field. He was ordered to hold the position, and at 10 P. M. the 6th Corps set out to occupy it. We have not yet heard from Wright or Gen. Sheridan this morning, and do not know whether the former got his troops to their destination.—Smith must be closed upon Wright's column.

This morning the enemy are also moving a heavy column in the same direction. The order has just gone to Warren to fall upon their flank.

Wilson had a fight last evening, near Hanover Court House, with Young's brigade of cavalry. He routed Young, killing and capturing many, but there has been a good deal of artillery firing in that direction this morning.

Warren reported last night that in his fight of Monday afternoon, near Bethesda Church, Col. Tyrrell 13th Virginia, and Col. Williss, commanding Pegram's brigade, killed. Col. Christian, 49th Pennsylvania, was wounded and captured, so was the Assistant Adjutant General of Ramsay's brigade, name not reported; ten other commissioned officers were also captured and seventy privates. Sixty Rebels were buried on the field.

In our centre, Burnside reports his advanced line as being this morning (1st) within a mile of Mechanicsville.

No other military intelligence has been received by this Department since yesterday.

The Fight at Cold Harbor on Wednesday Afternoon—Our Men Take and Hold the Rebel Works—Desperate but Fruitless Attempt of the Rebels to Recover their Loss.

WAR DEPARTMENT, WASHINGTON, June 2, 1864—2: 30 P. M.

To Maj. Gen. Dix:—A dispatch from Gen. Grant dated this morning, June 2, at Bethesda Church, 7 o'clock A. M., has just been received. It states that: "Yesterday afternoon an attack was ordered to be made on our left at Cold Harbor by the 6th Corps, and the troops under Smith, Warren, Burnside, and Hancock being held in readiness to advance in their respective fronts. The attack was made with spirit about 5 o'clock P. M., continuing until after dark, and resulting in our carrying the enemy's works on the right of the 6th Corps, where we still hold them, and also the first line in front of Smith. The latter, however, were commanded in the rear, which made those carried untenable. The enemy made repeated assaults, on each of the corps not engaged in the main assaults, but were repulsed with loss in every instance. Several hundred prisoners were taken, but I cannot say what number, nor estimate either our or the enemy's casualties.—During the night the enemy made several assaults to regain what they had lost, but failed."

No dispatches from any other quarter have reached the Department to-day.

The Battle of Tolopotomy Creek—A Battle Between Birney and Breckinridge—The Enemy Flee to the Woods—The Fight at the White House.

WASHINGTON, June 3.

A despatch from the Army of the Potomac, dated at 5 P. M. on Tuesday, says:—This morning Birney's Division advanced against a breastwork held by Breckinridge's Corps on the south side of the Tolopotomy Creek on a high eminence, a very strong position, and one which might have been easily held against a vastly superior force.

The enemy, after firing a round or two, and seeing our determination to take the place, evacuated and retreated to the woods.

Our loss was about twenty-five, and took fifty prisoners, mostly belonging to Breckinridge's command, some of whom said they were in the valley in the fight with Sigel, but did not fight as stubbornly as they did here.

Capt. Rouse, Sixteenth Massachusetts, and Adjutant Jackson, Second New York, were among the wounded this morning, the latter having his leg amputated.

The attempt made to turn our left last night and to cut us off from the White House, our new base of supplies was defeated, and with considerable loss on both sides.

No Fighting on Thursday—The Enemy Attacked on Friday Morning—Heavy Loss on Both Sides.

WASHINGTON, June 4—10 A. M.

To Maj, Gen. Dix, New York:

Despatches from Gen. Grant's headquarters dated at 3 o'clock yesterday afternoon have just been received.

No operations took place on Thursday.

Yesterday, at 4½ o'clock in the morning, Gen. Grant made an attack on the enemy's lines, of which he makes the following report:

"We assaulted at 4.30 o'clock this morning, driving the enemy within his entrenchments at all points, but without gaining any decisive advantage.

"Our troops now occupy a position close to the enemy—some places within fifty yards—and are remaining.

"Our loss was not severe, nor do I suppose the enemy to have lost heavily.

"We captured over 300 prisoners, mostly from Breckinridge."

Another later and official report, but not from Gen. Grant, estimates the number of our killed and wounded at about 3,000.

E. M. STANTON, Sec'y of War.

Great Battle on Friday Afternoon—The Rebels Repulsed—From Gen. Sherman.

WASHINGTON, June 5, 1 P. M.

