THE OPPOSITION DEMORALIZED.

Attempt of the Clerk to Defeat the Union Organization.

CHEERING NEWS FROM KNOXVILLE.

Special Dispatch to the Repository.

WASHINGTON, Dec. 7.

The Senate organized at 12. The credentials of new Senators were presented, when Mr. Davis, of Ky., objected to the admission of the West Virginia Senators; but finding but five members to sustain him, he finally moved that they be sworn. They were qualified.

Mr. Lane, Ind., gave notice of a bill to repeal the $300 feature of the Conscription bill, and to increase the pay of volunteers one-third.

The House was called to order at 12 by Mr. Etheridge, the Clerk, and he omitted from the roll the members from Maryland, Virginia, West Virginia, Oregon, Wisconsin and Kansas. This would have given the opponents of the Administration a majority and enabled them to organize the House.

Mr. Stevens, (Pa.,) called for the reading of the list of Members, and Mr. Dawes, (Mass.,) moved to place the names of the Maryland members on the roll. Mr. Allen, (Ill.,) moved to lay the motion on the table—lost 74 to 94. This decisive vote broke up the Copperhead conspiracy, and the opposition broke up into fragments. The names of all the regularly elected members were placed on the list, without further opposition, and Schuyler Colfax, of Ind., was elected Speaker by 101 votes to 42 for Cox of Ohio, 12 for Dawson, of Pa. and 26 scattering.

The credentials of the Louisiana members were referred to a committee on motion of Mr. Stevens.

Hon. Edward M'Pherson Elected Clerk of Congress.

WASHINGTON, Dec. 8.

Hon. Edward M'Pherson, of Pa., has been elected Clerk of Congress, receiving 101 votes to 69 for Mr. Etheridge, of Tenn. Mr. McPherson was qualified and entered upon his duties. The Pennsylvania delegation are highly gratified at his success.

The Army of the Potomac—Rumored Appointment of Gen. Pleasanton to the Command in Place of Gen. Meade.

WASHINGTON, Dec. 8.

Rumors prevail which are generally credited, but as yet unconfirmed, that General Pleasanton has been appointed to command the Army of the Potomac. It is also stated that Gens. Sedgwick and Warren were previously tendered the appointment, but declined.

Advices from the Army of the Potomac up to last night report all quiet along the lines. The troops are working like bees on their camps, to make themselves comfortable during the coming cold weather.

Longstreet Retreating from Knoxville—Foster and Sherman Pursuing.

WASHINGTON, Dec. 7, 1863.

At last the long suspense in regard to Burnsides position is at an end—Gen. Foster telegraphed from Teasville, Tenn., last evening that Longstreet was in full retreat up the Valley and that his cavalry was pushing him closely.

Gen. Sherman arrived at Knoxville on Sunday evening—Longstreet raised the siege of Knoxville on the night of the 4th inst., retreating towards Bristol. His retreat is on both banks of the Holston river—Foster following him on the South, and Sherman on the North bank.

President's Proclamation.

WASHINGTON, Dec. 7, 1863.

The President has issued a recommendation to all loyal people to assemble in their various places of worship to render thanks to God that the rebels have retreated from East Tennessee, under circumstances, which render it improbable that they can ever again enter that portion of the Union. This is the first official information which has been received of Longstreet's retreat.

Rebel Prisoners.

CINCINNATI, Dec. 8.

2,180 Chattanooga rebel prisoners passed through Indianapolis yesterday for Rock Island; 1,200 more are expected to day, and 181 rebel officers, probably from Breckinridge's command, are on their way to Johnson's Island.

The President's Message.

☞ READ WHO SAYS SO: ☜

From the Rev. Levi G. Beck, Pastor of the Baptist Church, Pemberton, N. J., formerly of the North Baptist Church, Philadelphia:

* * * I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family, and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended, to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is "not a rum drink."

Yours truly, LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge and Christian Chronicle, Philadelphia.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN, Philada.

From the Rev. Jos. H. Kennard, Pastor of the 10th Baptist Church.

Dr. Jackson:—Dear Sir: I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, *for general debility of the system and especially for Liver Complaint, it is a safe and valuable preparation.* In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above cause.

Yours very respectfully, J. H. KENNARD. Eighth below Coates Street, Philadelphia.

