CRANS & BROTHER,

To the Democratic Party.

Our readers are already informed that by a vote of the Senate, at the close of the last session, the "Union" was selected as one of the journals in which the proceedings and debates of that body are to be published. A similar arrangement on the part of the House of Representatives will, it is hoped, be made when that body meets. It is our purpose to make the **WEEKLY UNION** hereafter, as it has been heretofore, a political, commercial, and miscellaneous sheet, and to increase rather than diminish its efficiency in these several departments. To afford space for this purpose, and at the same time to furnish to our subscribers our full congressional reports, we propose to issue, during the session of Congress, a **CONGRESSIONAL SUPPLEMENT TO THE WEEKLY UNION,** which shall contain the full reports as published in our daily edition. There will be at least one number of the Supplement per week, of the same size and form as the "Congressional Register." The price of our Weekly Union has heretofore been put very low. But, determined as we are to spare no efforts to increase our already extensive circulation, we propose to afford to our subscribers *both* the **WEEKLY UNION** for one year, and the **CONGRESSIONAL SUPPLEMENT** during the session of Congress, at the same price at which the Weekly Union alone has been heretofore published, *viz.* Two Dollars per annum, invariably in advance.

THE WEEKLY UNION, in conjunction with the **CONGRESSIONAL SUPPLEMENT**, containing the full reports of debates and proceedings in Congress, will be published together at the low rate of **TWO DOLLARS PER YEAR.** Subscribers will be furnished with one copy of each of the above at the following rates: Five copies for 8 Dollars. Ten copies for 15 Dollars. Payable in advance.

Postmasters, by sending us five subscribers, with Ten Dollars enclosed, will be entitled to one copy of the Weekly Union and Congressional Supplement in advance. The Weekly Union may be had, as heretofore, for less than a year, by sending a proportional subscription, but in no case will the Congressional Supplement be sent with it unless the full year is paid for. We submit to our democratic friends that this arrangement offers to them an opportunity of aiding in the support of our cherished principles by sustaining a newspaper publication, **UNDOUBTEDLY THE CHEAPEST** (in proportion to the quantity and value of the matter afforded them) which has ever in this country been devoted to the maintenance of the democratic cause.

In taking upon his own shoulders, for the present, the whole "Union" establishment, the editor is aware of the responsibility which he is assuming, and relies upon the liberality of the democratic party to sustain him in his new efforts for the "lives." Our exchange papers, and others, who publish this notice, will be furnished with a copy of the Weekly Union and Congressional Supplement.

AFFECTED, READ!

P H I L A D E L P H I A M E D I C A L H O U S E.—Established 15 years ago, by **DR. KINKELIN.** The oldest, surest and best kind to cure all forms of secret diseases, diseases of the skin and solitary habits of youth, is **DR. KINKELIN,** N. W. corner of THIRD and UNION STS., between Spruce and Pine, one and a half squares from the Exchange, Philadelphia.

TAKE PARTICULAR NOTICE.

Youth who have injured themselves by a certain practice indulged in—a habit frequently learned from evil companions, or at school—the effects of which are nightly felt; even when asleep, and destroy both mind and body, should apply immediately. Weakness and constitutional debility immediately cured, and full vigor restored. All letters POST PAID.

YOUNG MEN!

If you value your life or your health, remember the delay of a month, nay, even a week, may prove your ruin, both of body and mind. Hence let no false modesty deter you from making your case known to one who, from education and respectability, can no longer befriend you. He who places himself under **DR. KINKELIN'S** treatment, may religiously confide in his honor as a gentleman, and in whose bosom will be forever locked the secret of the patient.

Too many think they will tug the secret to their own hearts, and cure themselves. Alas! how often is this a fatal delusion, and how many a promising young man, who might have been an ornament to society, has faded from the earth.

COUNTRY INVALIDS,

finding it inconvenient to make personal application, can, by stating their case explicitly, together with all their symptoms, (per letter, post-paid), have forwarded to them a chest, containing **DR. K.'S** medicines, prepared accordingly.

Packages of Medicines forwarded to any part of the United States at a moment's notice.

POST PAID LETTERS, addressed to **DR. KINKELIN,** Philadelphia, will be promptly attended to.

See advertisement in the Philadelphia Spirit of the Times, Jan. 28, 1848. 1y

DR. E. GREEN'S RED & BROWN PILLS.

T H E demand for the above medicine in the last 2 or 3 years, is deemed a sufficient apology for placing it now fully before the people; and the diseases for which it is applicable have become so prevalent in this country that a remedy entitled to confidence, is a great desideratum.

AN OLD THING BECOME NEW.

D R. Wm. P. Hills, after experimenting for ten years, and trying everything likely to be good for the cure of **Coughs, Colds, Consumption, Asthma, Group, Bronchitis, Influenza, Difficulty of Breathing, Spitting of Blood, Pains in the Breast or Side, originating from cough or cold,** and for a gentle emetic in any disease, has found by experience in prescribing for the above diseases, that the **Fluid Extract of Squills** is much the surest to perform a cure of any of the medicines now before the public—and has the advantage of being at least one-half cheaper. Don't be afraid to try it. It comes from an experienced physician, and is no new thing. It is only the best old thing in the world got up in a new form.

Also—if you have yourself, or know of any one that has **Tetter, Scald-Head, Ringworm, Erysipelas, Itch, or indolent sore** of any kind on the skin, arms, legs or feet, or any kind of breaking out on the skin, just go and buy a bottle or two of **Dr. Hill's Tetter Ointment,** and use it according to directions and it will positively perform a cure, if persevered in. **Erysipelas** is always cured in forty-eight hours by putting on plenty, and keeping open the bowels with some cooling medicine, such as salts and cream of tartar.

The above valuable medicines are for sale at **Dr. A. M. Hill's** Drug Store, Clearfield; at the stores of **James Forrest, Curwensville;** **Graham & Wright, Grahamton;** **Bowman & Johnston, Philipburg;** **Centre county;** and at the principle stores throughout the county.
