

GREAT INDUCEMENT TO A READING PUBLIC!
SARTAIN'S
UNION MAGAZINE OF LITERATURE AND ART.

The undersigned, having purchased the subscription list and good will of the UNION MAGAZINE of New York, purpose reviving the Office of Publication to Philadelphia, and commencing with the number for January, 1849, under the title of

SARTAIN'S UNION MAGAZINE OF LITERATURE AND ART.

This Magazine was begun in July, 1847, and during the brief period of its existence, has risen so rapidly in public favor, as to already have become a firmly established

RIVAL OF THE OLDER MONTHLY PERIODICALS.

Notwithstanding its success under the management of its present able Editor, its future publishers feel confident of making it far more desirable still, by the intended improvements which their superior facilities will enable them to command.

Besides the varied and occasional embellishments, the work will contain, every month,
TWO HIGHLY-FINISHED MEZZOTINTO STEEL PLATES

from pictures of the highest merit, engraved by J. Sartain, under whose exclusive control the selection and management of the Pictorial Department will be. His partner in this enterprise has been many years connected with the oldest Weekly and Monthly publishing establishments in the country; so that with their united experience and earnest effort, added to a LIBERAL AND JUDICIOUS EXPENDITURE, they feel assured of being able to cater successfully and to the satisfaction of a discriminating public, and of producing a magazine of real intrinsic value, surpassing any periodical of the class now issued from the American press.

Their aim will be to furnish a Monthly miscellany, that is not only lively and entertaining, but useful and instructive; in which DOMESTIC HOME TALES AND SKETCHES, Calculated to elevate the moral and intellectual faculties, shall be substituted for the nifty-penny articles which occupy so large a space in the popular periodicals of the day. In short, the pages of Sartain's Magazine will be such as no parent will hesitate to put in the hands of a rising family; while in the quality and character of the embellishments, it will be made to distance all competition. It will be emphatically a FAMILY MAGAZINE, and of the most attractive form.

The contents of each number will be original, and consist of articles in prose and verse, by AUTHORS OF ESTABLISHED REPUTATION.

The Critical Department will be conducted with the greatest care and impartiality; and while personality and needless satire will be sedulously avoided, opinions of merit or demerit will be candidly and fearlessly expressed. There will be also a monthly record of all that is interesting to lovers of the Fine Arts respecting the progress of Art and Artists throughout the country.

The utmost pains will be bestowed on the engraving, not only to furnish plates executed with care and skill, but in the selection of subjects, to adopt such as from their dignity and importance command attention, or from their beauty and artistic excellence, attract and charm. They will consist of transcripts, either of

HISTORICAL SCRIPTURAL PICTURES, of unquestionable merit, or of original paintings by CELEBRATED AMERICAN PAINTERS, and occasionally of compositions by the best artists, made expressly for the work. Portraits of remarkable or eminent persons will also add to the interest and variety of the series, together with free and spirited illustrative etchings. In the COSTUME DEPARTMENT, (which now appears to have become an indispensable adjunct to a Monthly Magazine,) we shall present

COLORFUL PLATES OF THE SPRING, SUMMER, FALL, AND WINTER FASHIONS, in a style no way inferior to anything of the kind now published.

In conclusion, we beg leave to state, that every promise made will be faithfully and literally fulfilled, (which those accustomed to compare the performances with the promises of Magazine publishers will hardly expect)—that the first number of a volume will be found to be always a fair specimen of every other that is to follow, except in its possessing a beautifully engraved Title Page.

AN OLD THING BECOME NEW.

Dr. Wm. P. Hills, after experimenting for ten years, and trying everything likely to be good for the cure of Coughs, Colds, Consumption, Asthma, Croup, Bronchitis, Influenza, Difficulty of Breathing, Spitting of Blood, Pains in the Breast or Side, originating from cough or cold; and for a gentle emetic in any disease, has found by experience in prescribing for the above diseases, that the Fluid Extract of Squills is much the surest to perform a cure of any of the medicines now before the public—and has the advantage of being at least one-half cheaper. Don't be afraid to try it. It comes from an experienced physician, and is no new thing. It is only the best old thing in the world got up in a new form.

Also—if you have yourself, or know of any one that has Tetter, Scald-head, Ringworm, Erysipelas, Itch, or indolent sore of any kind on the skin, arms, legs or feet, or any kind of breaking out on the skin, just go and buy a bottle or two of Dr. Hill's Tetter Ointment, and use it according to directions and it will positively perform a cure, if persevered in. Erysipelas is always cured in forty-eight hours by putting on plenty, and keeping open the bowels with some cooling medicine, such as salts and cream of tartar.

The above valuable medicines are for sale at Dr. A. M. Hill's Drug Store, Clearfield; at the stores of James Forrest, Clearfield Bridge; Crans & Brother, Curwensville; Graham & Wright, Grahamton; Bowman & Johnston, Philipsburg, Centre county; and at the principle stores throughout the county.

KINKELIN, N. W. corner of THIRD and UNION STS. between Spruce and Pine, one and a half squares from the Exchange, Philadelphia.

TAKE PARTICULAR NOTICE.

Youth who have injured themselves by a certain practice indulged in—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt; even when asleep, and destroy both mind and body, should apply immediately. Weakness and constitutional debility immediately cured, and full vigor restored. All letters POST PAID.

YOUNG MEN!

If you value your life or your health, remember the delay of a month, nay, even a week, may prove your ruin, both of body and mind. Hence let no one who, from education and respectability, can no longer hold you. He who places himself under DR. KINKELIN'S treatment, may religiously confide in his honor as a gentleman, and in whose bosom will be forever locked the secret of the patient.

Too many thank they will hug the secret to their own hearts, and cure themselves. Alas! how often is this a fatal delusion, and how many a promising young man, who might have been an ornament to society, has faded from the earth.

COUNTRY INVALIDS, finding it inconvenient to make personal application, can, by stating their case explicitly, together with all their symptoms, (per letter, post-paid,) have forwarded to them a chest containing Dr. K.'s medicines appropriately accompanied.

Orders of Medicines forwarded to any part of the United States at a moment's notice.
