other, always accompanies cold feet. It is a sure sign of disease in the system to have cold feet.
This Ointment is the true remedy for SCROFULA, ERYSIPELAS, SALT RHEUM, LIVER COMPLAINT, SORE EYES, QUINCY, SORE THROAT, BRONCHITIS, BRUISES, SORE DRESS, PILES, all cancer diseases, such as ACTINIC, ORFESSION, TURNS, also, SORE LIPS, CHAPPED HANDS, TUMORS, CUTANEOUS ERUPTIONS, NERVOUS DISEASES, and of the SPINE. There is no medicine now known so good.
SCALD HEAD. We have cured cases that actually defied every thing known, as well as the ability of fifteen or twenty doctors. One man told us he had spent \$500 on his children without any benefit, when a few drops of the ointment cured them.
BALDNESS. It will restore the hair quicker than any other thing.
BURNS. It is the best thing in the world for Burns. Read the directions around the box.
WOUNDS. It will drive every vestige of them away. (Read the directions around the box.)
COIKAS. Occasional use of the ointment will always keep you from growing. People need not be troubled with them if they will use it.
PILES. Thousands are yearly cured by this Ointment.
TEPETER. There is nothing better for the cure of Teper.
Sole proprietor of the above medicine,
CAUTION. "No Ointment will be genuine unless the names of James McAlister or James McAlister & Co. are written with a PEN upon EVERY LABEL." PRICE 25 CENTS PER BOX.
Read the Following Communication.
Received from an old, respected, and well known citizen of Philadelphia, 10th mo. 18th, 1846.
To F. E. Peterson No. 28 Chestnut street. Having been requested to give my opinion on the merits of Mc ALISTER'S SALVE I am willing to enumerate some of the benefits which I have experienced in the use of the article.
In the spring of 1845 I had an attack of Erysipelas in my face which became very painful, and extended into my eyes, being attended with fever, my distress was great and I became to be fearful of losing my eye.
Although not much a believer in what is termed quack medicines, I purchased a box and made application to my face. To my surprise the pain soon abated and in a week's time I was entirely cured, and I firmly believe it was the salve under Providence that cured me.
From that time to the present I have used the article as an ointment, required, and in every case where I have used it, I have found a decided benefit.
At one time in going to bed at night, my throat was so sore that I swallowed with difficulty, but by an application of the salve I was relieved before morning. I have used it in cases of burns, bruises, sprains and flesh cuts all with the happiest effects, and one case of poisoning by a wild vine in the woods has been dried up and cured by a few applications.
From my own experience I would strongly recommend it to all, as a cheap and convenient medicine. It requires no preparation other than to rub it on the afflicted part.
I have become so partial to it that I expect to keep it constantly in my family.
Though not ambitious to appear in print, yet I cannot refuse to have this communication made public if judged best to serve the cause of humanity.
Respectfully I am,
WM. DAVIS, No. 26 Old York Road.
