POLITICAL ITEMS.

- Amos T. Bisel is an independent Union candidate for Assembly in Northumberland county. By voting for Curtin, a man endorses the

doctrine of free suffrage, and the right of soldiers to vote. By voting for Curtin, a man shows a dis-

position to sustain the government in its struggles fer self-preservation.

By voting for Curtin a man shows his disposition to uphold the Constitution and Union now repudiated by the Slave States.

"We hear it said, let South Carolina.go out of the Union peaceably. I my let her go peaceably, if she go at all."-Geo. W. Woodward.

Gen. E. B. Tyler, of Ohio, a life-long Democrat, who commanded the brigade of which the 126th Penna. Vols. formed a part, is stumping for Curtin and Agnew.

By voting for Woodward, a man endorses rebellion and seeks to cubarrass a government struggling to conquer a peace by the establishment of its own auchority.

-A Western exchange says the, "the difference between a copperhead and a rebel ram, is that one goes for the Union with an if, the other goes against the Union with a but."

The largest political meeting ever held in northern Pennsylvania was convened at Scranton. It was addressed by Governor Curtin, Hon. G. A Grow, General Bruce, of New York, and others.

By voting for Curtin, a man secures three years of thrift and economy in the State Administration, by which millions of dollars were saved to the people of Pennsylvania within the last three years.

Patriots need not be long in doubt as to how they should vote. Let them ascertain which ticket Jeff. Davis and the rebels wish elected and role against that ticket. They will be sure to vote right.

A vote for Curtin will be a silent God-bless you to every war-worn soldier in the field. Would you cheer the hearts of our brave defenders, then vote for the "Soldier's Friend." Andrew Gregg Curtin.

The Pittsburg Commercial affirms that General McClellan, speaking of Pennsylvania politics, expressed himself anxious for the re-election of Gov. Curtin, and that, if in the State, he should speak and vote for him.

By voting for Woodward, a man encourages rebellion and thus forever impairs the security of all National liabilities, while he destroys every individual security which the free white men of the free States now possess.

By voting for Curtin, a man prepares the way to a lasting peace by proving our determination to wage an eternal war rather than surrender the nuthority of the National Government over an inch of the National domain.

'Michael Burke, long time a leading man among the Democratic Iri-hmen of Harrisburg, we see it stated, has resolved to support no man for office who would suit Jeff. Davis, and hence oppose Woodward and supports Curtin.

Jesse B. Crawford is the Democratic candidate for Assembly in Blair county. Major Raymond is also running as an independent candidate with the fourth of July and the American Eagle is This platform: Col. M'Murtrie will be elected by 1.000.

In the county of Lancaster nearly all the old D mocratic leaders are sustaining Curtin., with the exception of James Buchanan, who, to use the expression of the lamented H. A. Muhlenberg, of Berks county, "only joined the Democracy in order to destroy it.".

George H. Cutler, Esq., of Girard, a prominent Douglas Democrat, is actively engaged stumping Erie county for the Union State and County Tickets. He is a gentleman of decided ability and extensive influence, and he is doing good work for the Union cause.

d comfort to the States in rebellion, and Wood-ward has publicly declared that the Slave State-

The Unconditional Union Committee, of Maryland, in an address to the people say that the substance of Slavery is gond, and the sooner the skeleton is removed, the better it will be for the true interests of the State and nation." Well and bravely said! So sensible men are thinking all over the slave region of the South.

By voting for Woodward, a man accepts the decision made by him, that the defenders of a Government have no right to participale in its administration, and that the fact of service in the army or navy is the evidence of incompetency to exercise the right of the franchise and the proof positive that such citizens should be degraded to the level of a slave.

David B. Montgomery, of Northumberland. received the nomination of the Copperheads for Senator of that district, at Danville, on the 11th ult. The Conferees of Snyder voted for Col. Henry C. Eyer, and those of Columbia county for Levi L. Tate. The name of Col. Ever was withdrawn on the 5th ballot. Hon. Geo. H. Willits, of Catawisso, is the Union candidate.

After half-a-century of almost absolute con trol of the Government, the Democratic party left it in the grasp of a sigantis rebellion. If there is any man in Pennsylvanin who wishes to restore the reins of power to such a party as that, he should vote for George W. Woodward. That is the question to be decided by the freemen of Pennsylvania on the 13th of October.

At a Union meeting in Allegheny county, he other day, Marcus W. Woodward, Esq., a talented young gentleman, and nephew of the Copper-head candidate for Governor, addressed the meeting. His speech was filled with the most convincing proof of his uncle's inconsistency, and he paid most glowing tribute to the character and proved the patriotism of Androw G. Curtin.

' Is it not an outrageous piece of impudence for the Democratic press to ask the people of Penn sylvania, after sending their bravest and best, thei athers, sons and brothers to the field to fight the battles, to desert them now when they ask for aid Yet this is what they do when they ask us to suppo Woodward and Lowrie, who oppose the draft neu essary for the reinforcement of our armies.

