Madame Porter's Curative Balsam has long tested the truth that there are first principles in Medicine as there is in Science, and this Medicine is compounded on principles suited to the manifold nature of Man. The cure of Colds is in keeping open the pores, and creating a gentle internal warmth, and this is caused *by the use of this Medicine.* Its remedial qualities are based on its power to assist the healthy and vigorous circulation of blood through the lungs, it enlivens the muscles and assists the skin to perform its duties of regulating the heat of the system, and in gently throwing off the waste substance from the surface of the body. It is not a violent remedy, but emollient, warming, searching and effective. Sold by all druggist at 13, and 25 cents per bottle. [july 22.

Card to the Suffering,—The Rev. William Cosgrove, while laboring as a missionary in Japan, was cured of Consumption when all *other means had failed* by a recipe obtained from a learned physician in the great city of Jeddo. This recipe has cured great numbers who were suffering from Consumption, Bronchitis, Sore Throat, Coughs and Colds, and the debility and nervous depression caused by these disorders.

Desirous of benefitting others, I will send this recipe, which I have brought home with me, to all who need it, free of charge. Address Rev. WM. COSGROVE,

George Steck & Co's Pianos.—CRESSON SPRINGS, Aug. 1863.—Mr J. E. GOULD, Seventh and Chestnut streets, Philadelphia.—DEAR SIR:—Having had frequent opportunities of examining the Pianos made by Messrs. George Steck & Co., New York, during the past few years, in the practice of my profession as Tuner, I pronounce them the *most* perfect *instruments* I have ever seen.

In point of touch, equality, and *singing tone* they may defy comparison with any and all other makes, while in the upper two octave (treble notes) they are *incomparably* the finest I have any knowledge of.

A pure and powerful Tonic, corrective and alterative of wonderful efficacy in diseases of the

STOMACH, LIVER AND BOWELS.

Cures Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all Complaints of either Sex, arising from Bodily Weakness whether inherent in THE SYSTEM OR PRODUCED BY SPECIAL CAUSES.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of HOSTETTER'S STOMACH BITTERS. This popular preparation contains no mineral of any kind, no deadly botanical element: no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease, and, so far as the human system can be protected by human means, *against maladies engendered by an unwholesome atmosphere*, impure water and other external causes, HOSTETTER'S BITTER'S may be relied on as a safeguard.

In districts infested with FEVER AND AGUE, it has been found infallible as a preventive and irresistible as a remedy, and *thousands who resort to it* under apprehension of an attack, escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being plied with quinine *for months in vain*, until fairly saturated with that dangerous alkaloid, are not unfrequently restored to health within a few days by the use of HOSTETTER'S BITTERS.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of DISPEPSIA and in less confirmed forms of INDIGESTION. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the CONSTIPATION superinduced by irregular action of the digestive and secretive organs.

Persons of feeble habit, liable to NERVOUS ATTACKS, LOWNESS OF SPIRITS and FITS OF LANQUOR, find prompt and permanent relief from the Bitters.—The testimony on this point is most conclusive, and from both sexes.

The agony of BILOUS COLIC is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.

As a General Tonic HOSTETTER'S BITTERS produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of CONSTITUTIONAL WEAKNESS, PREMATURE DECAY and DEBILITY and DECREPITUDE arising from OLD AGE, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-establish them.

Last, but not least, it is THE ONLY SAFE STIMULANT, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day.

No family medicine has been so universally, and, may be truly added, *deservedly* popular with the intelligent portion of the community, as HOSTETTER'S BITTERS.
