IODINE!
IODINE!
IODINE!
IODINE!
DR. H. ANDERS & CO'S
IODINE WATER!

Chemists and Physicians have long sought to dissolve Iodine, without a solvent, so it could be taken into the system in a *pure state*; knowing full well that if this could be done, they would have *an antidote for many diseases* now considered incurable.

After fifteen years of scientific research and experiment, this most important discovery was made by Dr. H. ANDERS, a German Chemist and Physician, and a member of the Medical Faculty of New York.

SARATOGA SPRINGS

Contain only a fraction of the quantity of Iodine there is in this preparation, yet the virtue of the water is due principally to this element.

Its effect upon the system is indeed wonderful HEREDITARY DISEASES, "born in the system," are eradicated by its use. CHRONIC DISEASES, no matter of how long standing, often yield to its subtle influence. Assimilating at once with the Blood, it *vitalizes and purifies* that vital fluid, *sending strength and vigor to all parts of the body.* The most wonderful success has followed its use, in all forms of disease originating in

RHEUMATISM,	FEVER AND AGUE, &c., &c.,

It has effected remarkable cures.

THE REV. GEO. STORRS, OF BROOKLYN, Editor of the *Bible Examiner*, publishes in that magazine the remarkable cure of his son by the use of Dr. Anders' Iodine Water, after all other remedies had been tried in vain. He says: "Gratitude to God, and a sense of obligation to Dr. Anders & Co., have made us insert the following:

"My only son, George F. Storrs, now thirty-seven years old, has been afflicted for some dozen years, more or less with painful swellings and inflammations in various parts of his body; oftentimes, seemingly, he was near to death; *then a respite for a season, but only for a return of the disease* with more violence. For the past three years he has had an open sore on his breast, and latterly one near his collar bone, with ulceration in his throat, that was rapidly increasing, so that dissolution appeared inevitable. In this condition he applied to DR. ANDERS & CO. By the use of the Iodine Water the ulceration in his throat disappeared in a short time. Continuing its use, in less than two months he was apparently healed, and his general health much improved." Mr. Storrs has since fully recovered.

This certificate IN FULL, and many others, with a treatise on the nature and uses of Iodine, will be sent FREE to any person sending us their name.

Price $1.00 per bottle, or 6 for $5.00. Sent by Express *to all parts of the country.*

TO DYSPEPTICS.—Having been afflicted for a number of years with Dyspepsia, I was advised to try DR. WISHART'S MEDICINE for that disease. I derived great benefit and recommended it to quite a number of my friends and who were also much benefitted by it, and whose testimonials can be had if necessary. I have been appointed by Dr. Wishart as Agent for the Sale of his Medicine, wholesale or retail.