From Rev. Warren Randolph, Pastor of Baptist Church, Germantown, Penna.

Dr. C. M. Jackson:—Dear Sir: Personal experience enables me to say that I regard the German Bitters prepared by you as a most excellent medicine. In cases of severe cold and general debility I have been greatly benefitted by the use of the Bitters, and doubt not they will produce similar effects on others. Yours truly, WARREN RANDOLPH, Germantown, Pa.

From Rev. J. H. Turner, Pastor of Hedding M. E. Church, Philadelphia.

Dr. Jackson:—Dear Sir: Having used your German Bitters in my family frequently I am prepared to say that it has been of great service. I believe that in most cases of general debility of the system it is the safest and most valuable remedy of which I have any knowledge. Yours respectfully, J. H. TURNER, 726 N. 19th Street.

From the Rev. J. M. Lyons, former Pastor of the Columbus (N. J.) and Millerstown (Penna.) Baptist Churches.

NEW ROCHELLE, N. Y.

Dr. C. M. Jackson:—Dear Sir: I feel it a pleasure thus, of my own accord, to bear testimony to the excellence of the German Bitters. Some years since being much afflicted with Dyspepsia, I used them with very beneficial results. I have often recommended them to persons enfeebled by that tormenting disease, and have heard from them the most flattering testimonials as to their great value. In cases of general debility, I believe it to be a tonic that cannot be surpassed. J. M. LYONS.

From the Rev. Thomas Winter, Pastor of Roxborough Baptist Church.

Dr. Jackson:—Dear Sir: I feel it due to your excellent preparation, Hoofland's German Bitters, to add my testimony to the deserved reputation it has obtained. I have for years at times been troubled with great disorder in my head and nervous system. I was advised by a friend to try a bottle of your German Bitters. I did so, and have experienced great and unexpected relief; my health has been very materially benefitted. I confidently recommend the article where I meet with cases similar to my own, and have been assured by many of their good effects. Respectfully yours, T. WINTER, Roxborough, Pa.

From the Rev. J. S. Herman, of the German Reformed Church, Kutztown, Berks county, Pa.

Dr. C. M. Jackson:—Respected Sir: I have been troubled with Dyspepsia nearly twenty years, and have never used any medicine that did me as much good as Hoofland's Bitters. I am very much improved in health, after having taken five bottles. Yours with respect, J. S. HERMAN.

FOUTZ'S CELEBRATED HORSE AND CATTLE POWDERS.—These Powders have proved, after a trial of several years, to be superior to any preparation of the kind used. The chief superiority of these Powders arise from the fact that they are composed of Medicines that have Laxative, Tonic and Purifying properties. The Laxative ejected crudities from the stomach and intestines; the Tonic gives strength to the system of the Horse; and the purifying medicines contained in them cleanse the blood, and lay the foundation for a healthy and vigorous circulation. The use of them improves the wind, strengthens the appetite and gives the horse a fine, smooth and glossy skin—thus improving the appearance, vigor and spirit of the noble animal.

These Powders are not intended, as most powders are, to bloat the animal, so as to give him the appearance of being fat when not really so—but to remove the disease and promote his general health.

These Powders will strengthen the stomach and intestines, cleanse them from offensive matter and bring them to a healthy state. They are a prevention of Lung Fever, and a certain remedy for all diseases incident to the Horse, as Glanders, Yellow Water, Distemper Founders, Heaves, Slavering, Coughs, Fevers, Loss of Appetite, and Vital Energy, &c. These Powders if used two or three times a week, through the winter and spring, your Horse will never get the Lung Fever, Colic or Botts. A few doses of these powders will remove the worst Cough on any Horse. Were owners of Horses to feed a few of these Powders every year they might save the lives of many valuable Horses.

MILCH COWS.—The properties this Powder possesses in increasing the quantity of milk in Cows, gives it an importance and value which should place it in the hands of every person keeping a Cow.—In fattening Cattle, it gives them an appetite, loosens their hide, and makes them thrive much faster.

HOGS.—In all diseases of Swine, as Coughs, Ulcers in the Lungs and Liver, &c., by putting from half a paper to a paper of these Powders in a barrel of swill, the above disease can be cured or entirely prevented. By using these powders the Hog Cholera can be prevented. Prepared by S. A. FOUTZ & BRO., Westminster, Md.
