

tre from the shivering hand of the oppressor, animates and inspires the masses with moderation, forbearance and even magnanimity; towards dethroned despots and tyrants. This spirit is of American birth and tutelage. On this free soil, under the genial influences of republicanism, it has been nurtured and matured. Its majesty and power are felt in every section of our republic, and now its "stately stepplings" are seen in the palaces of Kings and in the lowly dwellings of their subjects. It is seen in the conquest of Mexico, where a mere handful of American put to flight the hosts that came out against them. The world has seen this, and been amazed, and already the oppressed of other nations, encouraged by the success that crowned an army of freemen, have boldly struck for their rights. Our example has satisfied them, that in freedom's cause, "one man shall slay his thousand, and tens shall put ten thousand to flight. It encourages the friends of freedom to be patient, persevering, and prudent—that "the race is not always to the swift, nor the battle to the strong."

GEN. PURVIANCE.

It gives us great pleasure to state that General John N. Purviance, has been re-appointed by Gov. Shunk, Auditor General of Pennsylvania, for three years from the 1st day of May inst. Gen. Purviance has discharged the laborious and responsible duties of his office with an industry, zeal, and regard for the best interests of the Commonwealth, that has justly entitled him to the confidence of the Executive, and the whole people of the Commonwealth.—Harrisburg, Union.

SICK HEADACH—Wright's Indian Vegetable Pills are a certain cure for every description of headach, because they cleanse the body from those morbid humors, which, if confined in the stomach, are the cause of nausea and sickness, want of appetite, disagreeable taste in the mouth, bad breath, wasting of the gums, decayed teeth, and many other distressing complaints; and when taken into the circulation, and thrown upon the various parts of the body, give rise to every malady incident to man. Four or five of Wright's Indian Vegetable Pills, taken once in twenty-four hours, will, in a short time, put a complete stop to Sick Headach—at the same time the digestive organs will be restored to a healthy tone.

Beware of Counterfeits and Imitations!—Remember that the original and only genuine Indian Vegetable Pills have the signature of Wm. Wright written with a pen on the top label of each box.

AFFLICTED, READ!

PHILADELPHIA MEDICAL HOUSE—Established 15 years ago, by DR. KINKELIN—The oldest, surest and best hand to cure all forms of secret diseases, diseases of the skin and solitary habits of youth, is DR. KINKELIN, N. W. corner of Third and Union Sts., between Spruce and Pine, one and a half squares from the Exchange, Philadelphia.

TAKE PARTICULAR NOTICE.

Youth who have injured themselves by a certain practice indulged in—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt; even when asleep, and destroy both mind and body, should apply immediately. Weakness and constitutional debility immediately cured, and full vigor restored. All letters post paid.

YOUNG MEN!

If you value your life or your health, remember the delay of a month, nay, even a week, may prove your ruin, both of body and mind. Hence let no false modesty deter you from making your case known to one who, from education and respectability, can alone befriend you. He who places himself under DR. KINKELIN'S treatment, may religiously confide in his honor as a gentleman, and in whose bosom will be forever locked the secret of the patient.

Too many think they will hug the secret to their own hearts, and cure themselves. Alas! how often is this a fatal delusion, and how many a promising young man, who might have been an ornament to society, has faded from the earth.

COUNTRY INVALIDS,

finding it inconvenient to make personal applications, can, by stating their case explicitly, together with all their symptoms, (per letter, post-paid,) have forwarded to them a chest containing Dr. K.'s medicines appropriated accordingly.

Packages of Medicines forwarded to any part of the United States at a moment's notice.

POST PAID LETTERS, addressed to Dr. KINKELIN, Philadelphia, will be promptly attended to.

See advertisement in the Philadelphia Spirit of the Times, Jan. 28, 1848. ly

McAllister's Ointment.

Insensible Perspiration.

THIS OINTMENT HAS POWER to cause all EXTERNAL SORES SCROFULOUS HUMORS, SKIN DISEASES, POISONOUS WOUNDS to discharge their putrid matters and then heals them. It is rightly termed All-healing, for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last fourteen years for all diseases of the chest, consumption, liver, involving the utmost danger, responsibility, and I declare before heaven and man, that not in one single case has it failed to benefit, when the patient was within the reach of mortal means.

