A CERTAIN DISEASE!—When the misguided and imprudent votary of pleasure finds he has imbibed to a seeds of this painful disease, it too often happens that an ill-timed sense of duty, or a desire to please, induces him to apply to those who from education and respectability can alone befriend him, delaying till the constitutional symptoms of this horrid disease render his appearance, and his conduct, objects of general derision.

TAKE PARTICULAR NOTICE!—Dr. Johnson addresses those who have injured themselves by private and improper indulgences.