To Maj. Gen. Dix, New York:—A despatch from Gen. Grant's headquarters, dated at half-past eight o'clock last night, has been received. It states that about seven P. M. yesterday, (Friday, June 3d,) the enemy suddenly attacked Smith's Brigade, of Gibbons' Division.—The battle lasted with great fury for half an hour, and the attack was unwaveringly repulsed.

Smith's losses were inconsiderable. At 6 P. M. Wilson, with his cavalry, fell upon the rear of a brigade of Heth's Division, which Lee had ordered around to his left, apparently with the intention of enveloping Burnside. After a sharp but short conflict Wilson drove them from their rifle-pits in confusion. He took a few prisoners. He had previously fought with and routed Gordon's Brigade of Rebel cavalry. During these fights he lost several officers, among them Col. Preston, First Vermont Cavalry, killed; Col. Benjamin, Eighth New York Cavalry, seriously wounded. Gen. Stannard, serving in the Eighteenth Corps, was severely wounded yesterday (Friday).

Our entire loss in killed, wounded and missing during the three days' operations around Cold Harbor will not exceed, according to the Adjutant General's report, 7,500. This morning (Saturday, June 4th) the enemy's left wing in front of Burnside was found to have been drawn in during the night. Col. Cressnola, in command of 5,000 men, arrived here yesterday having marched from Port Royal. Telegraphic communication between Cherrystone and Fortress Monroe continues interrupted.

A despatch from Gen. Sherman, dated yesterday, June 4th, 8 A. M., thirteen miles west of Marietta, reports that his left is now well around, covering all the roads from the south to the railroad about Ackworth. His cavalry has been in Ackworth and occupies in force all the Allatoona pass. No other military intelligence has been received by the Department.

E. M. STANTON, Sec'y of War.

Gen. Butler's Department—The Rebels Attack Butler's Left Wing and are Repulsed.

FORTRESS MONROE, June 2.

The steamer *John A. Warner*, from Bermuda Hundred, which she left at 4 o'clock, last evening, brings the following report:

At 7 o'clock the enemy attacked General Butler's left wing, and a spirited fight with musketry and artillery was kept up till 9 o'clock when the enemy were again repulsed.

Our loss was very slight, and the enemy's loss was not ascertained.

Thirty Rebel soldiers came into our lines this evening and surrendered.

Johnston Attacks Sherman on Tuesday, and is Repulsed After Three Hours of Fighting—Sherman Seizes the Railroad near Marietta—An Important Object Gained.

WASHINGTON, June 1.

Maj. Gen. Dix;—We have no intelligence this morning from Gen. Grant later than yesterday, at 6 A. M.

An unofficial dispatch, received here at 4 o'clock this morning, dated yesterday, 31st, at Kingston, reports that Maj. Hopkins, of Gen. Stoneman's staff, came from the front this afternoon; says "the Rebels attacked at 7½ this morning, and at 10 o'clock the affair was over, the enemy repulsed, and our left reached the railroad near Marietta." To accomplish this object for several days had been the purpose of Gen. Sherman's movements. Additional forces are reaching him and ample supplies.

E. M. STANTON, Sec'y of War.

Successful Movements of Sherman—No Further News from Grant.

WASHINGTON, June 3, 10 o'clock P. M.

To Maj. Gen. Dix:—A dispatch, dated yesterday, at 7.30 P. M, has this evening been received from Gen. Sherman.

He reports that on Wednesday, June 1st, McPherson moved up from Dallas to the point in front of the enemy at New Hope Church.

On Thursday, June 2d, Schofield and Hooker, having been shifted to the extreme left, pushed forward towards Marietta.

At the same time Stoneman and Garrard's cavalry were sent to Altoona Pass, which they reached and hold possession of.

These movements, the dispatch says, have secured that pass, which was considered a formidable one.

Movements are reported by the dispatch as in progress which are not now proper for publication.

Nothing has been heard from Gen. Grant since his dispatch at 7 o'clock yesterday morning. Telegraphic communication has been delayed by a violent storm on the peninsula yesterday evening and last night, and cannot be established before to-morrow.