The people in the following States will hold elections on the dutes opposite to their names:

Pennsylvania. Oet. ąchusetts.... Massachus New York Marvland Nov. sconsin Delaware.

lowa West Virginia..... Will somebody explain to us why the law of 1839, permitting soldiers to vote, was not declare unconstitutional at the time the Mexican volup

teers were voting? Was it because they were fight. ing in the interest of slavery, and so ontitled to on oy peculiar privileges? Was the constitutionali of that law ever questioned until the army vore 1861 revealed the significant fact that five-sixths the soldiers were Republicans? It was never quetioned until then.

General John Cochrane tells the Democra cy of New York that "until the rebels against the people and their Government cease from molesting he will unite with any and all to compell thein t lay down their arms." These are the words of strict Democrat-a supporter, of Johd C. Brockin ridge-and who remained by the organization unti it became part of the rebel conspiracy. No Demo: rat can refuse to accept a sentiment so plainly un holdly expressed.

In an address delivered on Wednesday, a Williamsport, Penna., the Hon. Wm. D. Kelley re counted the circumstance of Judge Woodward having, previous to the rebellion, in the Suprem ourt-room, declared that "if a separation shoul take place between the north and south, he woul prefer that the line should be drawn north . Pennsylvania." Mr. Kelly gave the names of sev eral gentlemen of high position who heard Mr Woodward make use of the expression abov uoted.

Since the war began Andrew G. Curtit has made regular visits to all the camps of th Pennsylvania troops. After every battle it was his pleasure as it was his duty, to go forth to encourage the living, to soothe the sufferings of the wounded and to contribute to the burial of the dead. Who has ever heard of Judge Woodward visiting th By voting for Woodward, a man gives aid | army? Holding the sentiments that he does, i fivor of secession and against allowing U

The Democrats of Montgomery have renominated Geo. W. Wimley, Hiram C. Hoover and Joseph Rex for Assembly. Rex declared in an officisl report to the Legislature that the charges, against Gov. Curtin about shoddy and defrauding soldiers generally were untrue.

Every thorough Democratic statesman yet living is now in favor of the Union party, and, therefore, in favor of Andrew G. Curtin-Lewis Cass, Daniel S. Dickinson, George Bancroft, David Tod, John Brough, A. C. Dodge, Francis Thomas, Jos. A. Wright, Joseph Holt, and hundreds of others,

"And thus it happens that the providence of that Good Being who has watched over us from the beginning, and saved us from external foes, has so ordered our internal relations as to make negro slavery an' incalculable blessing to us and to the people of Great Britain."-Geo. W. Woodward.

Admiral Faragut attended and delivered a short speech at an immense Union demonstration convened in the Cooper Institute, New York city, on Weinesday evening last. All the great army , and naval heroes are on the s.de of the Union and against the Copperheads in the present political crisis.

In one breath the Democrats deny that the Boldiers are for Cartin, proclaiming that they are 'for Woodward, and in the next the tories insist that the heroes who are fighting out the redemption of the nation from rebellion are not entitled to a "wote." This is a very generous style of treating ¹ riends.

A newspaper, called the Spectator, printed 'in the German Isnguage, and published in Brie. has taken down the names of Woodward and Lowrie, and ranged itself under the banner of Curtin and Agnew. So goes the campaign, and from every quarter we hear similar words of comfort and encouragement.

When the war broke out in 1861 it was common for the the Democrats to allege that nine - feaths of the troops were Democrats. The same inen are now opposed ta allowing the soldiers of the army to cast their votes. They must see that in the mearts of their friends there has been a marvelous conversion.

By voting for Woodward, a man seeks the inauguration of an administration that will oppose the National Government, and place Pennsylvania in alliance with the Confederate States, thus making the Keystone of the Federal Arch the means, pracically and eternally, to sever the States of the American Union.

Who do Jeff. Davis and his followers wish elected Governor of Pennsylvania, and who would and will they assist to the atmost of their ability? deorge W. Woodward, undoubtedly. And who do they desire to see defeated, and even threaten to desteat by invading Pennsylvania about election time? Andrew G. Curtin.

The Bucks County Intelligencer says: "Among the distinguished Democrats whohave arrayed themselves on the side of the Union in the pending contest, and have expressed a determination tion to vote for the re-slection of Governor Cartin. the name of Hon. George M. Dallas, of Philadelphia, has been mentioned."

diers to vote, such a visit might be dangerous to hi bodily health. Since the beginning of the present year

elections have been held in the States of New Hampshire, Connecticut, Kentucky, California, and Maine, and in all of them the Union ticket way victorious. The popular majority in each is a;

Total Hon. John Cessna, of Bedford, a life-long Democrat, and a prominent candidate for the nomination of Governor at the late Democratic Conven tion has come out for the Union ticket, this wi' send dismay into the hearts of the Democrac throughout the State, for as goos John Cessna swill go thousands of honest Democrats who hav ooked upon him as an exponent of their principles. Mr. Oessna was speaker of the Pennsylvania Senatz last winter, and filled that office with great impartiality and ability, and has been for man years recognized as one of the ablest men in the Democratic Party.
