

Conferec Meeting.

The Congressional Conference of the 24th Congressional District met, pursuant to appointment, at the house of Wm. B. Clark, in the borough of Indiana, on Tuesday the 22d day of August, instant, and organized by calling Col. C. S. WORRELL, of Clearfield to the Chair, and appointing A. J. FALK, of Armstrong Secretary.

The following named Delegates were in attendance: Butler—Hon. Wm Beatty and James G. Campbell, Esq. Indiana—Wm. B. Clark and E. W. McKelvey. Clearfield—Col. C. S. Worrell and D. W. Moore. Armstrong—James Donnelly and A. J. Falk, Esq.

On motion, the Chair appointed Messrs. Moore, Beatty and Donnelly, a committee to prepare resolutions expressive of the sense of this Conference. After which the Conference proceeded to name candidates for nomination. Mr. Donnelly nominated Alfred Gilmore, of Butler county. Mr. McKelvey nominated Augustus Drum, of Indiana county.

A letter from Gen. R. Orr, declining a nomination, was handed in and read by the Secretary. On motion, the Conference proceeded to ballot for a choice of candidates, when, on the second ballot, Mr. Gilmore was duly nominated. On motion of Mr. McKelvey, the nomination was unanimously concurred in.

After which, the Committee, through their chairman, resolutions, which were read, and unanimously adopted. Resolved, That this Convention have full confidence in the talents and Democratic integrity of ALFRED GILMORE, Esq., of Butler county, and confidently recommend him, to the people of the 24th Congressional District, as a man well qualified to represent them in the National Legislature.

Resolved, That we pledge ourselves to use all honorable means to secure the election of the nominee of this Convention, and that we earnestly urge upon every Democrat in the district to do likewise—confident as we are, that such effort is alone necessary to secure his triumphant election.

Resolved, That we approve of the nominations of CASS, BUTLER, and PAINTER; and that we also approve of the principles laid down in the resolutions of the Baltimore Convention, and that we believe, if they are sanctioned by the people, & carried out in the administration of the General Government, they will secure to our country peace with all nations, and to our people, the "greatest good of the greatest number."

the House 60. Democrats to 40 Whigs.—The returns to come in may possibly vary this result one or two. On joint ballot our majority will reach 25. Last year the Whigs had a majority of 8 on joint ballot. We have made great gains in the strong Whig district represented in Congress by C. B. Smith. The average majority against us in Wayne county, which gave Smith 861 majority, is now only 200. In Henry county, too, which the Whigs carried by 500 last year, we have elected a State Senator! In Tippecanoe, the "free soil" county, the Democracy nobly sustained its own candidates, while nearly half the Whigs voted for the Van Buren "free soil" candidate. Set down Indiana sure for Cass by 15,000 majority.

Excitement among the Whigs—General Taylor's Letter accepting the South Carolina nomination denounced. ALBANY, Aug. 27. A large meeting of the Whigs was held here last evening, to take into consideration the letter of Gen. Taylor accepting the nomination made in South Carolina, for the office of President, on the same ticket with Gen. Butler. William Parmelee presided, assisted by James Kidd and others, as Vice Presidents. The letter was read, and Messrs John A. Collier, H. B. Haswell, Judge Carpenter, of Ostego; and Dewitt Benedict, Jr., spoke strongly in denunciation of Gen. Taylor's reply as insulting to Mr. Fillmore and the Whigs of the north.

A committee on resolutions was appointed to report on Monday evening, in order to give time for consideration. The feeling of the meeting was decidedly in favor of the demonstrations made by the speakers. MORE RUIN!—The Germantown Telegraph, after commenting on the increasing prosperity of the people of that prosperous borough, concludes with the following remarks:

"This pleasing state of things in the result of industry, temperance, and good wages. The latter are the result of prosperous times, and prosperous times are the result of good measures adopted by our rulers for the benefit of all. Hence it may be laid down as sound doctrine, that wherever labor is best paid, there is the best government, and there are the happiest people."

COSTIVENESS, headach, giddiness, pain in the side and breast, nausea and sickness, variable appetite, yellow or swarthy complexion, &c., are the usual symptoms of a disordered liver. Wright's Indian Vegetable Pills are certain to remove the above complaints, because they remove from the body those morbid humors which are the cause not only of all disorders of the liver, but of every malady incident to man. A single 25 cent box will in all cases give relief, and perseverance according to directions, will most assuredly drive every particle of disease from the body.

BEWARE OF COUNTERFEITS AND IMITATIONS: Remember that the original and only genuine Indian Vegetable Pills have the signature of Wm. Wright written with a pen on the top label of each box. Beware of the genuine for sale by R. Shaw, sole Agent for Clearfield; CRANS & BROTHER, Curwensville; DANIEL BARRETT, Luthersburg; and wholesale at the office and general depot, 169 Race street, Philadelphia.
