HOOFLAND'S GERMAN BITTERS!

From Rev. J. Newton Brown, D. D., Editor of the Energelopedia of Religious Knowledge.
Although not disposed to far or or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.
I do this the more readily in regard to Hoofland's German Bilters, prepared by Dr. C. M. Jackson, of this city, because I was prejudleed against them for many years, under the impression that they were chiedly an alcoholic mixture. I am indebted to may friend, Robert Shoemaker, Esq., for the removal of this prejudice by propor tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bilters, at the beginning of the present year, was followed by orident relief, and restoration to a degree of bodily and mental vigor which I had not felf for six months before, and dalmost despaired for directing me to the use of them.

AND THE FRIENDS OF SOLDIERS: We call the attention of all having relations or triends in the army to the fact that "Hoofand's German Bitters" will cure nine-tenths of the disea-ses induced by exposures and privations incident to camp life. In the lists published almost daily in the newspapers, on the arrival of the sick, it will be tound that a very large proportion are suffering irom debility. Avery case of that kind can be rea-dily cured by Hoofland's German Bitters. (Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in sta-ting that, if these Bitters were freely used among onr soldiers, hundreds of lives might be saved that will otherwise be lost.

ATTENTION, SOLDIERS!

ting that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that will otherwise be lost. We call particular attention to the following re-markable and well authenticated enree of one of the mation's hero's, whose life, to use his own language, "has been saved by the Bitters:" *PHIA* DELBHIA, August 23, 1862. *Messre, Jones & Evans.*-Well, gentlemen, your 'Hoofand's Gorman Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are append-ed, and who were fully cognizant of all the circum-stances of my case. I am, and have been for the last four y cars, a member of Sherman's celebrated Bat-tery, and under, the immediate command of Capt. R. B. Ayres. Through the exposure attendant up-on my ardiacous duties, I was attacked in November last with inflammation of the lungs, and was for 72 days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I to this oity on board the steamer "State of Maine." from which I landed on the 28th of June. Since that time I have been about as low as any one could be and still rotain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was immediate-ly thrown up again. I could not even keep a glass of water on my sto-

or more I was scarcely able to svallow anything, and if I did force a morsel down, it was immediate-ly thrown up again. I could not even keep a glass of water on my sto-mach. Life could not last under these circumstan-ces, and, accordingly, the physicians, who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told and the grasp of the dread Archer, frankly told ince they could do no more for me, and advised me to see a clergymu, and to make such disposition of my limited funds as best suited me. An arquaint-ance who ' sited me at the hospital, Mr. Frederick Steinbron, of Sixth below Arch Street, advised me, us a forform hope, to try your Bitters, and kindly procured a bottle. From the time I commenced ta-king them the gloomy shadow of death receded, and I am now, thank God for it, getting better. Though I have taken but two bottles, I have gained ten, pounds, and I feel sarguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months: for, gentlemen I ana loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the cer-tainty of life which has taken the -place of vague fears-to your Bitters will I owe the privilege of again clasping to my bosom those who are doarest to mo in life.
