

McAllister's Ointment.

Insenible Perspiration.

THIS OINTMENT HAS POWER to cause all **EXTERNAL SORES, SCROFULOUS HUMORS, SKIN DISEASES, POISONOUS WOUNDS,** to discharge their purged matters and then heal them. It is rightly termed All-healing, for there is scarcely a disease, external or internal, that it will not benefit. I have used it for the last fourteen years for all diseases of the chest, consumption, liver, involving the utmost danger and responsibility, and I declare before heaven and man, that not in one single case has it failed to benefit, when the patient was within the reach of mortal disease.

I have had physicians, learned in the profession, I have had Ministers of the Gospel, Judges of the Bench, Aldermen, and Lawyers, gentlemen of the highest erudition, and MULTITUDES of the poor use it in every variety of way, and there has been but one voice, one united, universal voice, saying, "McAllister, your Ointment is good."

CONSUMPTION. It can hardly be credited that a salve can have any effect upon the lungs, seated as they are within the system. But if placed upon the chest, it penetrates directly to the lungs, separates the poisonous particles that are consuming them and expels them from the system. It is curing persons of consumption continually.

HEADACHE. The Salve has cured persons of the Headache of 12 years' standing, and who had it regularly every week, so that vomiting, often took place. Headiness and Ear-Ache are helped with like success.

RHEUMATISM. It removes almost immediately the inflammation and swelling when the pain of course ceases.

COLD FEET. Consumption, Liver Complaint, pains in the chest or side, falling off of the hair, one or the other, always accompanies cold feet. It is a sure sign of disease in the system to have cold feet.

This Ointment is the true remedy for SCROFULA, ERYSIPELAS, SALT RHEUM, LIVER COMPLAINT, SORE EYES, QUINSY, SORE THROAT, BRONCHITIS, BROKEN OR SORE BREAST, PILES, all CHEST DISEASES, SUCH AS ASTHMA, OPRESSION, PAINS, also, SORE LIPS, CHAPPED HANDS, TUMORS, CUTANEOUS ERUPTIONS, NERVOUS DISEASES, and of the SPINE. There is no medicine now known so good.

SCALD HEAD. We have cured cases that actually defied every thing known, as well as the ability of fifteen or twenty doctors. One man told us he had spent \$500 on his children without any benefit, when a few boxes of the ointment cured them.

BALDNESS. It will restore the hair quicker than any other thing.

BURNS. It is the best thing in the world for Burns. (Read the directions around the box.)

WORMS. It will drive every vestige of them away. (Read the directions around the box.)

CORN. Occasional use of the ointment will always keep corns from growing. People need not be troubled with them if they will use it.

PILES. Thousands are yearly cured by this Ointment.

FETTER. There is nothing better for the cure of Fetter.

JAMES McALLISTER & Co., Sole proprietors of the above medicine. CAUTION. "No Ointment will be genuine unless the names of James McAllister or James McAllister & Co. are written with a pen upon EVERY LABEL." PRICE 25 CENTS PER BOX.

Read the Following Communication, Received from an old, respected, and well known citizen of Philadelphia, and then judge for yourself. Philadelphia, 10th mo. 18th, 1846.

To T. B. Peterson No. 28 Chestnut street. Having been requested to give my opinion on the merits of McAllister's Salve I am willing to enumerate some of the benefits which I have experienced in the use of the article.

In the spring of 1845 I had an attack of Erysipelas in my face which became very painful, and extended into one of my eyes, being attended with fever, my distress was great and I became to be fearful of losing my eye.

Although not much a believer in what is termed quick medicine, I purchased a box and made application to my face. To my surprise the pain soon abated and in a week's time I was entirely cured, and I firmly believe it was the salve under Providence that cured me.

From that time to the present I have used the article as apector, every day, and in every case where I have used it, I have found a decided benefit.

At one time going to bed at night, my throat was so sore that I swallowed with difficulty, but by an application of the salve I was relieved before morning. I have used it in cases of burns, bruises, sprains and flesh cuts all with the happiest effects, and in one case of poisoning by a wild vine in the woods has been dried up and cured by a few applications.

From my own experience I would strongly recommend it to all, as a cheap convenient medicine. It requires no preparation other than to rub it on the afflicted part.

I have become so partial to it that I expect to keep it constantly in my family.

Though not ambitious to appear in print, yet I cannot refuse to have this communication made public if judged best to serve the cause of humanity.

Respectfully thine, WM. ADAMS, No. 26 Old York Road.

The Pennsylvania.

TO THE DEMOCRATS OF THE STATE OF PENNSYLVANIA.

