

McAllister's Ointment.

Insensible Perspiration.

THIS OINTMENT HAS POWER to cause all EXTERNAL SORES SCROFULOUS HUMORS, SKIN DISEASES, POISONOUS WOUNDS, to discharge their purulent matters and then heal them. It is rightly termed All-healing, for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last fourteen years for all diseases of the chest, consumption, liver, involving the utmost danger and responsibility, and I declare before heaven and man, that not in one single case has it failed to benefit, when the patient was within the reach of mortal means. I have had Ministers of the Gospel, Judges of the Bench, Aldermen, and Lawyers, gentlemen of the highest erudition, and MULTITUDES of the poor use it in every variety of way, and there has been but one voice united, universal voice, saying, "McAllister, your Ointment is good." It can hardly be credited that a salve can have any effect upon the lungs, seated as they are within the system. But if placed upon the chest, it penetrates directly to the lungs, separates the poisonous particles that are consuming them and expels them from the system. It is curing persons of consumption continually. HEADACHE. The Salve has cured persons of the Headache of 12 years standing, and who had it regularly every week, so that vomiting often took place. Deafness and Ear-Ache are helped with like success. RHEUMATISM. It removes almost immediately the inflammation and swelling when the pain of course ceases. COLD FEET. Consumption, Liver Complaint, pains in the chest or side, falling off of the hair, one or the other, always accompanies cold feet. It is a sure sign of disease in the system to have cold feet. The Ointment is the true remedy for SCROFULA ERYSIPELAS, SALT RHEUM, LIVER COMPLAINT, SORE EYES, QUINCY, SORE THROAT, BRONCHITIS, ROBBERS OR SORE BREAST, PILES, ALL CHIEF DISEASES, SUCH AS ASTHMA, OPPRESSION, RASHES, ALSO, SORE LIPS, CHAPPED HANDS, FURFUR, CUTANEOUS ERUPTIONS, NERVOUS DISEASES, AND OF THE SPINE. There is no medicine now known so good. SCALD HEAD. We have cured cases that actually defied every thing known, as well as the ability of fifteen or twenty doctors. One man told us he had spent \$500 on his children without any benefit, when a few boxes of the ointment cured them. BALDNESS. It will restore the hair quicker than any other thing. BURNS. It is the best thing in the world for Burns. (Read the directions around the box.) WOUNDS. It will draw every vestige of them away. (Read the directions around the box.) CORNS. Occasional use of the ointment will always keep corns from growing. People need not be troubled with them if they will use it. FILLS. Thousands are yearly cured by this Ointment. TETTER. There is nothing better for the cure of Tetter.

JAMES McALLISTER, & Co., Sole proprietors of the above medicine. **CAUTION.** No Ointment will be genuine unless the name of James McAllister or James McAllister & Co. are written with a PEN upon EVERY LABEL. PRICE 25 CENTS PER BOX.

Read the Following Communication. Received from an old, respected, and well known citizen of Philadelphia, and then judge for yourself. Philadelphia, 10th mo. 18th, 1846.

To T. B. Peterson No. 98 Chestnut street: Having been requested to give my opinion on the merits of McALLISTER'S SALVE, I am willing to commend some of the benefits which I have experienced in the use of the article.

In the spring of 1845 I had an attack of Erysipelas in my face which became very painful, and extended into one of my eyes, being attended with fever, my distress was great and I became to be fearful of losing my eye.

Although not much a believer in what is termed quack medicines, I purchased a box and made application to my face. To my surprise the pain soon abated and in a week's time I was entirely cured, and I firmly believe it was the salve under Providence that cured me.

From that time to the present I have used the article as an ointment, and in every case where I have used it, I have found a decided benefit.

At one time going to bed at night, my throat was so sore that I was unable to swallow, but by an application of the salve I was relieved before morning.

I have used it in cases of burns, bruises, sprains and flesh cuts all with the happiest effects; and one case of poisoning by a wild vine in the woods has been dried and cured by a few applications.

My own experience with it strongly recommends it, as a cheap convenient medicine. It requires no preparation other than to rub it on the afflicted part.

I have become so much in my partiality to it that I expect to keep it constantly in my parlor to print, yet I cannot refuse to have this communication made public if judged best to serve the cause of humanity.

Respectfully, Wm. Adams, No. 2 Old York Road.

Price 25 cents per box. **A G E N T S:** E. & W. F. Irwin, Clearfield, Messrs. Arnolds, Luthersburg, John Patton, jr. Curwensville, Levi Lutz, Frenchville. Clearfield, Dec. 25, 1847.—1y.

GREAT INDUCEMENTS TO A READING PUBLIC.

SARTAIN'S UNION MAGAZINE OF LITERATURE AND ART.

The undersigned, having purchased the subscription list and good will of the UNION MAGAZINE of New York, purpose removing the Office of Publication to Philadelphia, and commencing with the number for January, 1849, under the title of

SARTAIN'S UNION MAGAZINE OF LITERATURE AND ART.

