Franklin Repository.

POLITICAL ITEMS.

M. C. Tyler is the Democratic candidate for Assembly in Susquehanna. May he live till he is elected.

The Democrats of Wayne have nominated H. B. Beardslee for Senator and Wm. M. Nelson for Assembly.

The Union men of Fayette county have nominated John S. Williams for Prothonotary, and Daniel W. Dull for Register. They have a hard road to travel, but they may win.

The Democrats of Delaware have nominated a full ticket with S. Rhonds for Assembly. It will be beaten about 1,300. Edward A. Price is the Union candidate for Assembly.

The Union men of McKean county have nominated Capt. Frank Bell for Assembly, A. N. Lillibridge for Sheriff, John R. Chadwick for Prothonotary and W. W. Brown for Register.

The Union men of Bradford have nominated D. Lilley and Joseph H. Marsh for Assembly, E. O. Goodrich for Prothonotary, J. Monroe Smith for Sheriff and N. C. Elsbree for Register. Bradford will give over 4,000 for the ticket.

Mr. F. W. Hughes was the author of the proposition to dissolve the Union, and unite Pennsvlvania with the Southern Confederacy. Mr. Justice Woodward was nominated mainly by the efforts of Mr. Hughes. The teacher knows his disciple.

A rebel writer says there are "divisions in the camp of the enemy." and that the efforts of the Democracy "operate direc'ly as so much aid and comfort to the South." How much comfort will be obtained from California, Delaware, Maine and Vermont?

Had Tennessee been a free State like Ohio, she would, like her, have been loyal and prosperous. Her slave code plunged her in the rebellion. That code to-day lies trampled under foot. Shall we re-store it to, life? The Gud of freedom forbid!-Nashville Union.

Maj. Peter A. Johns is the Union candidate for Senator against Mr. Latta in the Westmore-Iand and Fayette district. He is an old Democrat, was twice in the House as a Democrat, but he entered the army and earned promotion by his gallantry and naturally enough prefers his country to his party. An earnest effort should elect him.

A correspondent of the Springfield (Mass) Republican suggests a new way of bringing about peace : "Let a committee, consisting of Villaindigham. Seymour, Wood and Geo. Lunt, visit the Con federacy in the name of the party, and in pathetic tonce, imitating the beast on which Baalam rode, plead: 'Am not I thine ass. on which thou hast ridden over since I was thine ?'

The Union men of Washington county have nominated Robert R. Reed and James B. Kelly for Assembly, John E. B.II for Prothonotary. Wm. A. Mickey for Register, Alvin King for Recorder, Wm. Kidd for Clerk and J. W. Douds for Treasurer. Wm. Hopkins is the Copperhead candidate for Senator in Washington and Greene. Washington ought to give a unjority on the right side this fall.

The Democrats of Chester county have enominated Richard A. Gilpin for Sepator, Hibbard Evans for Judge, C.C. Moore, S. W. Sellers and Andrew Armstrong for Assembly. A full ticket for the county offices was also nominated, but as it will not be heard of after the election, it is not worth recording. The notorious Monaghan is on for District Attorney against Mr. Ureigh.

Gen. John A. M'Clernand thus writes to a meeting in Illinois: "A mission is confided to us to keep slive the fire upon the altar of fiberty at whatever personal cost this must be done. If armed rebels stund in the way. remove them, if need be, by arms; if moral sphels stand in the way, crush them by the weight of an indignant public opinion; if party creeds stand in the way, hasten to wipe them out of it.'

The Union victories since the first of Ju-

Ten thousand people assembled in mass convention at Catasaqua on the 19th. They were addressed by Gov. Curtin, Judge Shannon, Hon. A. K. McCiure, and R. S. Matthews. To-night an

immense meeting is in progress at Allentown, and addresses are being delivered by the above-named gentlemen. An immense mass meeting of Republicans

was held in Harrisburg on Saturday evening. Gen. Cameron presided, and after announcing his hearty support of the Union candidates, introduced Gen. Butler. The General spoke in the most eloquent manner upon the duty of supporting the Administration. The enthusiasm was unbounded, and "2 meeting only limited by the capacity of the hall.

In Pennsylvania the campaign is progressing splondidly, and from all parts of the State we have the most cheerful tidings. In every quarter our friends are alive to the great struggle through which they are passing, and spare no energy to instruct and convince the people. Now that the election in Maine is over, we are to have the assistance of able and eminent friends of the Union from other parts of the country.

