BALTIMORE LOCK HOSPITAL.

DR. JOHNSON, the founder of this Celebrated Institution, offers the most certain, speedy, and only effectual remedy in the world for Green Swell, Seminal Weakness, Pain in the Loins, Constitutional Debility, Impotence of the Testes, Gleet, Stricture, Inflammation of the Kidneys, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Diseases of the Head, Throat, Nose or Skin, and all other serious and morbid disorders arising from the destructive habits of Youth, which destroy both body and mind. These secret and solitary practices are now being practiced by every young man, and the manner of their cure is so simple, and so effectual, that the most advanced cases may be cured in a few days, and the patient restored to his former health and vigor.

Young Men especially who have become the victims of Solitary Vice, that dreadful destructive habit which is the cause of all the diseases of the young, and which has ruined the minds of the most exalted talents and brilliant intellects, who might otherwise have enriched the world with their discoveries, and secured for themselves the living laurels of fame, may call with full confidence.

MA R I A G E !

Married persons who are contemplating marriage being aware of physical weakness, organic debility, deformities, &c., should immediately consult Dr. Johnson. He will place his hands upon the heads of his patients, and will religiously consecrate in his honor as a gentleman, and will not receive any fee for his services.

ORGANIC WEAKNESS REMEDY CURED

AND FULLY RESTORED.

This disease is the most frequently paid by those who have been victims of Solitary Vice, and is the cause of all the diseases of the young, and which has ruined the minds of the most exalted talents and brilliant intellects, who might otherwise have enriched the world with their discoveries, and secured for themselves the living laurels of fame, may call with full confidence.

U. S. 7-30 LOAN!

By authority of the Secretary of the Treasury, the undersigned has assumed the General Subscription Agency for the sale of the United States Treasury Notes, bearing six and three tenths per cent. interest, per annum, known as the SEVEN-THIRTY LOAN.

These Notes are issued under date of June 15th, 1865, and are payable three years from that time, in currency, or are convertible at the option of the holder into U. S. 5-30 SIX PER CENT.

These bonds are worth a premium, which increases the actual profit on the 7-30 loan, and is exempt from State and municipal taxation, which adds from one to three per cent. more, according to the rate levied on such property. The interest is payable semi-annually by coupons attached to each note, which may be cut off and sold to any bank or banker.

The interest amounts to:

ONE CENT PER DAY ON A \$50 NOTE	\$100
TWO " " " " " " " " " "	" 200
THREE " " " " " " " " " "	" 300
FOUR " " " " " " " " " "	" 400
FIVE " " " " " " " " " "	" 500
SIX " " " " " " " " " "	" 600
SEVEN " " " " " " " " " "	" 700
EIGHT " " " " " " " " " "	" 800
NINE " " " " " " " " " "	" 900
TEN " " " " " " " " " "	" 1000

Notes of all the denominations named will be promptly furnished upon receipt of subscription, and the notes forwarded at once. The interest to 15th June next will be paid in advance. This is

THE ONLY LOAN IN MARKET now offered by the Government, and it is confidently expected that its superior advantages will make it the GREAT POPULAR LOAN OF THE PEOPLE.

Less than \$300.00 of the Loan authorized by the last Congress are now on the market. This amount at the rate at which it is being absorbed, will all be subscribed for within four months, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other Loans.

In order that citizens of every town and section of the country may be afforded facilities for taking the loan, the National Banks, State Banks and Private Bankers throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders.

JAY COOKE, Subscription Agent, Philadelphia.

Subscriptions will be received by the National Bank of Chambersburg, April 26th.

ABRAHAM LINCOLN ASSASSINATED GOOD FRIDAY, 1865.

"Forget him, for they know not what they do!" He said, and so went forth to his fate. Unknown to most, that generous heart and true. Even while he spoke the slayer lay in wait. And when the morning opened Heaven's gate, He passed the witness stand a nation's king. Hereforth all his actions were to last; They, in whose cause that arm he wielded, have murdered MERCY, when sword sheathed she wore. Mark, from the eastern to the western shore, The smallest breeze that blows, or the faintest sound, What words they murmur, or what they see, SO LET US SMITE, SUCH DEEDS SHALL BE NO MORE! April 15, 1865. EDWARD C. STEEDMAN.