This Magazine was begun in July, 1847, and during the brief period of its existence, has risen so rapidly in public favor, as to already have become a firmly established

RIVAL OF THE OLDER MONTHLY PERIODICALS.

Notwithstanding its success under the management of its present able Editor, its future publishers feel confident of making it far more desirable still, by the intended improvements which their superior facilities will enable them to command. Besides the varied and occasional embellishments, the work will contain, every month,

TWO HIGHLY-FINISHED MEZZOTINTO STEEL PLATES.

from pictures of the highest merit, engraved by J. Sartain, under whose exclusive control the selection and management of the Pictorial Department will be. His partner in this enterprise has been many years connected with the oldest Weekly and Monthly publishing establishments in the country; so that with their united experience and earnest efforts, added to a

LIBERAL AND JUDICIOUS EXPENDITURE.

They feel assured of being able to cater successfully and to the satisfaction of a discriminating public, and of producing a magazine of real intrinsic value, surpassing any periodical of the class now issued from the American press.

Their aim will be to furnish a Monthly miscellany, that is not only lively and entertaining, but useful and instructive; in which

DOMESTIC HOME TALES AND SKETCHES.

Calculated to elevate the moral and intellectual faculties, shall be substituted for the namby-pamby articles which occupy so large a space in the popular periodicals of the day. In short,—the pages of Sartain's Magazine will be such as no parent will hesitate to put in the hands of a rising family, while in the quality and character of the embellishments, it will be made to distance all competition. It will be emphatically a FAMILY MAGAZINE, and of the most attractive form.

The contents of each number will be original, and consist of articles in prose and verse, by

AUTHORS OF ESTABLISHED REPUTATION.

The Critical Department will be conducted with the greatest care and impartiality; and while personality and needless satire will be sedulously avoided, opinions of merit or demerit will be candidly and fearlessly expressed. There will be also a monthly record of all that is interesting to lovers of the Fine Arts respecting the progress of Art and Artists throughout the country.

The utmost pains will be bestowed on the engravings, not only to furnish plates executed with care and skill, but in the selection of subjects, to adopt such from their dignity and importance command attention, or from their beauty and artistic excellence, attract and charm. They will consist of transcripts, either of

HISTORICAL SCRIPTURAL PICTURES,

of unquestionable merit, or of original paintings by CELEBRATED AMERICAN PAINTERS, and occasionally of compositions by the best artists, made expressly for the work. Portraits of remarkable or eminent persons will also add to the interest and variety of the series, together with free and spirited illustrative engravings. In the COSTUME DEPARTMENT, (which now appears to have become an indispensable adjunct to a Monthly Magazine,) we shall present

COLORFUL PLATES OF THE SPRING, SUMMER, FALL AND WINTER FASHIONS,

in a style no way inferior to anything of the kind now published.

In conclusion, we beg leave to state, that every promise made will be faithfully and literally fulfilled, (which those accustomed to compare the performances with the promises of Magazine publishers will hardly expect),—that the first number of a volume will be found to be always a fair specimen of every other that is to follow, except in its possessing a beautifully engraved Title Page.

DR. E. GREEN'S RED & BROWN PILLS.

THE demand for the above medicine in the last 2 or 3 years, is deemed a sufficient apology for placing it now fully before the people; and the diseases for which it is applicable have become so prevalent in this country that a remedy entitled to confidence, is a great desideratum.

The diseases I allude to are Hepatitis, (Liver affection,) Dyspepsia, and female complaints in general.

The above pills will be kept constantly for sale by Richard Shaw, Clearfield, Bigler & Co., Bell township, Graham & Wright, Bradford James McGirk, Philipsburg, J. W. AN OLD THING BECOME NEW.

Dr. Wm. P. Hills, after experimenting for ten years, and trying everything likely to be good for the cure of Coughs, Colds, Consumption, Asthma, Croup, Bronchitis, Influenza, Difficulty of Breathing, Spitting of Blood, Pains in the Breast or Side, originating from cough or cold; and for a gentle emetic in any disease, has found by experience in prescribing the above diseases, that the Fluid Extract of Squills is much the surest to perform a cure of any of the medicines now before the public—and has the advantage of being at least one-half cheaper. Don't be afraid to try it. It comes from an experienced physician, and is no new thing. It is only the best old thing in the world got up in a new form.

Also—if you have yourself, or know of any one that has Tetter, Scald-Head, Ringworm, Erysipelas, Itch, or indolent sore of any kind on the skin, arms, legs or feet, or any kind of breaking out on the skin, just go and buy a bottle or two of Dr. Hill's Tetter Ointment, and use it according to directions and it will positively perform a cure, if persevered in. Erysipelas is always cured in forty-eight hours by putting on plenty, and keeping open the bowels with some cooling medicine, such as salts and cream of tartar.

The above valuable medicines are for sale at Dr. A. M. Hill's Drug Store, Clearfield; at the stores of James Forrest, Clearfield Bridge, Crans & Brother, Curwensville; Graham & Wright, Grahamton; Bowman & Johnston, Philipsburg, Centre county; and at the principle stores throughout the county.
