HOOFLAND'S GERMAN BITTERS!!

From Rev. J. Neuton Brown, D. D., Editor of the Encyclopedia of Iclipious Knowledge.
Although not disposed to havoror recommend Patent Medicines in general, through distrust of their ingredients and effects. I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.
I do this the more recailing in regard to Hoofland's German Bitters, propared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and forencouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evideut relief, and restoration to a degree of bodily and mental vigor which I had net felt for six months before, and had almost despnired of regaining. I therefore thank 60 and my friend for directing me to the use of them. J. NEWTON BROWN.

Induced by the extensive sale and universal pop-ularity of Hoofland's German Bitters (purely vege-table), hosts of ignorant Quacks and uncertapulous adventurers have opened upon suffering humanity the flood-gates of Nostrums, in the shape of poor whisker, vilely compounded with injurious drugs! and christened Tonics, Stomachics and Bitters. Beware of the innumerable array of Alcoholic preparations, in plethoric bottles, and bits-bellied kegs, under the modest appellation of Bitters, which instead of cuting, only aggravate disease, and leave the disappointed sufferer in despair. **FRANKLIN HOTEL**—West side of the Public Square. ATTENTION, SOLDIERS! AND THE FRIENDS OF SOLDIERS!

PARTICULAR NOTICE. There are many prefarations sold under the name of Bitters, put up in quark bottles, compounded of the cheupest whiskey or common rum, costing from 20 to 40 cents per gallon, the taste disfused by Anise or Co-riander Seed. This class of Bitters has enused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcoholic Simulants of the worst kind, the desire for Liquor is created and kept up, stud the result is all the horrors attendant upon a drunkard's life and death. For those who desire and WILL HAVE a Liquor Bitters, we publish the following receipt, Get ONF BOTTLE HOOFLAND'S GERMAN BITTERS and mix with THREE QUARTS OF GOOD BILAN-DY OR WHISKEY, and the result will be a prepa-ration that will far excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of HOOFLAND'S BITTERS in con-nection with a good article of Liquor, at a much less price than these inferior preparations will cost you.

ATTENTION, SOLDIERS! AND THE - FRIENDS OF SOLDIERS! We call the attention of all having relations or friends in the army to the fact that "Hoodmad's Gorman Bitters" will cure nice-tenths of the disea-ses induced by exposures and privations incident to camp life. In the lists published almost daily in the newspapers, on the arrival of the sick, it will be from dehilty. Every case of that kind can be rea-cily oured by Hoodmad's German Bitters. Diseases resulting from disorders of the digestive organs are specify removed. We have no hesitation in sta-ting that, if these Bitters were freely used among our oldiers, hundreds of lives might be saved that will otherwise be lost. - We call particular attention to the following re-matschle and well auchtaticated cure of one of the nation's hero's, whose life, to use his own language. - Mas been saved by the Bitters.
