BRIEF WAR ITEMS.

Henry Clay Dean, of Iowa, has been released from military arrest.

Gen. Franklin has been ordered to a command in Louisiana, under Banks.

It is proposed to make Gen. Wild, of the African brigade, Military Governor of North Carolina.

A pound of beef costs in Richmond precisely as much as a sherry cobbler, viz; one dollar and fifty cents.

Gen. Banks has issued an order against plundering plantations, and orders stolen property to be returned.

General Hunter, it is understood, is to be sent to the South-west to superintend the raising of negro regiments, in place of General Thomas, returned to duty here.

Gen. Sherman, severely wounded in an assault at Port Hudson, the latest advices state, continued to improve rapidly, and it was expected would soon leave for the North.

E. Z. C. Judson, better known as "Ned Buntline," now a private in the First New York Mounted Rifles, has been sentenced to imprisonment for the term of two months for desertion.

Major Gen. W. S. Hancock, U. S. Volunteers, by direction of the President, assigned to the command of the Second Army Corps, in place of Gen. D. N. Couch, transferred to another Command.

In the vicinity of Wilmington, N. C., near the border of South Carolina, large numbers of deserters and conscripts are intrenched, and successfully resisting Rebel authority, having had three severe engagements already."

The Rebel Secretary of War has ordered all the North Carolina regiments into other States for immediate service, on account of the growing disaffection among them. Georgia and South Carolina troops are to take their places in that State.

From statements made by correspondents writing from Vicksburg shortly before the surrender, it is believed that Pemberton was induced to capitulate from having expended all his ammunition. Certain it is that he had for several days thrown nothing but short pieces of railroad iron and such like missiles.

The recent fight at Helena, Ark., appears to have been between Gen. Prentiss and a force of 15,000 rebels under Gens. Holmes and Price. Gen. Hurlbut, however puts down their strength at 9,000. They were repulsed, after nine hours' fighting, with a loss of 500 killed and wounded, and 1,200 taken prisoners. The Union loss was not more than 60 men.

An officer who has just arrived at Indianapolis from the Libby prison at Richmond, says that it is understood that Col. Streight and his officers are to be turned over to the Governor of Georgia, to be tried for stealing. The Governor of Indiana has called the Secretary of War's attention to this matter, and no more Rebel officers will be exchanged until these officers are released.

Hon. Benjamin Flanders, writing from New Orleans to a gentleman of Philadelphia, pays the following tribute to the bravery of the colored troops:

"The unanimous report of all those who were in the recent severe fight at Port Hudson, in regard to the negroes, is, that they fought like devils. They have completely conquered the prejudice of the army against them. Never was there before such an extraordinary revolution of sentiment as that of this army in respect to the negroes as soldiers."

Col. Richard Thomas Zarvona (the French lady) whose incarceration in Fort Lafayette for piracy so excited the Copperheads in and out of Congress, and who was reputed by his sympathizers to have lost his reason, from confinement at the hands of this "despotic Administration," having been recently exchanged and sent South, has regained his health, and is now on his way to Europe to command a Rebel pirate. Wonder if his friends are satisfied now?

Many persons are not aware that by the provisions of the enrolment law, drafted men are entitled to the same allowance, pay and bounty as volunteers. The secret referring to this subject is as follows:

SEC. II. That all persons thus enrolled shall be subject for two years after the first day of July succeeding the enrolment, to be called into the military service of the United States, and to continue in service during the present rebellion, not, however, exceeding the term of three years; and when called into service shall be placed on the same footing, in all respects, as volunteers for three years, or during the war, including advance pay and bounty as now provided by law.

The act having gone into effect on the first day of July, those enrolled under its provisions are liable at any time to be called into service.

By the new order of the War Department all men enlisting in the regular army for five years' service within ninety days are to receive a premium, advance pay and bounty of $402, as follows, viz: Premium paid on enlistment, $2; advance pay, first payment after muster, $18; advance bounty, paid at depot after being accepted, $25; total, $40. Bounty to be paid at the second regular pay-day after enlistment, $50. Bounty to be paid at the first pay-day after twelve months' service, $50. The bounty to be paid at the first pay-day after two years' service is $50; after four years' service, $50; and at the expiration of service, $75. The bounty of $400 aforesaid shall be allowed and paid to all now in the regular army whose terms expire within one year, and who shall re-enlist within two months before the expiration of their present term of service.

PHILADELPHIA.

The undersigned, having resigned his position as Paymaster in the U. S. Army, has opened at No 204 SOUTH FOURTH STREET, an AGENCY FOR PROCURING PENSIONS, and for the collection of OFFICERS', SOLDIERS' and all other CLAIMS against the Government.

My long experience as Paymaster, has given me unusual facilities for becoming thoroughly acquainted with this business in all its details. On the receipt by mail of a statement of the case of claimants, I will forward the necessary papers for their signature. Personal attention will be given to the cases at Washington.

No charge unless successful, when $5 will be charged for collecting all sums under $80, and $10 on all sums over that amount and under $200. Larger claims, taken on special arrangement. Fees in Pension Cases as fixed by law.

INFORMATION FOR AND INSTRUCTIONS TO CLAIMANTS.

All Soldiers of the present war, who have served two years, and Soldiers discharged for wounds received in battle, without reference to time of service, are entitled besides their regular pay, to $100 Bounty.

