UNIVERSAL CLOTHES WRIN-

UNIVERSAL CLOTHES WRINGER: UNIVERSAL CLOTHES WRINGER:

"A child can readily wring out a tubfull of clothes in a few minutes. It is in reality a cLOTHES SAVER! A TIME SAVER! And a STRENGTH SAVER! The saving of garments will alone pay a large per centage on its cost. We think the machine much more than PAYS FOR ITSELF EVERY YEAR in the saving of garments! There are several kinds, nearly alike in general construction, but we consider it important that the Wringer be fitted with Cogs, otherwise a mass of garments may clog the rollers, and the rollers upon the crank-shaft slip and tear the clothes, or the rubber break loose from the shaft. Our own is one of the first make, and it is as GOOD AS NEW after nearly FOUR YEARS' CONSTANT USE.

Every Wringer with Cog Wheels is Warranted in every particular. No Wringer can be durable without Cog-Wheels.
