Medical.

BALTIMORE LOCK HOSPITAL

DR. JOHNSON, of the undersigned of this Celebrated Institution, offers to the public, certain, speedy, and only effectual remedy in the world for Gleet, Stricture, Seminal Weakness, Pain in the Loins, Gonorrhoea, Debility, Impotence, etc. in the male sex. Also, Affections of the Kidneys, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Diseases of the Head, Throat, Nose or Ears; and all those serious and melancholy disorders which result from the destructive habits of Youth, which destroy both body and mind. These secret and solitary diseases are more fatal to their victims than the rage of the Syphilis, the mariner's Ulysses, or the most brilliant hopes, or anticipations regarding marriage, &c. impossible.

YOUNG MEN. Young Men especially, who have become the victims of a Gleet, or of a Stricture, and of a nervous debility which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant prospects, who might otherwise have entered the Senate with the thousands of eloquence, or walked to glory the living life; may call with full confidence.

MARRIAGE! Married persons, or young men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should immediately consult Dr. Johnson who will place himself under the care of Dr. Johnson and rely upon his skill as a physician.

ORGANIC WEAKNESS! IMMEDIATELY CURED AND FULLY RESTORED. This disease is the penalty most frequently paid by those who have become the victims of improper indulgence in the use of the passions. The system is deranged from not using a cure of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of Procreation is at the source of the falling into improper habits, by the practice. Besides being deprived of the pleasure of healthy offspring, the most serious and destructive sympathy to mind and body ensues. The system is deranged, the physical and mental powers weakened, nervous debility, dyspepsia, palpitation of the heart, indigestion, a wasting of the frame, cough, symptoms of consumption.

A CURE WARRANTED IN TWO DAYS. Dr. J. H. SCHENCK, No. 7 South Frederick Street, seven doors from Baltimore street, East side, up the steps. Be particular in observing the name and number of the street.

DR. J. H. SCHENCK, Member of the Royal College of Surgeons, London, and one of the most distinguished Physicians of the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most important cures that have ever taken place, and has established with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended sometimes with derangement of mind, were cured immediately.

A CERTAIN DISEASE! When the misguided and imprudent votary of pleasure finds he has imbibed the seeds of this painful disease, it too often happens that an ill-timed sense of shame, or dread of discovery, detours him from applying to those who from education and real science can alone befriend him, delaying till the constitutional symptoms of this horrid disease make their appearance, such as a general morbidness, nervous debility, pain in the head and limbs, dimness of sight, deafness, sore on the skin, bones and arms, blotches on the face, feet, and extremities, progressing with frightful rapidity, till at last the patient, in the agony of his disease, becomes a horrid object of commiseration, till death puts a period to his dreadful sufferings, by sending him to that bourne from whence no traveler returns. To such characters, Dr. Johnson pledges himself to preserve the most inviolable secrecy; and from his extensive practice in the first Hospitals of Europe and America, he can confidently recommend a safe and effectual cure to the unfortunate victim of this horrid disease.

It is a melancholy fact that thousands fall victims to this horrid disease, who, by the use of the most ignorant pretenders who by the use of that dreadful poison, mercury, ruin the constitution, and either send the unfortunate to an untimely grave, or make the residue of life miserable.

TAKE PARTICULAR NOTICE! Dr. J. H. SCHENCK has a large Set of Rooms at No. 22 BOND STREET, NEW YORK, where he can be found every Tuesday, from 9 A. M. to 3 P. M., and No. 39 NORTH NINTH STREET, PHILADELPHIA, Pa., every Saturday.