In case Soldiers or Seamen are discharged for *disability* or *wounds* received *while in the service*, they are entitled to a Pension according to the disability.

In case of the death of the Soldier before discharge, through disease contracted, or wounds received while in service, his widow is entitled to receive the $100 Bounty, besides arrearages of pay and pension during her lifetime or widowhood.

If the Soldier die after discharge, from disease contracted or wounds received while in service, his widow is entitled to a pension of $96 per annum.

If no widow or minor children, the mother of the Soldier or Seaman will receive the Pension, if dependant on him wholly or in part for support.

If deceased Soldier or Seaman leaves no widow, his children are entitled to the same benefits as the widow, except when the children may be over the age of 16 years.

If no widow or minor children, the bounty and pay will descend to the heirs as follows:

First to the Father, second to the Mother, third to the Brothers and Sisters, and then to the next of kin.

Discharged Soldiers, whose clothing account was unsettled at the time of discharge, can recover any balance due them, if the Company books are not destroyed. To draw this balance, write to your Captain for a descriptive list, showing Clothing account, and forward it to me with your preliminary statement, giving also the date of your discharge.

Soldiers, who served with the nine months' volunteers, can recover $27 bounty and premium, without regard to time of service, if they have not already received it.

Soldiers who were prisoners in the South, and Soldiers who were absent on sick furlough, are entitled to commutation of rations.

In communicating with this office, state the nature of your claim fully, and give the Company and Reg ment to which you or the Soldier for whom you claim belonged, as well as your present Post Office address.

Medical.

BALTIMORE LOCK HOSPITAL.
DR. JOHNSON, the founder of this Celebrated Institution, offers the most certain, speedy, and only effectual remedy in the world for Gleets, Structures, Seminal Weakness, Pain in the Loins, Constitutional Debility, Impotence, Weakness of the Back and Kidneys, Affections of the Kidneys, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Diseases of the Head, Throat, Nose or Skin; and all those serious and melancholy disorders arising from the destructive habits of Youth, which destroy both body and mind. Those secret and solitary practices are more fatal to their victims than the song of the Syrens to the mariner Ulysses, blighting their most brilliant hopes, or anticipations rendering marriage, &c., impossible.

YOUNG MEN.

Young Men especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talent and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE!

Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should immediately consult Dr. Johnston.

He who places himself under the care of Dr. Johnston may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician.

ORGANIC WEAKNESS!

IMMEDIATELY CURED AND FULL VIGOR RESTORED.

This disease is the penalty most frequently paid by those who have become the victims of improper indulgences. Young persons are too apt to commit excesses from not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of Procreation is lost sooner by those falling into improper habit than by the prudent. Besides being deprived of the pleasure of healthy offspring, the most serious and destructive sympathy to mind and body arise. The system become deranged, the physical and mental powers weakened nervous debility, dyspepsia, palpitation of the heart! indigestion, a wasting of the frame, cough, symptom of consumption

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known. Many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, *attended sometimes* with derangement of mind, were cured immediately.

A CERTAIN DISEASE!

When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, deters him from applying to those who from education and respectability can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as ulcerated sore throat, diseased nose, nocturnal pains in the head and limbs, dimness of sight, deafness, nuts on the skin, bones and arms, blotches on the head, face, and extremities, progressing with frightful rapidity, till at last the palate of the mouth or the bones of the nose fall in and the victim of this awful disease becomes a horrid object of commiseration, till death puts a period to his dreadful sufferings by sending him to "that bourne from whence no traveller returns." To such, therefore, Dr. Johnston pledges himself to preserve the most inviolable secrecy; and from his extensive practice, in the first Hospitals of Europe and America, he can confidently recommend a safe and speedy cure to the unfortunate victim of this horrid disease.

It is a melancholy fact that thousands fall victims to this horrid disease owing to the unskilfullness of ignorant pretenders who by use of that deadful poison, Mercury, ruin the constitution, and either send the unfortunate to an untimely grave, or make the residue of life miserable.

TAKE PARTICULAR NOTICE!

Dr. J. addresses those who have injured themselves by private and improper indulgences.

These are some of the sad and melancholy effects produced by early habits of youth, viz:—Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.

MENTALLY the fearful effects on the mind are much to be dreaded: loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evil effects.

Thousands of persons of all ages can now judge what is the cause of their declining health, losing their vigor, becoming weak, pale, have singular appearance about the eyes, cough, and symptoms of Consumption.

Dr. Johnston's Invigorating Remedy for Organic Weakness.

By this great and important remedy, Weakness of the Organs is speedily cured, and full vigor restored. Thousands of the most nervous and debilitated, who had lost all hope, have been immediately relieved. All impediments to Marriage, Physical or Mental Disqualification, Nervous Irritability, Trembling, Weakness or Exhaustion of the most fearful kind, speedily cured by Dr. Johnston.

YOUNG MEN,

Who have injured themselves by a certain practice, indulged in when alone—a habit frequently learned from evil companions, or at school, the effects are slightly felt, even when asleep, and if not cured, render marriage impossible, and destroys both mind and body, should apply immediately.

What a pity that a young man, the hope of his country, the darling of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature, and indulging in a certain secret habit. Such persons, before contemplating

MARRIAGE

should reflect that a sound mind and body are the most necessary requisites to promote connubial happiness. Indeed without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair, and filled with the melancholy reflection, that the happiness of another becomes blighted with our own.
