

**RHEUMATISM CURED.**—JOHN BURNS, living at 262, N. Second Street, Philadelphia, had been several years afflicted with Rheumatic Pains in various parts of the body. During which time he tried various remedies, and used outward applications without number, and in all cases with no essential benefit—was finally induced to make trial of Wright's Indian Vegetable Pills, a single 25 cent box of which not only gave relief, but after using them a short time, drove every particle of pain from the body.

**Beware of Counterfeits and Imitations!** Remember that the original and only genuine Indian Vegetable Pills have the signature of Wm. Wright written with a pen on the top label of each box.

The genuine for sale by R. Shaw, sole Agent for Clearfield; CRANS & BROTHER, Curwensville; DANIEL BARRETT, Luthersburg; and wholesale at the office and general depot, 169 Race street, Philadelphia.

**GREAT INDUCEMENT TO A READING PUBLIC!**

**SARTAIN'S UNION MAGAZINE OF LITERATURE AND ART.**

The undersigned, having purchased the subscription list and good will of the UNION MAGAZINE of New York, purpose removing the Office of Publication to Philadelphia, and commencing with the number for January, 1849, under the title of

**SARTAIN'S UNION MAGAZINE OF LITERATURE AND ART.**

This Magazine was begun in July, 1847, and during the brief period of its existence, has risen so rapidly in public favor, as to already have become a firmly established

**RIVAL OF THE OLDER MONTHLY PERIODICALS.**

Notwithstanding its success under the management of its present able Editor, its future publication is not considered of far more dear the soil, by the intended improvements, which their superior facilities will enable them to command.— Besides the varied and occasional embellishments, the work will contain, every month TWO HIGHLY-FINISHED MEZZOTINTO STEEL PLATES from pictures of the highest merit, engraved by J Sartain, under whose exclusive control the selection and management of the Pictorial Department will be. His partner in this enterprise has been many years connected with the oldest Weekly and Monthly publishing establishments in the country, so that with their united experience and earnest effort, added to a LIBERAL AND JUDICIOUS EXPENDITURE, they feel assured of being able to cater successfully to the satisfaction of a discriminating public, and of producing a magazine of real intrinsic value, surpassing any periodical of the class now issued from the American press.

Their aim will be to furnish a Monthly miscellany, that is not only lively and entertaining, but useful and instructive; in which DOMESTIC HOME TALES AND SKETCHES Calculated to elevate the moral and intellectual faculties, shall be substituted for the rambling articles which occupy so large a space in the popular periodicals of the day. In short, the pages of Sartain's Magazine will be such as no prudent will hesitate to put in the hands of a rising family; while it, being a lively and characteristic of our country, it will be made to circulate as extensively as possible. It will be especially a FAMILY MAGAZINE, and of the most agreeable form.

The contents of each number will be original, and consist of articles in prose and verse, by AUTHORS OF ESTABLISHED REPUTATION. The Critical Department will be conducted with the greatest care and impartiality, and while personality and needless acrimony will be economically avoided, opinions of merit or demerit will be candidly and fearlessly expressed. There will be also a monthly record of all that is interesting to the lovers of the Fine Arts respecting the progress of Art and Artists throughout the country.

The utmost pains will be bestowed on the engravings, not only to finish plates executed with care and skill, but in the selection of subjects, to adapt them as far as their dignity and importance command attention, to their beauty and artistic excellence, attract and captivate. They will consist of transcripts, &c.

**HISTORICAL & GENERAL PICTURES.**

Respectable artists, to original paintings by CELEBRATED AMERICAN PAINTERS and occasional works of foreigners by the best artists, made expressly for the work. Portraits of remarkable or eminent persons will also add to the interest and variety of the series, together with free and spirited illustrative engravings. In the COSTUME DEPARTMENT, (which now appears to have become an indispensable adjunct to a Monthly Magazine) we shall present

**COLORS PLATES OF THE SPRING, SUMMER, FALL AND WINTER FASHIONS.**

In a style no way inferior to anything of the kind now published. In conclusion, we beg leave to state, that every promise made will be faithfully and liberally fulfilled, (which those accustomed to compare the performance with the promises of Magazine publishers will hardly expect)—that the first number of a volume will be found to be always a fair specimen of every other that is to follow, except in its possessing a beautifully engraved Title Page.