The undersigned, editors and proprietors of the **Pennsylvanian,** propose issuing that paper on or about the New Year, highly improved in its appearance, and strengthened by the employment of new and in its Commercial, Literary and Miscellaneous departments. Its political character will of course remain in the present hands, and will be carefully and seriously attended to. May we not ask of our friends in the several counties of this State the advantage of all the aid they can extend to us in view of the duty that is now devolved upon the Democrats over the whole Union, and the approach of the time when a new Executive—probably a new policy—is to be substituted in place of the present administration? They may rest assured that it is our resolute determination to make our paper worthy of the highest confidence and the warmest encouragement.

Unruffled by our late defeat—unawed by the arrogant rejoicings of a party that has obtained power by the worst practices—we are resolved to be more active than ever in supporting our principles, and in opposing the schemes of the ultra Whig leaders. A very little time only is required to show that the new administration will either be unequal to the responsible government of this great country, or that the Federal leaders will be driven back into obscurity by the very hand from which they expect patronage and power.

The **Pennsylvanian** has enjoyed the full confidence of the Democratic party under its present editors, and has largely increased its circulation. It will relax no effort in the future to deserve the continued support of a party to whose success it is ardently devoted.

Our literary and miscellaneous departments shall not be neglected for the political. We desire as well to make a good Democratic, as an unexceptionable family paper.

Our Washington and other correspondents are able and observant Democrats, who will attend to their duties faithfully and fearlessly.

We confidently hope to receive the active encouragement of our friends in our proposed improvements, and anxiously the terms for the Daily, Tri-Weekly, and Weekly **Pennsylvanian.**

The Daily **Pennsylvanian** six dollars a year, or five dollars always paid in advance.

The Tri-Weekly **Pennsylvanian** is published at two dollars AND FIFTY CENTS, or FIVE copies to one post office for TEN DOLLARS, in advance. This is one of the best three-times-a-week papers published in the country.

The Weekly **Pennsylvanian** is ONE DOLLAR a year, ALWAYS IN ADVANCE.

TERMS TO CLUBS. 6 copies in one package, \$5—10 copies, \$8—13 copies, \$10—27 copies, \$20—50 copies, \$35. Remittances at our risk, free of postage.

HAMILTON & FORNEY.

To the Democratic Party.

Our readers are already informed that by a vote of the Senate, at the close of the last session, the Union was selected as one of the journals in which the proceedings and debates of that body are to be published. A similar arrangement on the part of the House of Representatives will, it is hoped, be made when that body meets. It is our purpose to make the **WEEKLY UNION** hereafter, as it has been heretofore, a political, commercial, and miscellaneous sheet, and to increase rather than diminish its efficiency in these several departments. To afford space for this purpose, and for the same time to furnish to our subscribers our full congressional reports, we propose to issue, during the session of Congress, a **CONGRESSIONAL SUPPLEMENT TO THE WEEKLY UNION,** which shall contain the full reports as published in our daily edition. There will be at least one number of the Supplement per week of the same size and form as the "Congressional Register." The price of our Weekly Union has heretofore been not very low. But, determined as we are to spare no efforts to increase our already extensive circulation, we propose to afford to our subscribers both the **WEEKLY UNION** for one year, and the **CONGRESSIONAL SUPPLEMENT** during the session of Congress, at the same price at which the Weekly Union alone has hitherto been published, viz: Two Dollars per annum, invariably in advance.

THE WEEKLY UNION, in connection with the **CONGRESSIONAL SUPPLEMENT,** containing the full reports of debates and proceedings in Congress, will be published together at the low rate of TWO DOLLARS PER YEAR.

CLUBS Will be furnished with one copy of each of the above at the following rates: Five copies for \$10 Dollars. Ten copies for \$15 Dollars. Payable in advance.

Postmasters, by sending us five subscribers, with Ten Dollars enclosed, will be entitled to one copy of the Weekly Union and Congressional Supplement. The Weekly Union may be had, as heretofore, for less than a year, by sending a proportional subscription, but in no case will the Congressional Supplement be sent with it unless the full year is paid for.

We submit to our democratic friends that this arrangement offers to them an opportunity of aiding in the support of our cherished principles by sustaining a newspaper publication, UNDOUBTEDLY THE CHEAPEST in proportion to the quantity and value of the matter afforded them, which has ever in this country been devoted to the maintenance of the democratic cause.

In taking upon his own shoulders, for the present, the scale of "Union" establishment, the editor is aware of the responsibility which he is assuming, and relies upon the liberality of the democratic party to sustain him in his new efforts for usefulness. Our exchange papers, and others, who publish this notice, will be furnished with a copy of the Weekly Union and Congressional Supplement.