I have had physicians, learned in the profession, I have had Ministers of the Gospel, Judges of the Bench, Aldermen, and Lawyers, gentlemen of the highest erudition, and MULTITUDES of the poor use it in every variety of way, and there has been but one voice, one united, universal voice, saying, "McAllister, your Ointment is good."

CONSUMPTION. It can hardly be credited that a salve can have any effect upon the lungs, seated as they are within the system. But if placed upon the chest, it penetrates directly to the lungs, separates the poisonous particles that are consuming them and expels them from the system. It is curing persons of consumption continually.

HEADACHE. The Salve has cured persons of the Headache of 12 years' standing, and who had it regularly every week, so that vomiting often took place. Deafness and Ear-Ache are helped with like success.

RHEUMATISM. It removes almost immediately the inflammation and swelling when the pain of course ceases.

GOLD FEET. Consumption, Liver Complaint, pains in the chest or side, falling off of the hair, one or the other, always accompanies cold feet. It is a sure sign of disease in the system to have cold feet.

This Ointment is the true remedy for SCROFULA ERYSIPELAS, SALT RHEUM, LIVER COMPLAINT, SORE EYES, QUINSY, SORE THROAT, BRONCHITIS, BROKEN OR SORE BREAST, PILES, all CHEST DISEASES, SUCH AS ASTHMA, OPPRESSION, PAINS, ALSO, SORE LIPS, CHAPPED HANDS, TUMORS, CUTANEOUS ERUPTIONS, NERVOUS DISEASES, and of the SPINE. There is no medicine now known so good.

SCALD HEAD. We have cured cases that actually defied every thing known, as well as the ability of fifteen or twenty doctors. One man told us he had spent \$500 on his children without any benefit, when a few boxes of the ointment cured them.

BALDNESS. It will restore the hair quicker than any other thing.

BURNS. It is the best thing in the world for Burns. (Read the directions around the box.) WORMS. It will drive every vestige of them away. (Read the directions around the box.) CORNS. Occasional use of the ointment will always keep corns from growing. People need not be troubled with them if they will use it.

PILES. Thousands are yearly cured by this Ointment.

BETTER. There is nothing better for the cure of Tetter.

JAMES McALLISTER, & Co., Sole proprietor of the above medicine. CAUTION. "No Ointment will be genuine unless the names of James McAllister or James McAllister & Co. are WRITTEN with a PEN upon EVERY LABEL." PRICE 25 CENTS PER BOX.

Read the Following Communication. Received from an old, respected, and well known citizen of Philadelphia, and then judge for yourself. Philadelphia, 10th mo. 18th, 1846.

To T. B. Peterson No. 98 Chestnut street: Having been requested to give my opinion on the merits of McALLISTER'S SALVE I am willing to enumerate some of the benefits which I have experienced in the use of the article.

In the spring of 1845 I had an attack of Erysipelas in my face which became very painful, and extended into one of my eyes, being attended with fever, my distress was great and I became to be fearful of losing my eye.

Although not much a believer in what is termed quack medicines, I purchased a box and made application to my face. To my surprise the pain soon abated and in a week's time I was entirely cured, and I firmly believe it was the salve under Providence that cured me.

From that time to the present I have used the article as an ointment, required, and in every case where I have used it, I have found a decided benefit.

At one time in going to bed at night, my throat was so sore that I swallowed with difficulty, but by an application of the salve I was relieved before morning.

I have used it in cases of burns, bruises, sprains and flesh cuts with all the happiest effects, and one case of poisoning by a wild vine in the woods has been dried up and cured by a few applications.

From my own experience I would strongly recommend it to all, as a cheap convenient medicine. It requires no preparation other than to rub it on the afflicted part.

I have become so partial to it that I expect to keep it constantly in my family. Though not ambitious to appear in print, yet I cannot refuse to have this communication made public if judged best to serve the cause of humanity.

Respectfully thine, WM. ADAMS, No. 26 Old York Road. Price 25 cents per box. AGENTS: E. & W. F. Irwin, Clearfield. Messrs. Arnolds, Luthersburg. John Patton, Jr. Curwensville. Levi Lutz, Frenchville. Clearfield, Dec. 25, 1847.—ly.