We are pleased to announce the fact that the Hanover Gazette, the oldest German Democratic paper in York County, has hoisted the flag of Curtin and Agnew," and comes out boldly in support of the Union. This is a most valuable acqui-sition to the loyal men of York county, the want of a good German paper having long been felt. One of the proprietors of the Gazette has fought gallantly in the armies of the Union, and like other patriotic democrats has had his views slightly changed by a sight of slavery and rebellion as it really exists. The Gazette has a large German circulation and will do yooman service in the campaign. We gladly welcome the Gazette into the loyal ranks, and wish it and its publishers all success,

· The Democracy of Pennsylvania will admire the rare and refreshing frankness with which a Democratic paper of New York comments upon the resolutions passed by the Convention that recently met in Albany. What is said of the platform adopted by the Convention of New York may justly be applied to the platform adopted by the Democratic Convention that assembled at Harrisburg:

ocratic Convention that assembled at Harrisburg: "The Democratic Convention adopted a resolution apparently favoring a prosecution of the war, but, in fact, susceptible of any construction the varies may choose to give it. It was policy, and not princi-ple, that dictated that resolution. The sentiment of the Convention decidedly inclined to peace. Har-ing disposed of a mechanical difficulty, and screened themselves from the charge of transon, there is no fur-ther occasion for this worthless suping clause to be paraded before the people. Let the campas proceed upon a peace basis, openly and without dispuse. The Black Republicans will not hesitate to exhibit their black idol upon the rostrum, and to make it the feature of thoir electioneering."

Political.

e Vicksburg, Gettysburg, Port Hudson, Morris Island, East Tennessee, Vermont, New Hampshire, Connecticut. Rhode Island Delaware, California, Nevada and Maine. Before the year closes we can record Charleston. Pennsylvania, Ohio, New York, Illinois, Indiana, and others "too crous to mention." The glorious cause of the Union was never more bright than at present.

An Ohio paper makes the following reference to the state of the campaign in that State. The remark might be applied to Pennsylvania: "And now, if anybody has heard cheers at a Democratic meeting concerning our late successes, we would be glad to publish the full particulars. We do not think such a phenomenon has occurred. If it has, we want names, dates, places, spirit of the occasion circumstances of the announcement, all about it."

The Democrats of Adams-where Democracy means everything that can embarrass the government in preserving its own existence, have nominated J. H. Marshall for Assembly, J. E. Wierman for Judge, Adam Rebert for Sheriff, Samuel Lilly for Register, James J. Fink for Clerk, Jacob Troxel for Treasurer and Samuel March for Commissioner. Cannot the Young Guard redeem herself this fall? Shall the sacred ground of Gettysburg declare against the government that has won its noblest victory there?"

G. W. Curtis writes in Harper's Weekly: Vermont has just elected a loyal Governor ; a Senste unanimously'loyal, and a House which counts only some dozen members who are opposed to the war. Vermont supports unconditionally and overwhelmingly the policy of the Government. Doer anybody believe that the great safeguards of civil liberty are endangered in Vermont, because she did not elect friends of Davis and Toombs to be her Governor and legislators? Does anybody believe that those safeguards will be more secure in Ohio than in Vermont, if Vallandigham should be chosen Governor of Ohio? Does anybody believe that the rights of citizens or legitimate State rights are in any greater peril in Vermont, where a Copperhead is not Governor, than they are in New York where Seymour is? Are the principles of the Govcrament and the Constitution any less safe in the State of Vermont than they are in Kentucky? If r recy loyal State followed the example of Vermont would a single lover of the Union and the Governman regret the result?

The grand Union Mass Meeting at Pitts-Jurg on the 16th was a most remarkable demonstraon. The vast area of the West Common was filled with the loyal people of Allegheny, while the thoroughfares leading to the place were crowded. Robert Woods, Esq., a well-known lawyer of Pittsburg, and a prominent Democrat for many years presided. A large number of vice presidents and secretaries was chosen, many of them leading Democrats in former days, who were loudly cheered on taking their seats. Speeches were made by Governor Morton, of Indiana, Governor Curtin, Mr. Matthews, of Maryland, and others. They were replete with patriotism and loyalty, and frequently interrupted by the plaudits of the excited multitude. Capt. Gibner, of the 140th Pennsylvania Regiment, read an address signed by fifty-eight offivers stationed at Camp Copeland, invoking the loyalty of the people in support of the State and tieneral Administrations in its efforts to conquer a peace, Resolutions were unanimously adopted declaring it the solemn duty of every patriot having at his beart the welfare of our beloved country to cust his vote for the men only who stand pledged to an unfaltering support of the National Government and recommending Andrew G. Gurtin and Daniel Agnew as the true standard beaters of the loyalists Pennsylvania,
