NOT ALCOHOLIC.
A HIGHLY CONCENTRATED VEGETABLE EXTRACT. A PURE TONIC.

DR. HOOFLAND'S GERMAN BITTERS,

Prepared by
DR. C. M. Jackson, Philadelphia, Pa.,
Will effectually cure

LIVER COMPLAINT, DYSPEPSIA,
JAUNDICE, CHRONIC OR NERVOUS DEBILITY,

Diseases of the Kidneys, and all diseases arising from a disordered Liver or Stomach.

Such as Constipation, Inward Piles, Fullness or Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture. Dimness of Vision, Dots or Webs before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and great Depression of Spirits.

And will positively prevent *Yellow Fever, Bilious Fever*, &c. They contain no ALCOHOL OR BAD WHISKEY! They will cure the above diseases in ninety-nine cases out of a hundred.

Induced by the extensive sale and universal popularity of Hoofland's German Bitters (purely vegetable), hosts of ignorant Quacks and unscrupulous adventurers have opened upon suffering humanity the flood-gates of Nostrums, in the shape of poor whiskey, vilely compounded with injurious drugs, and christened Tonics, Stomachics and Bitters.

Beware of the innumerable array of Alcoholic preparations, in plethoric bottles and big-bellied kegs, under the modest appellation of Bitters, which instead of curing, only aggravate disease, and leave the disappointed sufferer in despair.

HOOFLAND'S GERMAN BITTERS!

Are not a new and untried article, but have stood the test of fifteen years' trial by the American public; and their reputation and sale are not rivalled by any similar preparation.

The proprietors have thousands of Letters from the most eminent CLERGYMEN, LAWYERS, PHYSICIANS AND CITIZENS, testifying of their own personal knowledge to the beneficial effects and medical virtues of these Bitters.

Do you want something to strengthen you?
Do you want a good appetite?
Do you want to build up your Constitution?
Do you want to feel well?
Do you want to get rid of Nervousness?
Do you want Energy?
Do you want to sleep well?
Do you want a brisk and vigorous feeling?
If you do, use

HOOFLAND'S GERMAN BITTERS!!

From Rev J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city; because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN.

Philadelphia, June 23, 1861.

PARTICULAR NOTICE.

There are many preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest whiskey or common rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed.

This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcohol. Stimulation of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and WILL HAVE a Liquor Bitters, we publish the following receipt. Get ONE BOTTLE HOOFLAND'S GERMAN BITTERS and mix with THREE QUARTS OF GOOD BRANDY OR WHISKEY, and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of HOOFLAND'S BITTERS in connection with a good article of Liquor, at a much less price than these inferior preparations will cost you.

ATTENTION, SOLDIERS!

AND THE FRIENDS OF SOLDIERS!

We call the attention of all having relations or friends in the army to the fact that "Hoofland's German Bitters" will cure nine-tenths of the diseases induced by exposures and privations incident to camp life. In the lists published almost daily in the newspapers, on the arrival of the sick, it will be found that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that will otherwise be lost.

We call particular attention to the following remarkable and well authenticated cure of one of the nation's hero's, whose life, to use his own language, "has been saved by the Bitters:"

PHILADELPHIA, August 23, 1862.

Messrs. Jones & Evans.—Well, gentlemen, your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated Battery, and under the immediate command of Capt. R. B. Ayres. Through the exposure attendant upon my arduous duties, I was attacked in November last with inflammation of the lungs, and was for 72 days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the steamer "State of Maine," from which I landed on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I *did* force a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances, and, accordingly, the physicians, who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinbron, of Sixth below Arch Street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now, thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months; for, gentlemen I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken the place of vague fears—to your Bitters will I owe the privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours, ISAAC MALONE.

We fully concur in the truth of the above statement, as we had despaired of seeing our comrade, Mr. Malone, restored to health.

HOSTETTER'S
CELEBRATED
STOMACH BITTERS.

A pure and powerful Tonic, corrective and alterative of wonderful efficacy in diseases of the

STOMACH, LIVER AND BOWELS.

Cures Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all Complaints of either Sex, arising from Bodily Weakness whether inherent in THE SYSTEM OR PRODUCED BY SPECIAL CAUSES.

Persons of feeble habit, liable to NERVOUS ATTACKS LOWNESS OF SPIRITS and FITS OF LANGUOR, find prompt and permanent relief from the Bitters.—The testimony on this point is most conclusive, and from both sexes

The agony of BILOUS COLIC is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it, the return of the complaint may be prevented.

As a General Tonic HOSTETTER'S BITTERS produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of CONSTITUTIONAL WEAKNESS, PREMATURE DECAY and DEBILITY and DECREPITUDE arising from OLD AGE, it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-establish them.

Last, but not least, it is THE ONLY SAFE STIMULANT, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day.

No family medicine has been so universally, and, it may be truly added, *deservedly* popular with the intelligent portion of the community, as HOSTETTER'S BITTERS.
