

RALLY FREEMEN, TO THE POLLS!!! Democrats of Clearfield County, don't forget that Tuesday November 7th is the day of the PRESIDENTIAL ELECTION.

TO secure a triumphant victory on the 7th day of November next it is only necessary to arouse the Democrats to the importance of attending the POLLS. Bring out every Democrat, then. Let not a single vote be lost. Your candidates—CASS and BUTLER—have each served our country faithfully and honorably both in the camp and in our council halls, and rank throughout the world among the brightest and purest statesmen of the age—and being the Standard-Bearers of the principles of the Republican party, deserve the ardent and untiring support of every Democrat. At the late election, although the Democrats lost their Governor, they have elected their Canal Commissioner by some 3,000 majority, and the returns show a still greater majority on the Congressional vote—which proves beyond all doubt that our glorious old commonwealth is as thoroughly Democratic as ever.

The Federalists are just now, in the face of these facts, proclaiming throughout the Union that Pennsylvania has *Changed* her political character—that she has forsaken the cherished Republican principles of JEFFERSON and JACKSON—and that she has taken her stand in the ranks of the Federal Whig states of the Union. Up, then, Democrats, and show to the world how vain is this boasting of Federalism.

The Democrats of this county achieved a glorious triumph—showing well-nigh doubled their majority—and had the party throughout the Commonwealth acted with the same energy and determination, we would have carried the State by more than Ten Thousand. But we can DO BETTER even in Clearfield. Our vote can be increased in almost every district in the county. **TO WORK! TO WORK!** then, and

BRING OUT EVERY DEMOCRAT.

WRIGHT'S INDIAN VEGETABLE PILLS, in addition to being one of the best anti-bilious medicines in the world, possess a power in removing pain which is truly astonishing. Four or five of said Indian Vegetable Pills, taken every night on going to bed will in a short time completely rid the body of those morbid humors which, if lodged in the liver, are the cause of pain in the side, sometimes extending to the shoulder blade, difficulty of breathing, nausea and sickness, loss of appetite, costiveness, flatulency, watery or yellow complexion, and other symptoms of an inflamed or torpid state of the liver.

Wright's Indian Vegetable Pills also thoroughly cleanse the stomach and bowels from all bilious humors, and other impurities, and therefore are a certain cure for colic, dysentery, cholera morbus and other disorders of the intestines.

Beware of COUNTERFEITS and IMITATIONS: Remember that the original and only genuine Indian Vegetable Pills have the signature of Wm. Wright written with a pen on the top label of each box.

GREAT INDUCEMENT TO A READING PUBLIC!

SARTAIN'S UNION MAGAZINE OF LITERATURE AND ART.

The undersigned, having purchased the subscription list and good will of the UNION MAGAZINE of New York, purpose removing the Office of Publication to Philadelphia, and commencing with the number for January, 1849, under the title of

SARTAIN'S UNION MAGAZINE OF LITERATURE AND ART.

This Magazine was begun in July, 1847, and during the brief period of its existence, has risen so rapidly in public favor, as to already have become a firmly established

RIVAL OF THE OLDER MONTHLY PERIODICALS.

Notwithstanding its success under the management of its present able Editor, its future publishers feel confident of making it far more desirable still, by the intended improvements which their superior facilities will enable them to command. Besides the varied and occasional embellishments the work will contain, every month

TWO HIGHLY-FINISHED MEZZOTINTO STEEL PLATES.

from pictures of the highest merit, engraved by J. Sartain, under whose exclusive control the selection and management of the Pictorial Department will be. His partner in this enterprise has been many years connected with the oldest Weekly and Monthly publishing establishments in the country, so that with their united experience and earnest efforts, added to a

LIBERAL AND JUDICIOUS EXPENDITURE,

they feel assured of being able to cater successfully and to the satisfaction of a discriminating public, and of producing a magazine of real intrinsic value, surpassing any periodical of the class now issued from the American press.

Their aim will be to furnish a Monthly miscellany, that is not only lively and entertaining, but useful and instructive; in which DOMESTIC HOME TALES AND SKETCHES Calculated to elevate the moral and intellectual faculties, shall be substituted for the rambling and unimportant articles which occupy so large a space in the popular periodicals of the day. In short,—the pages of Sartain's Magazine will be such as no parent will hesitate to put in the hands of a rising family, while in the quality and character of the embellishments, it will be made to distance all competition. It will be emphatically a family magazine, and of the most attractive form.

The contents of each number will be original, and consist of articles in prose and verse, by AUTHORS OF ESTABLISHED REPUTATION.

The Critical Department will be conducted with the greatest care and impartiality; and while personality and needless satire will be sedulously avoided, opinions of merit or demerit will be candidly and fearlessly expressed. There will be also a monthly record of all that is interesting to lovers of the Fine Arts respecting the progress of Art and Artists throughout the country.

The utmost pains will be bestowed on the engravings, not only to furnish plates executed with care and skill, but in the selection of subjects, to adopt such as from their dignity and importance command attention, or from their beauty and artistic excellence, attract and charm. They will consist of transcripts, either of

HISTORICAL SCRIPTURAL PICTURES, of unquestionable merit, or of original paintings by CELEBRATED AMERICAN PAINTERS, and occasionally of compositions by the best artists, made expressly for the work. Portraits of remarkable or eminent persons will also add to the interest and variety of the series, together with free and spirited illustrative etchings. In the COSTUME DEPARTMENT, (which now appears to have become an indispensable adjunct to a Monthly Magazine,) we shall present

COLORED FLATES OF THE SPRING, SUMMER, FALL and WINTER FASHIONS, in a style no way inferior to anything of the kind now published.

In conclusion, we beg leave to state, that every promise made will be faithfully and literally fulfilled.
