IS
DR. A. W. HILLS, from Phila.
 WITH a large lot of new and most improved Dental Instruments.
 ALSO, a large stock of carefully selected premium teeth from Sackett's Manufactory.
DR. S. W. STOCKTON,
 has drawn the premium for manufacturing the best Metallic Artificial Teeth, not only in the United States, but in London and Paris, and Dr. Hills has taken particular pains to select a choice lot of them, so that his patrons may be assured of getting a good and substantial article.
 Dr. H. has also procured a very large variety of Extracting Instruments, made according to Harris' latest patterns, and he can confidently assure all those who are troubled with those abominable pests, **decayed teeth,** that the Forceps are not only a much more safe and easy instrument with which to remove a tooth, but they cause much less pain at the time, and comparatively no soreness following.
 Dr. Hills has also a variety of other Dental requirements, such as **Gold Plate, Gold Foil, Tooth Powders, Washes and Brushes,** and he is fully prepared to perform all operations in the line of **DENTALISTRY,** such as inserting on Gold Plate, or on Pivots, Plugging, Extracting and Cleansing. And from past experience and success, he feels confident of giving entire satisfaction, and warrants all his work well done, and to please his patrons. A reasonable length of time given for trial to all jobs over \$5, and if not found to answer all the purposes promised, no pay will be required.

McAllister's Ointment.

Insenible Perspiration.

THIS OINTMENT HAS POWER to cause an EXTERNAL SORE, SCORFULOUS HUMORS, SKIN DISEASES, POISONOUS WOUNDS to discharge their putrid matters and then heal them. It is rightly termed All-healing, for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last fourteen years for all diseases of the chest, consumption, liver, involving the utmost danger and responsibility, and I declare before heaven and man, that not in one single case has it failed to benefit, when the patient was within the reach of mortal men.

I have had physicians, learned in the profession, I have had Ministers of the Gospel, Judges of the Bench, Aldermen, and Lawyers, gentlemen of the highest education, and multitudes of the poor use it in every variety of way, and there has been but one voice, one united, universal voice, saying, "McAllister's Ointment is good."

CONSUMPTION. It can hardly be credited that a salve can have any effect upon the lungs, seated as they are within the system. But if placed upon the chest, it penetrates directly to the lungs, separates the poisonous particles that are consuming them, and expels them from the system. It is curing persons of consumption continually.

HEADACHE. The Salve has cured persons of the Headache of 12 year's standing, and who had it regularly every week, so that vomiting often took place. Dizziness and Ear-Ache are helped with like success.

RHEUMATISM. It removes almost immediately the inflammation and swelling when the pain of course ceases.

COLD FEET. Consumption, Liver Complaint, Pains in the chest or side, falling off the hair, one or the other, always accompanies cold feet. It is a sure sign of disease in the system to have cold feet. This Ointment is the true remedy for SCORFULA, ERYSIPELAS, SALT RHEUM, LIVER COMPLAINT, SORE EYES, QUINSEY, SORE THROAT, BRONCHITIS, BROKEN OR SORE BREAST, PILES, ALL CHEST DISEASES, SUCH AS ASTHMA, OPRESSION, PAINS, ALSO, SORE LIPS, CHAPPED HANDS, TUMORS, CUTANEOUS ERUPTIONS, NERVOUS DISEASES, AND OF THE SPINE. There is no medicine now known so good.

SCALD HEAD. We have cured cases that actually defied every thing known, as well as the ability of fifteen or twenty doctors. One man told us he had spent \$500 on his children without any benefit, when a few boxes of the ointment cured them.

BALDNESS. It will restore the hair quicker than any other thing.

BURNS. It is the best thing in the world for Burns. (Read the directions around the box.)

WORMS. It will drive every vestige of them away. (Read the directions around the box.)

CORNS. Occasional use of the ointment will always keep corns from growing. People need not be troubled with them if they will use it.

PILES. Thousands are yearly cured by this Ointment.

PETTER. There is nothing better for the cure of Tetter.

AFFLICTED, READ!

PHILADELPHIA MEDICAL HOUSE. Established 15 years ago, by DR. KINKELIN. The oldest, wisest and best hand to cure all forms of secret diseases, diseases of the skin and solitary habits of youth, is DR. KINKELIN, N. W. corner of Third and Union Sts., between Spruce and Pine, one and a half squares from the Exchange, Philadelphia.

TAKE PARTICULAR NOTICE.
 Youth who have injured themselves by a certain practice indulged in—a habit frequently learned from evil companions, or at school—the efforts of which are nightly left; even when asleep, and destroy both mind and body, should apply immediately. Weakness and constitutional debility immediately cured, and full vigor restored. All letters post paid.

YOUNG MEN!
 If you value your life or your health, remember the delay of a month, or even a week, may prove your ruin, both of body and mind. Hence let not modesty deter you from making your case known to one who, from education and respectability, can alone befriend you. He who places himself under DR. KINKELIN'S treatment, may religiously confide in his honor as a gentleman, and in whose bosom will be forever locked the secret of the patient.

Too many think they will keep the secret to their own hearts, and cure themselves. Alas! how often is this a fatal delusion, and how many a promising young man, who might have been an ornament to society, has faded from the earth.

COUNTRY INVALIDS.
 finding it inconvenient to make personal application, can, by stating their case explicitly, together with all their symptoms, (per letter, post-paid), have forwarded to them a chest containing Dr. K.'s medicines appropriated accordingly.

Packages of Medicines forwarded to any part of the United States at a moment's notice.
 Post paid letters, addressed to Dr. KINKELIN, Philadelphia, will be promptly attended to.

Read the Following Communication.
 Received from an old, respected, and well known citizen of Philadelphia, and then judge for yourself.
 Philadelphia, 10th mo. 18th, 1846.

To T. B. Peterson No. 98 Chestnut street: Having been requested by my opinion on the merits of McALLISTER'S SALVE I am willing to communicate some of the benefits which I have experienced in the use of the article.

In the spring of 1845 I had an attack of Erysipelas in my face which became very painful, and extended unto one of my eyes, being attended with fever, my distress was great and I became to be fearful of losing my eye.

Although not much a believer in what is termed quack medicines, I purchased a box and made application to my face. To my surprise the pain soon abated and in a week's time I was entirely cured, and I firmly believe it was the salve under Providence that cured me.

From that time to the present I have used the article as an ointment, required, and in every case where I have used it, I have found a decided benefit.

At one time in going to bed at night, my throat was so sore that I swallowed with difficulty, but by an application of the salve I was relieved before morning.

I have used it in cases of burns, bruises, sprains and flesh cuts all with the happiest effects, and one case of poisoning by a wild vine in the woods has been dried up and cured by a few applications.

From my own experience I would strongly recommend it to all, as a cheap convenient medicine. It requires no preparation other than to rub it on the affected part.

I do not become so partial to it that I expect to keep it constantly in my family.

Though not ambitious to appear in print, yet I cannot refuse to have this communication made public if judged best to serve the cause of humanity.

Respectfully thine,
 W. M. ADAMS, No. 26 Old York Road.

DR. E. GREEN'S RED & BROWN PILLS.

THE demand for the above medicine in the last 2 or 3 years, is deemed a sufficient apology for placing it now fully before the people; and the diseases for which it is applicable have become so prevalent in this country that a remedy entitled to confidence, is a great desideratum. The diseases I allude to are Hepatitis, (Liver affection,) Dyspepsia, and female complaints in general.
