

DEMOCRATIC MEETING.

"Old Berks" on Hand.

In pursuance of public notice the Democratic citizens of Brady township met in Luthersburg, on Saturday August 5th. After giving the CASS and BUTLER Pole, (which was raised on the previous evening) three cheers, the meeting was organized by appointing BENJAMIN BONSALL, Esq., President, BENJAMIN CARSON, ADAM EMERICH, WM. RISHEL, JOHN HALL, JOSEPH R. FULTON and JOHN THOMPSON, Vice Presidents, and Dr Geo. Wilson, S. Postlewait and P. W. Barrett, Secretaries.

Whig Meeting.

A meeting of the Democratic Whigs of the county of Clearfield convened in the court house, in the borough of Clearfield, on Saturday the 5th of August. The meeting was called to order by appointing W. H. ROBERTSON, chairman, and on motion, DANIEL CHAMBERS, ROBERT MITCHELL and MORDECAI SHIRK, were appointed Vice Presidents—James A. Cathart and Thomas Burchfield, Secretaries.

On motion, a committee of five were appointed to draft a preamble and resolutions expressive of the sense of the meeting. Whereupon, G. W. Hecker, A. M. Hills, John Patton, James M. Taylor and Wm. Kadebaugh, were appointed said committee.

The committee reported the following, which were unanimously adopted: WHEREAS, It has pleased the Supreme Ruler of the Universe to deprive the Commonwealth of Pennsylvania of her Chief Magistrate, Francis R. Shunk. It is now incumbent on the people of said Commonwealth to select from her citizens a person qualified to fill the office of Governor of Pennsylvania. Therefore,

Resolved, That Benjamin Hartshorn is hereby appointed our Representative, and Joseph Buffington our Senatorial, delegates to meet in the State Convention at Harrisburg the 31st day of August next, and are hereby instructed to use all honorable means to secure the nomination of Wm. F. Johnson as our candidate for Governor.

Resolved, That Daniel Livingston and James A. Cathart be, and are hereby appointed our Congressional conferees to meet at Kittanning on the 10th instant, to nominate a candidate for Congress; and also, that they have power to appoint a Senatorial delegate in connection with the other counties of this Senatorial district.

Resolved, That Ellis Irwin and Richard Massop are hereby appointed our delegates to meet with delegates of Centre county to nominate a candidate for the State Legislature.

Resolved, That General Taylor, our candidate for the Presidency, by his military services and achievements, has richly earned for himself the gratitude of the American citizens and soldiers. That the acts of his life, the records of the War Department, as well as his model despatches, show him to be a ripe scholar and an accomplished writer. That he, who can lead armies, advise cabinets by his energy, courage and wisdom, can safely be entrusted to the highest office in the gift of the free people of the Republic of America. Who like Washington in his own time and age, is first in war, first in peace, and first in the hearts of his countrymen.

Resolved, That Millard Fillmore, our nominee for the Vice Presidency, is a fit colleague of Gen. Taylor. That in him we see the able statesman, the undaunted advocate of human rights and freedom, & who like our union from low beginning, has arrived to the summit of National greatness.

Resolved, That we have unabated confidence in the intelligence and ability of Ner Middlewarth, our candidate for Canal Commissioner. That he is worthy of the position he occupies in the Whig party, and that we will roll him up such a vote as will strike consternation into the ranks of the enemy.

Resolved, That we will use all honorable means to promote the election of Gen. Taylor to the Presidency & Millard Fillmore to the Vice Presidency of the United States, and Ner Middlewarth for Canal Commissioner, and we will give them our whole and undivided support.

Resolved, That these proceedings be signed by the officers and published in all the papers in this Congressional district. [Officers names omitted.]

Col. Benton has deposited in the Congressional Library, for public inspection, various beautiful specimens of crystallized salt, taken from the shore of the Great Salt Lake in California, by Col. John C. Fremont, October, 1845. This crystallization is formed by the spray of the Lake. The specimens are on twigs, but it forms on every thing that it touches. There is also deposited a specimen of mineral salt, taken from a mountain in the basin of the Great Salt Lake by Col. Fremont, October, 1845.

Dare the Whig papers deny that there is a letter on file in the War Department in which Gen. Taylor uses this language:—"SEND ME NO MORE FOREIGN VOLUNTEERS?" That's the question we say dare they!—Tri Weekly Ob.

Signs in Ohio.

Among the signs of enthusiasm of whigry in Ohio, about which a few sanguine whig politicians will occasionally boast, we submit the following extract from the "Carroll Free Press," the organ of whigry in that county of the Buckeye State, with the "surrender" of the editor to the force of the "sober second thought."

Washington Union. To the Readers of the Free Press.—Finding myself, after mature deliberation, unable to yield any support to the nominee of the late whig national convention, I retire from the editorial department of this paper. It is not necessary, at this time, that I should make an exposition of my present position; suffice it to say, that I am an "ultra whig;" one that regards principles as paramount to every other consideration; and, therefore, cannot conscientiously aid in the elevation of any man who was willing "to accept a nomination from a national convention, should such be held, for the presidency, from the whigs or democrats, or from both, should they think proper to tender it, without being pledged, or even considering myself so, to advocate the views or opinions of either."

As Gen. Taylor, by his own showing, is not to be the "advocate" of his principles, I conceive that, in his present position, supporting him would be a virtual abandonment of those principles, and therefore, must decline to become his "advocate." JOHN PORTER.

Why they Changed.—The Louisville Democrat says: "Captain M'Dougal, of Indianapolis, informed us yesterday, that nine whig captains of his regiment have repudiated whiggy, and are going for Cass and Butler; and out of twenty-six lieutenants, only one was for Taylor, and he was wavering. He went to Mexico himself, a whig, and has utterly repudiated the party; says he has found, on the plain of the Mexican arm, whig documents against the war and in favor of the Mexican cause; that they were scattered profusely through the city of Mexico, to prevent a ratification of the treaty of peace."

Committees of Vigilance. Resolved, That the following be, and are hereby appointed, the Township Committees of Vigilance for the present year—whose duty it is to give immediate notice of the time and place of holding their primary election—to superintend the same—to hold frequent meetings, circulate political information; and they are further requested to be active and vigilant in attending to all other matters calculated to secure the triumph of correct principles from this until the polls are closed on the 7th of November next: Beccaria.—John W. HEADACHE.—Wright's Indian Vegetable Pills are a positive cure for this distressing complaint; because they purge from the body those bilious humors which are the cause not only of headache, giddiness, nausea and sickness, &c., but of all the ills to which flesh is heir. One 25 cent box of the above named Indian Vegetable Pills, nay, a single dose, will frequently carry off a violent attack of headache; and, in case of long standing, perseverance alone is wanted in order to make a cure of every description of headache.

Wright's Indian Vegetable Pills also aid and improve digestion and purify the blood, and therefore give new life and vigor to the whole frame. BEWARE OF COUNTERFEITS AND IMITATIONS! Remember that the original and only genuine Indian Vegetable Pills have the signature of Wm. Wright written with a pen on the top label of each box.