MILITARY CLAIMS.—*To all whom it may concern.*—The undersigned Board of Appraisers appointed by the Court of Common Pleas of Dauphin County, (see act of 22d April, 1863,) to investigate the claims arising from the Stuart raid, the militia claims, and the Anderson Cavalry impressment claims, all occuring in the year 1862, in Southern border counties of Pennsylvania; have now so far as regards the Stuart raid claims concluded their labors; having returned cases to the number of four hundred and fifty (450) to the Honorable the above mentioned court. The Anderson Cavalry and Militia claims remain to be heard. But the same having both been reported upon by Commissioners appointed by His Excellecy Gov. Curtin. A law is now in the course of passage through the Legislature (having passed the House and being at present under consideration in the Senate) whereby the action of the said Commissioners shall be legalized if upon examination by the present Board the same shall be found to be just. The Legislative action will be determined at the adjourned session to be held in August next.

Now, therefore, this is to give notice to all persons having certificates of adjudicated claims under the Anderson Cavalry impressment and Militia damages, respectively, returned by Messrs. D. O. Gehr and Samuel Reisher in the Anderson Cavalry cases, and Messrs. W. H. M'Dowell and Chas. M. Burnett in the Militia cases aforesaid; that they deposit the said certificates with Messrs. M'Lellan & Kimmell, said Attorneys being duly authorized to receive and register the same for consideration by the said the undersigned Board of Appraisers, when the current legislation shall have been duly ascertained. Cases may be marked for appeal should such be the desire of any of the claimants, but appeals must be substantiated by the clearest evidence to be successful as confidence is entertained to a high degree by this Board in the justice and probity of the Commissioners before named. Should the legislative action prove to vary from what is anticipated, due notice will be given immediately after the adjournment of the Legislature, for the hearing of said claims in accordance with the statute aforesaid passed April 22d A. D., 1863.

U. S. 10-40 BONDS.—These Bonds are issued under the Act of Congress of March 8th, 1864, which provides that all Bonds issued under this Act shall be EXEMPT FROM TAXATION by or under any state or municipal authority. Subscriptions to these Bonds are received in United States notes or notes of National Banks. They are TO BE REDEEMED IN COIN, at the pleasure of the Government, at any period *not less than ten nor more than forty years* from their date, and until their redemption FIVE PER CENT. INTEREST WILL BE PAID IN COIN, on Bonds of not over one hundred dollars annually and all other Bonds semi-annually. The interest is payable on the first days of March and September in each year.

Subscribers will receive either Registered or Coupon Bonds, as they may prefer. Registered Bonds are recorded on the books of the U. S. Treasurer, and can be transferred only on the owner's order Coupon Bonds are payable to order, and are more convenient for commercial uses.

Subscribers to this loan will have the option of having their Bonds draw interest from March 1st, by paying the accrued interest in coin—(or in United States notes, or the notes of National Banks, adding fifty per cent. for premium,) or receive them drawing interest from the date of subscription and deposit. As these Bonds are

Exempt from Municipal or State Taxation,

their value is increased from one to three per cent. per annum, according to the rate of tax levies in various parts of the country.

At the present rate of premium on gold they pay

OVER EIGHT PER CENT. INTEREST

in currency, and are of equal convenience as a permanent and temporary investment.

It is believed that no securities offer so great inducements to lenders as the various descriptions of U. S. Bonds. In all other forms of indebtedness, the faith and ability of private parties or stock companies or separate communities only is pledged for payment, while for the debts of the United States the whole property of the country is holden to secure the payment of both principle and interest in coin.

These Bonds may be subscribed for in sums from $60 up to any magnitude, on the same terms, and are thus made equally available to the smallest lender and the largest capitalist. They can be converted into money at any moment, and the holder will have the benefit of the interest.

It may be useful to state in this connection that the total Funded Debt of the United States on which interest is payable in gold, on the 3d day of March, 1864, was $768,975,000. The interest on this debt for the coming fiscal year will be $45,937,126, while the customs revenue in gold for the current fiscal year ending June 30th, 1864, has been so far at the rate of over $100,000,000 per annum.

It will be seen that even the present gold revenues of the Government are largely in excess of the wants of the Treasury for the payment of gold interest, while the recent increase of the tariff will doubtless raise the annual receipts from customs on the same amount of importations, to $150,000,000 per annum.

Instructions to the National Banks acting as loan agents were not issued from the United States Treasury until March 25, but in the first three weeks of April the subscriptions averaged more than TEN MILLIONS A WEEK.

Subscriptions will be received by the,
First National Bank of Philadelphia, Pa.
Second National Bank of Philadelphia, Pa.
Third National Bank of Philadelphia, Pa.

AND BY ALL NATIONAL BANKS

which are depositaries of Public money, and all RESPECTABLE BANKS AND BANKERS throughout the country, (acting as agents of the National Depository Banks,) will furnish further information on application and.
